Amon has seen it all in the  
thousands of years he's  
walked this earth. As a  
demon, he's only ever  
wanted to live and feed  
unnoticed. But his need  
for blood always brought

trouble. Finally, he's  
devised a foolproof plan  
to meet his needs and the  
needs of monsters like  
him. With the help of his  
demon son, a bloodthirsty  
vampire, a dark witch,  
and two very feral sirens,  
they will hunt humans  
who have sinned in the  
vilest ways. This savage  
hunt will not only feed

them but deliver revenge the humans so desire. His flawless plan won't ever shatter. He'd bet his existence on it.

"Having been born a freeman, and for more than thirty years enjoyed the blessings of liberty in a free State—and having at the end of that time been kidnapped and sold into Slavery, where I remained, until happily rescued in the month of January, 1853, after a bondage of twelve years—it has been suggested that an account of my life and fortunes would not be uninteresting to the public." -an excerpt

To Keep Him Safe is a moving narrative about overcoming adversity and finding a place of healing

for Lillian Hawke, the loving mother of a son who develops mental illness. Her husband, Mitchell, a contractor by trade, wrestles with self-doubt when he sees behaviors in his son that remind him of his troubled brother and lead him to fear the worst outcome. Their son, Danny, is a carefree child until about the age of three or four, when he begins to become more and more socially awkward, withdrawn, and antisocial, although high functioning. Sarah, their youngest

child, is a light in the family dynamics, in part because of her close bond with Danny and her calming influence in his life. Gayle Parish, the author and a professional counselor by training, conveys the doubts, frustrations, chaos, self-discovery, and fear that come with a severe mental health diagnosis and the havoc it wrecks in a young family's life over many decades. The main character, Lillian, grapples with her doubts and emotional pain as she and her family learn to cope

with a special needs child. Danny's diagnosis leads her to a career in counseling, which enables her to help others, and perhaps most importantly, to find her way through a myriad of personal and family challenges. Though life is not easy for Lillian's family, their deep love for each other supports them through situations that would tear many families apart. The family's journey includes not only dark days but also days filled with light, as when Danny, an artistic savant, communicates in the best

way he can - through his art. The author quietly conveys the heartbreaking desperation of a family coping with mental illness. She shows how every character is affected in a different and unique way. Lillian walks a tightrope in her journey of personal growth, where she maintains a sense of normalcy for her younger daughter, her husband, and her job, while diligently working to keep her son safe. A beautifully and touchingly told story. [I Can't Do That, Yet](#) Grand Central Pub

Possum Bourne: rally driver, sporting icon, family man, team-builder and 'great bloke'. Three-time winner of the Asia-Pacific Rally Championship, winner seven times in a row of the Australian Rally Championship, and eight times the best placed New Zealand driver in the Rally of New Zealand. In 2003, he finally achieves his long cherished dream of competing in the World Rally Championship, but is fatally injured in a freak car crash. This is the story of how his positive

attitude, his determination to succeed, and his ability to inspire others to help him brought him motorsport fame. "Very few New Zealanders pass the first name test - instantly recognisable when just their first name is used. Ed Hillary, Zinzan Brooke, Jonah Lomu, Stacey Jones and Onny Parun are or have been examples of this rudimentary litmus test of fame. Possum Bourne was another." Joseph Romanos

The next in Alan Axelrod's engaging and popular CEO series spotlights a perfect subject: Napoleon, the brilliant military strategist who also laid the administrative and judicial foundations for much of Western Europe. Axelrod looks at this much-studied figure in a

new way, exploring six areas that constitute the core of what made Napoleon a great leader: Audacity, Vision, Empathy, Strategy, Logistics, and Tactics. Within these areas Axelrod formulates approximately 60 lessons framed in military analogies, valuable for anyone who aspires to leadership, whether in the boardroom or the Oval Office.
