Computerworld's award-winning Web site (Computerworld.com), twice-monthly publication, focused conference series and custom research form the hub of the world's largest global IT media network.

Electrical World Jist Works

"Every year the United States and Canada welcome significant numbers of immigrant professionals who have high levels of formal education, often including advanced degrees, as well as extensive workplace experience. Despite these qualifications, a significant portion of these immigrants are unemployed. Recruiting, Retaining, and Promoting Culturally Different Employees aims to help U.S. and Canadian organizations make full use of the human capital that these immigrants represent. Highly practical, Recruiting, Retaining, and Promoting Culturally Different Employees is divided into two parts, the first focusing on the recruitment process, the second examining the retention and promotion of culturally different employees."--BOOK JACKET.

ASHRAE Journal Завдання для самостійної роботи з англійської мови за професійним спрямуванням. [англ]. Навчальний посібник

Today a college degree is needed to ensure an avenue to a decent standard of living. The workplace demands lifelong learning, since most workers will change careers several times before retiring. Meanwhile, attaining a degree is becoming more difficult both in terms of the time required and money. This affects not only individuals but encourages lawmakers to seek alternatives. This book examines higher education programs designed for and delivered to working adult students under a unique for-profit model, one that benefits both taxpayer and student.

Expert Resumes for Engineers Plume Books

В посібнику «Завдання для самостійної роботи з Англійської Мови за Професійним Спрямуванням» пропонуються завдання для самостійного опрацювання студентам економічних спеціальностей, аспірантам та викладачам спеціальностей, пов'язаних з менеджментом, маркетингом, економікою тощо, а також для тих, хто займається організацією та практикою зовнішньоекономічної діяльності. Посібник складається з п'яти частин (Part I-V), до кожної частини додаються ключі та глосарій (англо-український словник). Запропонований комплекс вправ та завдань реалізується на основі кредитно-модульної організації навчання та враховує різний рівень підготовки студентів, різний рівень швидкості сприйняття та засвоєння матеріалу, сприяє індивідуалізованому вирішенню проблем, які виникають у процесі самостійної підготовки до заняття. Оригінальні англійські тексти з численними вправами та завданнями висвітлюють різні аспекти англійського ділового спілкування.
