Narrative of the Life of Frederick Douglass is an 1845 memoir and treatise on abolition written by famous orator and former slave Frederick Douglass. It is generally held to be the most famous of a number of narratives written by former slaves during the same period. In factual detail, the text describes the events of his life and is considered to be one of the most influential pieces of literature to fuel the abolitionist movement of the early 19th century in the United States. Narrative of the Life of Frederick Douglass encompasses eleven chapters that recount Douglass's life as a slave and his ambition to become a free man.

Narrative of the Life of Frederick Douglass, an American Slave

The publication of the King James version of the Bible, translated between

1603 and 1611, coincided with an extraordinary flowering of English literature and is universally acknowledged as the greatest influence on English-language literature in history. Now, world-class literary writers introduce the book of the King James Bible in a series of beautifully designed, small-format volumes. The introducers' passionate, provocative, and personal engagements with the spirituality and the language of the text make the Bible come alive as a stunning work of literature and remind us of its overwhelming contemporary relevance. *Narrative of the Life of Frederick Douglass Illustrated Edition* Library of America

Frederick Douglass was born a slave in Maryland around February 1818. He escaped in 1838, but in each of the three accounts he wrote of his life he did not give any details of how he gained his freedom lest slaveholders use the information to prevent other slaves from escaping, and to prevent those who had helped him from being punished.

Frederick Douglass Hardpress Publishing
Literature Review from the year 2019 in the subject American Studies - Literature, grade: 1.0, , language: English, abstract: This is a review and summary of the book *Narrative of the Life of Frederick Douglass*. In this book we read about the early life of an American Slave Frederick Douglass, it is

in fact his autobiography. We will see that after getting sent to Baltimore, Frederick began to have ideas about freedom, after overhearing some cruel words from his master, and decided to escape to the Northern states where he might be free, like all men should be. This specific book also contains some of the various works of Frederick, which the author of this paper will not go over, due to the fact that they do not tell us about his life, only his literary skills which are quite impressive.

The 100 Best Nonfiction Books of All Time Cosimo, Inc.

The New York Times Bestseller *What if everything you think you know about addiction is wrong?* Johann Hari's journey into the heart of the war on drugs led him to ask this question--and to write the book that gave rise to his viral TED talk, viewed more than 62 million times, and inspired the feature film *The United States vs. Billie Holiday* and the documentary series *The Fix*. One of Johann Hari's earliest memories is of trying to wake up one of his relatives and not being able to. As he grew older, he realized he had addiction in his family. Confused, not knowing what to do, he set out and traveled over 30,000 miles over three years to discover what really causes addiction--and what really solves it. He uncovered a range of remarkable human stories--of how the war on drugs began with Billie Holiday, the great jazz singer, being stalked and killed by a racist policeman; of the scientist who discovered the surprising key to addiction; and of the countries that ended their own war on drugs--with extraordinary results. *Chasing the Scream* is the story of a life-changing journey that transformed the addiction debate internationally--and showed the world that the opposite of addiction is

connection.

The Brief Wondrous Life of Oscar Wao BEYOND BOOKS HUB

Frederick Douglass and Abraham Lincoln were the preeminent self-made men of their time. In this masterful dual biography, award-winning Harvard University scholar John Stauffer describes the transformations in the lives of these two giants during a major shift in cultural history, when men rejected the status quo and embraced new ideals of personal liberty. As Douglass and Lincoln reinvented themselves and ultimately became friends, they transformed America. Lincoln was born dirt poor, had less than one year of formal schooling, and became the nation's greatest president. Douglass spent the first twenty years of his life as a slave, had no formal schooling--in fact, his masters forbade him to read or write--and became one of the nation's greatest writers and activists, as well as a spellbinding orator and messenger of audacious hope, the pioneer who blazed the path traveled by future African-American leaders. At a time when most whites would not let a black man cross their threshold, Lincoln invited Douglass into the White House. Lincoln recognized that he needed Douglass to help him destroy the Confederacy and preserve the Union; Douglass realized that Lincoln's shrewd sense of public opinion would serve his own goal of freeing the nation's blacks. Their relationship shifted in response to the country's debate over slavery, abolition, and emancipation. Both were ambitious men. They had great faith in the moral and technological progress of their nation. And they were not always consistent in their views. John Stauffer describes their personal and political struggles with a keen understanding of

the dilemmas Douglass and Lincoln confronted and the social context in which they occurred. What emerges is a brilliant portrait of how two of America's greatest leaders lived.

The Parallel Lives of Frederick Douglass and Abraham Lincoln

Independently Published

Frederick Douglass was an African-American social reformer, abolitionist, orator, writer, and statesman. After escaping from slavery in Maryland, he became a national leader of the abolitionist movement in Massachusetts and New York, gaining note for his dazzling oratory and incisive antislavery writings. In his time, he was described by abolitionists as a living counter-example to slaveholders' arguments that slaves lacked the intellectual capacity to function as independent American citizens. Northerners at the time found it hard to believe that such a great orator had once been a slave.

Late a Slave in the United States of America

Oxford University Press, USA
It is the most celebrated escape in the history of American slavery. Henry Brown had himself sealed in a three-foot-by-two-foot box and shipped from Richmond, Virginia, to Philadelphia, a twenty-seven-hour journey to freedom. In *Narrative of the Life of Henry Box Brown, Written by Himself*, Brown not only tells the story of his famed escape, but also recounts his later life as a black man making his way through white American and British culture. Most important, he paints a revealing portrait of the reality of slavery, of the wife and children sold away from him, the home to which he could not return, and his rejection of the slaveholders' religion--painful episodes that fueled his desire for freedom. This edition comprises the most complete and faithful

representation of Brown's life, fully annotated for the first time. John Ernest also provides an insightful introduction that places Brown's life in its historical setting and illuminates the challenges Brown faced in an often threatening world, both before and after his legendary escape.

Chasing the Scream Library of America

H. Lincoln Wayland has condensed Muller's for-volume autobiography into a very readable single volume that highlights insights into Muller's hidden life with the Lord. This is the ideal introduction to Muller.

Prestwick House Inc

Narrative of the Life of Frederick Douglass, An American Slave, Written by Himself is the most relevant nineteenth-century slave narrative written by a former male slave, and a highly influential work for the anti-slavery movement. It was Douglass' first autobiography and in it he describes his triumphant progress from slavery to freedom and makes it parallel to his liberating journey from illiteracy to literacy. As such, is a powerful illustration of a black man's ambition to be free in the land of the free.

The Narrative of the Life of Frederick

Douglass Narrative of the Life of Frederick Douglass

Published in the bicentenary year of Frederick Douglass's birth and in a Black Lives Matter era, this edition of *Narrative of the Life of Frederick Douglass* presents new research into his life as an activist and an author. A revolutionary reformer who traveled in Scotland, Ireland, England, and Wales as well as the US, Douglass published many foreign-language editions of his *Narrative*. While there have been many Douglasses over the decades and even centuries, the Frederick Douglass we need now is no iconic, mythic, or legendary self-made man but a fallible, mortal, and human individual: a husband, father, brother, and son. His rallying cry inspires today's activism: "Agitate! Agitate! Agitate!" Recognizing that Douglass was bought and sold on the northern abolitionist podium no less than on the southern auction block, this edition introduces readers to Douglass's multiple declarations of independence. The *Narrative* appears alongside his private correspondence as well as the early speeches and writings in which he did justice to the "grim horrors of slavery." This volume also traces Douglass's activism and authorship in the context of the reformist work of his wife, Anna Murray, and of his daughters and sons.

It was used as a textbook in many classrooms in the United States and became the influence for abolitionist Frederick Douglass. Its popularity continued into the 20th century for its demonstration of the power of speech and its importance to the human rights movement. CALEB BINGHAM (1757-1817) was a textbook author, publisher, and bookseller in Boston, Massachusetts. Born in Salisbury, Connecticut, he was educated and taught at Dartmouth College. His most famous works were on public speaking, including the well-known *The Columbian Orator*. Other textbooks Bingham wrote on grammar and speech include *The American Preceptor* and *The Young Lady's Accidence*.

Narrative of the Life of Henry Box Brown Createspace Independent Publishing Platform

Henry Louis Gates, Jr. presents the only authoritative edition of all three autobiographies by the escaped slave who became a great American leader. Here in this Library of America volume are collected Frederick Douglass's three autobiographical narratives, now recognized as classics of both American history and American literature. Writing with the eloquence and fierce intelligence that made him a brilliantly effective spokesman for the abolition of slavery and equal rights, Douglass shapes an inspiring vision of self-realization in the face of monumental odds. *Narrative of the Life of Frederick Douglass, an American Slave (1845)*, published seven years after his escape, was written in part as a response to skeptics who refused to believe that so articulate an orator could ever have been a slave. A powerfully compressed account of the cruelty and oppression of the Maryland plantation culture into which Douglass was born, it brought him

to the forefront of the anti-slavery movement and drew thousands, black and white, to the cause. In *My Bondage and My Freedom (1855)*, Douglass expands the account of his slave years. With astonishing psychological penetration, he probes the painful ambiguities and subtly corrosive effects of black-white relations under slavery, and recounts his determined resistance to segregation in the North. The book also incorporates extracts from Douglass's speeches, including the searing "What to the Slave Is the Fourth of July?" *Life and Times*, first published in 1881, records Douglass's efforts to keep alive the struggle for racial equality during Reconstruction. John Brown, Abraham Lincoln, William Lloyd Garrison, and Harriet Beecher Stowe all feature prominently in this chronicle of a crucial epoch in American history. The revised edition of 1893, presented here, includes an account of his controversial diplomatic mission to Haiti. This volume contains a detailed chronology of Douglass's life, notes providing further background on the events and people mentioned, and an account of the textual history of each of the autobiographies. LIBRARY OF AMERICA is an independent nonprofit cultural organization founded in 1979 to preserve our nation's literary heritage by publishing, and keeping permanently in print, America's best and most significant writing. The Library of America series includes more than 300 volumes to date, authoritative editions that average 1,000 pages in length, feature cloth covers, sewn bindings, and ribbon markers, and are printed on premium acid-free paper that will last for centuries.
