The True Story of a Real Fake Summit Publishing Company Inc.

In the bestselling tradition of Hampton Sides's In the Kingdom of Ice, a "gripping adventure tale" (The Boston Globe) recounting Dutch polar explorer William Barents' three harrowing Arctic expeditions—the last of which resulted in a relentlessly challenging year-long fight for survival. The human story has always been one of perseverance—often against remarkable odds. The most

astounding survival tale of all might be that of 16th-century Dutch explorer William Barents and his crew of sixteen, who ventured farther north than any Europeans before and, on their third polar exploration, lost their ship off the frozen coast of Nova Zembla to unforgiving ice. The men would spend the next year fighting off ravenous polar bears, gnawing hunger, and endless winter. In *Icebound*, Andrea Pitzer masterfully combines a gripping tale of survival with a sweeping history of the great Age of Exploration—a time of hope, adventure, and seemingly unlimited geographic frontiers. At the story's center is William Barents, one of the 16th century's greatest navigators whose larger-than-life ambitions and obsessive quest to chart a path through the deepest, most remote regions of the Arctic ended in both tragedy and glory. Journalist Pitzer did extensive research, learning how to use four-hundred-year-old navigation equipment, setting out on three Arctic expeditions to retrace Barents's steps, and visiting replicas of Barents's ship and cabin. "A resonant meditation on human ingenuity, resilience, and hope" (The New Yorker), Pitzer's reenactment of Barents's ill-fated journey shows us how the human body can function at twenty degrees below, the history of mutiny, the art of celestial navigation, and the intricacies of building shelters. But above all, it gives us a firsthand glimpse into the true nature of courage.

The Art of Far Cry 6 Dark Horse Comics

Explore the vibrant island of Yara, a nation trapped in time. Dark Horse Books and Ubisoft have joined forces to create *The Art of Far Cry 6*, a beautiful volume that is perfect for any fan of the *Far Cry* adventures. Welcome to Yara. Viva Libertad!

1886 Dark Horse Comics

Presents over 100 sets of questions, or different lenses, for viewing a game's design. Written by one of the world's top game designers, this book describes the deepest and most fundamental principles of game design, demonstrating how tactics used in board, card, and athletic games also work in video games. It provides practical instruction on creating world-class games that will be played again and again. New to this edition: many great examples from new VR and AR platforms as well as examples from modern games such as *Uncharted 4* and *The Last of Us*, *Free to Play* games, hybrid games, transformational games, and more.

From Lara's survival tools to the wild animals she encounters in the harsh environment, this in-depth, all-access book offers gamers a look into the visual dexterity of *Rise of the Tomb Raider*.

Catch Me If You Can Titan Publishing Company

From the 14th century onward, political and religious motives led Ethiopian travelers to Mediterranean Europe. For two centuries, their ancient Christian heritage and the myth of a fabled eastern king named Prester John allowed the Ethiopians to engage the continent's secular and religious elites as peers. Meanwhile, back home the Ethiopian nobility came to welcome European

visitors and at times even co-opted them by arranging mixed marriages and bestowing land rights. The protagonists of this encounter sought and discovered each other in royal palaces, monasteries, and markets throughout the Mediterranean basin, the Red Sea, and the Indian Ocean littoral, from Lisbon to Jerusalem and from Venice to Goa. Matteo Salvatore's narrative takes the reader on a voyage of reciprocal discovery that climaxed with the Portuguese intervention on the side of the Christian monarchy in the Ethiopian-Adali War. Thereafter, the arrival of the Jesuits at the Horn of Africa turned the mutually beneficial Ethiopian-European encounter into a bitter confrontation over the souls of Ethiopian Christians.

Drake's Journal Dark Horse Comics

"Explore the backstories and motivations behind Overwatch's most popular heroes"--
