On the Pulse of Morning The Creative Company

Living in a "perfect" world without social ills, a boy approaches the time when he will receive a life assignment from the Elders, but his selection leads him to a mysterious man known as the Giver, who reveals the dark secrets behind the utopian facade.

Phenomenal Woman Manjul Publishing

From the New York Times bestselling author of Deacon King Kong and The Good Lord Bird, winner of the National Book Award for Fiction: The modern classic that Oprah.com calls one of the best memoirs of a generation and that launched James McBride's literary career. More than two years on The New York Times

bestseller list. Who is Ruth McBride Jordan? A self-declared "light-skinned" woman evasive about her ethnicity, yet steadfast in her love for her twelve black children. James McBride, journalist, musician, and son, explores his mother's past, as well as his own upbringing and heritage, in a poignant and powerful debut, *The Color Of Water: A Black Man's Tribute to His White Mother*. The son of a black minister and a woman who would not admit she was white, James McBride grew up in "orchestrated chaos" with his eleven siblings in the poor, all-black projects of Red Hook, Brooklyn. "Mommy," a fiercely protective woman with "dark eyes full of pep and fire," herded her brood to Manhattan's free cultural events, sent them off on buses to the best (and mainly Jewish) schools, demanded good grades, and commanded respect. As a young man, McBride saw his mother as a source of embarrassment, worry, and confusion—and reached thirty before

he began to discover the truth about her early life and long-buried pain. In *The Color of Water*, McBride retraces his mother's footsteps and, through her searing and spirited voice, recreates her remarkable story. The daughter of a failed itinerant Orthodox rabbi, she was born Rachel Shilsky (actually Ruchel Dwara Zylska) in Poland on April 1, 1921. Fleeing pogroms, her family emigrated to America and ultimately settled in Suffolk, Virginia, a small town where anti-Semitism and racial tensions ran high. With candor and immediacy, Ruth describes her parents' loveless marriage; her fragile, handicapped mother; her cruel, sexually-abusive father; and the rest of the family and life she abandoned. At seventeen, after fleeing Virginia and settling in New York City, Ruth married a black minister and founded the all-black New Brown Memorial Baptist Church in her Red Hook living room. "God is the color of water," Ruth McBride taught her children, firmly convinced that life's blessings and life's values transcend race. Twice widowed, and continually confronting overwhelming adversity and racism, Ruth's determination, drive and discipline saw her dozen children through college—and most through graduate school. At age 65, she herself received a degree in social work from Temple University. Interspersed throughout his mother's compelling narrative, McBride shares candid recollections of his own experiences as a mixed-race child of poverty, his flirtations with drugs and violence, and his eventual self-realization and professional success. *The Color of Water* touches readers of all colors as a vivid portrait of growing up, a haunting meditation on race and identity, and a lyrical valentine to a mother from her son. This book was recently reprinted with a new cover. You may receive one of the two covers shown.

Collected Poems Penguin

Jacqueline Woodson's National Book Award and Newbery Honor winner, now available in paperback with 7 all-new poems. Jacqueline Woodson is the 2018-2019 National Ambassador for Young People's Literature A President Obama "O" Book Club pick Raised in South Carolina and New York, Woodson always felt halfway home in each place. In vivid poems, she shares what it was like to grow up as an African American in the 1960s and 1970s, living with the remnants of Jim Crow and her growing awareness of the Civil Rights movement. Touching and powerful, each poem is both accessible and emotionally charged, each line a glimpse into a child's soul as she searches for her place in the world. Woodson's eloquent poetry also reflects the joy of finding her voice through writing stories, despite the fact that she struggled with reading as a child. Her love of stories inspired her and stayed with her, creating the first sparks of the gifted writer she was to become. Includes 7 new poems, including "Brown Girl Dreaming". Praise for Jacqueline Woodson: A 2016 National Book Award finalist for her adult novel, *ANOTHER BROOKLYN* "Ms. Woodson writes with a sure understanding of the thoughts of young people, offering a poetic, eloquent narrative that is not simply a story . . . but a mature exploration of grown-up issues and self-discovery."--The New York Times Book Review

Passing Strelbytskyy Multimedia Publishing

This lively introduction to figurative language explains a broad range of concepts, including metaphor, metonymy, simile, and blending, and develops new tools for analyzing them. It coherently grounds the linguistic understanding of these concepts in basic cognitive mechanisms such as categorization,

frames, mental spaces, and viewpoint; and it fits them into a consistent framework which is applied to cross-linguistic data and also to figurative structures in gesture and the visual arts.

Comprehensive and practical, the book includes analyses of figurative uses of both word meanings and linguistic constructions. • Provides definitions of major concepts • Offers in-depth analyses of examples, exploring multiple levels of complexity • Surveys figurative structures in different discourse genres • Helps students to connect figurative usage with the conceptual underpinnings of language • Goes beyond English to explore cross-linguistic and cross-modal data

A poem read at the fiftieth anniversary of the founding of the United Nations in San Francisco deals with peace

The Book of Unknown Americans Strelbytskyy Multimedia Publishing

Here is a book as joyous and painful, as mysterious and memorable, as childhood itself. *I Know Why the Caged Bird Sings* captures the longing of lonely children, the brute insult of bigotry, and the wonder of words that can make the world right. Maya Angelou's debut memoir is a modern American classic beloved worldwide. Sent by their mother to live with their devout, self-sufficient grandmother in a small Southern town, Maya and her brother, Bailey, endure the ache of abandonment and the prejudice of the local "powhitetrash." At eight years old and back at her mother's side in St. Louis, Maya is attacked by a man many times her age—and has to live with the consequences for a lifetime. Years later, in San Francisco, Maya learns that love for herself, the kindness of others, her own strong spirit, and the

ideas of great authors ("I met and fell in love with William Shakespeare") will allow her to be free instead of imprisoned. Poetic and powerful, *I Know Why the Caged Bird Sings* will touch hearts and change minds for as long as people read. "I Know Why the Caged Bird Sings liberates the reader into life simply because Maya Angelou confronts her own life with such a moving wonder, such a luminous dignity."—James Baldwin From the Paperback edition.

Stella by Starlight Penguin UK

A collection of beloved poems about women from the iconic Maya Angelou These four poems, "Phenomenal Woman," "Still I Rise," "Weekend Glory," and "Our Grandmothers," are among the most remembered and acclaimed of Maya Angelou's poems. They celebrate women with a majesty that has inspired and touched the hearts of millions. "Phenomenal Woman" is a phenomenal poem that speaks to us of where we are as women at the dawn of a new century. In a clear voice, Maya Angelou vividly reminds us of our towering strength and beauty.

During the time Mowgli was with the wolf pack, he is abducted by the Bandar-log monkeys to the ruined city. Baloo and Bagheera set out to rescue him with Kaa the python. Kaa defeats the Bandar-log, frees Mowgli, and hypnotises the monkeys and the other animals with his dance. Mowgli rescues Baloo and Bagheera from the spell. *The Jungle Book* (1894) is a collection of stories by English author Rudyard Kipling. The stories were first published in magazines in 1893–94. The original publications contain illustrations, some by Rudyard's father, John Lockwood Kipling. Kipling was born in India and spent the first six years of his

childhood there. After about ten years in England, he went back to India and worked there for about six-and-a-half years. These stories were written when Kipling lived in Vermont. Famous stories of The Jungle Book Rudyard Kipling: Mowgli's Brothers, Kaa's Hunting, Tiger! Tiger!, The White Seal, Rikki-Tikki-Tavi, Toomai of the Elephants, Her Majesty's Servants.

masters of the medium. The first part gathers together poems of love and nostalgic memory, while Part II portrays confrontations inherent in a racist society.

Songs of Innocence and of Experience Haymarket Books
Songs of Innocence and of Experience is an collection of poems by William Blake. It appeared in two phases. A few first copies were printed and illuminated by William Blake himself in 1789; five years later he bound these poems with a set of new poems in a volume titled *Songs of Innocence and of Experience Shewing the Two Contrary States of the Human Soul*. William Blake was also a painter before the songs of innocence and experience and made paintings such as Oberon, Titania, and Puck dancing with fairies. "Innocence" and "Experience" are definitions of consciousness that rethink Milton's existential-mythic states of "Paradise" and "Fall". Often, interpretations of this collection centre around a mythical dualism, where "Innocence" represents the "unfallen world" and "Experience" represents the "fallen world". Blake categorizes our modes of perception that tend to coordinate with a chronology that would become standard in Romanticism: childhood is a state of protected innocence rather than original sin, but not immune to the fallen world and its institutions. This world sometimes impinges on childhood itself, and in any event becomes known through "experience", a state of being marked by the loss of childhood vitality, by fear and inhibition, by social and political corruption, and by the manifold oppression of Church, State, and the ruling classes. The volume's "Contrary States" are sometimes signalled by patently repeated or contrasted titles: in Innocence, *Infant Joy*, in Experience, *Infant Sorrow*; in Innocence, *The Lamb*, in Experience, *The Fly* and *The*

Tyger. The stark simplicity of poems such as *The Chimney Sweeper* and *The Little Black Boy* display Blake's acute sensibility to the realities of poverty and exploitation that accompanied the "Dark Satanic Mills" of the Industrial Revolution.

Song of Myself ... Little, Brown Books for Young Readers
Sharon M. Draper presents "storytelling at its finest" (School Library Journal, starred review) in this New York Times bestselling Depression-era novel about a young girl who must learn to be brave in the face of violent prejudice when the Ku Klux Klan reappears in her segregated southern town. Stella lives in the segregated South—in Bumblebee, North Carolina, to be exact about it. Some stores she can go into. Some stores she can't. Some folks are right pleasant. Others are a lot less so. To Stella, it sort of evens out, and heck, the Klan hasn't bothered them for years. But one late night, later than she should ever be up, much less wandering around outside, Stella and her little brother see something they're never supposed to see, something that is the first flicker of change to come, unwelcome change by any stretch of the imagination. As Stella's community—her world—is upended, she decides to fight fire with fire. And she learns that ashes don't necessarily signify an end.

The Absolutely True Diary of a Part-Time Indian HarperCollins
Clare Kendry has severed all ties to her past. Elegant, fair-skinned and ambitious, she is married to a white man who is unaware of her African-American heritage. When she renews her acquaintance with her childhood friend Irene, who has not hidden her origins, both women are forced to reassess their marriages, the lies they have told - and to confront the secret fears they have buried within themselves. Nella Larsen's intense, taut and

psychologically nuanced portrayal of lives and identities dangerously colliding established her as a leading writer of America's Harlem Renaissance. The Penguin English Library - collectable general readers' editions of the best fiction in English, from the eighteenth century to the end of the Second World War. **Roll of Thunder, Hear My Cry** Diamond Pocket Books Pvt Ltd
Langston Hughes's *Not Without Laughter* (1930) is drawn in part from the author's own recollections of youth and early manhood. This stirring coming-of-age tale unfolds in 1930s rural Kansas. A poignant portrait of African-American family life in the early twentieth century, it follows the story of young Sandy Rogers as he grows from a boy to a man. We meet Sandy's mother, Annjee, who works as a housekeeper for a wealthy white family; his strong-willed grandmother, Hager; Jimboy, Sandy's father, who travels the country looking for work; Aunt Tempy, the social climber; and Aunt Harriet, the blues singer who has turned away from her faith. A fascinating chronicle of a family's joys and hardships, 'Not Without Laughter' is a vivid exploration of growing up and growing strong in a racially divided society. A rich and important work, it masterfully echoes the black American experience.

The Giver Bloomsbury Publishing
"Olivarez steps into the 'inbetween' standing between Mexico and America in these compelling, emotional poems. Written with humor and sincerity" (Newsweek). Named a Best Book of the Year by Newsweek and NPR. In this "devastating debut" (Publishers Weekly), poet José Olivarez explores the stories, contradictions, joys, and sorrows that embody life in the spaces between Mexico and America. He paints vivid portraits of good

kids, bad kids, families clinging to hope, life after the steel mills, gentrifying barrios, and everything in between. Drawing on the rich traditions of Latinx and Chicago writers like Sandra Cisneros and Gwendolyn Brooks, Olivarez creates a home out of life in the in-between. Combining wry humor with potent emotional force, Olivarez takes on complex issues of race, ethnicity, gender, class, and immigration using an everyday language that invites the reader in, with a unique voice that makes him a poet to watch. "The son of Mexican immigrants, Olivarez celebrates his Mexican-American identity and examines how those two sides conflict in a striking collection of poems." —USA Today
