A Sports Illustrated Best Book of Year: "Vivid portraits of the kids, parents and coaches of the Greater Miami Pop Warner league" (Linda Robertson, The Miami Herald). Although its participants are still in grade school, Pop Warner football is serious business in Miami, where local teams routinely

advance to the national championship s. Games draw thousands of fans; recruiters vie for nascent talent; drug dealers and rap stars bankroll teams; and the stakes are so high that games sometimes end in gunshots. In America's poorest neighborhood, troubled parents dream of NFL stardom for children who long only for a week in Disney World at the Pop

Warner Super Bowl. In 2001, journalist Robert Andrew Powell spent a year following two teams through roller-coaster seasons. The Liberty City Warriors, former national champs, will suffer the team's first-ever losing season. The Palmetto Raiders, undefeated for two straight years, will be rewarded for good play with limo rides and steak dinners. But their flamboyant coach (the "Darth Vader

of youth football”) will face defeat in a down-to-the-wire playoff game. We Own This Game is an inside-the-huddle look into a world of innocence and corruption, where every kickoff bares political, social, and racial implications; an unforgettable drama that shows us just what it is to win and to lose in America. “Powell elevates We Own This Game well above the

average sports book to a significant sociological study.” —The San Francisco Chronicle

 From youth football to the NFL, almost no one understands concussions. Children are dying, and NFL players are retiring early and with impairments. Why? The NFL suppresses the true information about head injuries.

Nowinski shows how to recognize them, how long to stay out of action, and how to educate teams and players.

The War on Football North Atlantic Books
 In October 1960, Omaha Central and Creighton Prep met for what many Nebraskans consider the greatest high school football game ever played. Future NFL Hall of

Famer Gale Sayers scored seventy points while leading Central's powerful offense through its first four games. Prep's strong defense, on the other hand, allowed only twenty points all season. Legendary coaches patrolled both sidelines, and Prep was aiming for its third straight state championship. The stage was set for a Friday-night showdown. Fifteen thousand fans

packed into Omaha's Municipal Stadium to watch the early season championship clash. Stubborn defenses ensured parity. Back and forth the teams battled, mired around the 50-yard line, punt after punt soaring into the sky. With no overtime to settle things and the defenses holding fast, the game ended in a scoreless tie. When both teams won their remaining

games, they shared the state title that year. Scoreless retells the details of this legendary game, the buildup to it, and the story behind the teams and their renowned coaches and players. It is the tale of one of the most remarkable football games in Nebraska high school sports history. *Grown and Flown* Sourcebooks, Inc. Fifty years ago Abilene High School, under legendary

Coach Chuck Moser, became a football dynasty in Texas. Moser moved to Abilene in 1953 at age thirty-four. What followed were seven of the most amazing years in the rich history of Texas high school football. The 1954, 1955, and 1956 teams won state championships. From 1954 to 1957 the Eagles won an incredible forty-nine consecutive games. Abilene

captured six district titles in a row in a rugged West Texas league known as the Little Southwest Conference. In Moser's seven years, Abilene won seventy-eight games and lost only seven. In its 1999 wrap-up of the twentieth century in Texas, The Dallas Morning News designated the Eagles of 1954-57 as the "Team of the Century" in high school football. Veteran sports writer Al Pickett

explores how Moser worked his magic to galvanize an entire community in support of his program and turn an otherwise ordinary group of high school kids into the best football team in Texas history.

Hugo House Publishers, Ltd. Acclaimed essayist Mark Edmundson reflects on his own rite of passage as a high school football player to get to

larger truths about the ways America's Game shapes its men Football teaches young men self-discipline and teamwork. But football celebrates violence. Football is a showcase for athletic beauty and physical excellence. But football damages young bodies and minds, sometimes permanently. Football inspires confidence and direction. But football instills

cockiness, a false sense of superiority. The athlete is a noble figure with a proud lineage. The jock is America at its worst. When Mark Edmundson's son began to play organized football, and proved to be very good at it, Edmundson had to come to terms with just what he thought about the game. Doing so took him back to his own childhood, when as a shy, soft boy growing up in a blue-collar Boston suburb

in the sixties, he went out for the high school football team. Why Football Matters is the story of what happened to Edmundson when he tried to make himself into a football player. What does it mean to be a football player? At first Edmundson was hapless on the field. He was an inept player and a bad teammate. But over time, he got over his fears and he got tougher. He learned to be

a better player and came to feel a part of the team, during games but also on all sorts of escapades, not all of them savory. By playing football, Edmundson became what he and his father hoped he'd be, a tougher, stronger young man, better prepared for life. But is football-instilled toughness always a good thing? Do the character, courage, and loyalty football

instills have a dark side? Football, Edmundson found, can be full of bounties. But it can also lead you into brutality and thoughtlessness. So how do you get what's best from the game and leave the worst behind? Why Football Matters is moving, funny, vivid, and filled with the authentic anxiety and exhilaration of youth. Edmundson doesn't regret playing football for a minute, and cherishes the

experience. His triumph is to be able to see it in full, as something to celebrate, but also something to handle with care. For anyone who has ever played on a football team, is the parent of a player, or simply is reflective about its outsized influence on America, **Why Football Matters** is both a mirror and a lamp. **Century of Fridays** The Republic of Football "This is the Illinois high

school football bible. If somebody knows more about the topic than Taylor Bell, I don't know who it is. Actually, I do. Nobody." Rick Telander senior sports columnist, Chicago Sun-Times --
