Check out Little Voice on Apple TV+! Little Voice is inspired by a lost song from Sara

Bareilles's first studio album. This updated New York Times bestselling collection of essays by seven-time Grammy nominated singer songwriter Sara Bareilles "resonates with authentic and hard-won truths" (Publishers Weekly)—and features new material on the hit Broadway musical, *Waitress*. Sara Bareilles "pours her heart and soul into these essays" (Associated Press), sharing the joys and the struggles that come with creating great work, all while staying true to yourself. Imbued with humor and marked by Sara's confessional writing style, this essay collection tells the

inside story behind some of her most popular songs. Well known for her chart-topper “Brave,” Sara first broke through in 2007 with her multi-platinum single “Love Song.” She has since released seven albums that have sold millions of copies and spawned several hits. “A breezy, upbeat, and honest reflection of this multitalented artist” (Kirkus Reviews), *Sounds Like Me* reveals Sara Bareilles, the artist—and the woman—on songwriting, soul searching, and what’s discovered along the way.

Sugar, Butter, Flour Rowman & Littlefield
Based on her inspiring, viral 2018 commencement speech to Barnard College’s graduates in New York City, New York Times bestselling author, two-time Olympic gold medalist and FIFA World Cup champion Abby Wambach delivers her empowering rally cry for women to unleash their individual power, unite with their pack, and emerge victorious together. Abby Wambach became a champion because of her incredible talent as a soccer player. She became an icon because of her remarkable wisdom as a leader. As the co-captain of the 2015 Women’s World Cup Champion Team, she

created a culture not just of excellence, but of honor, commitment, resilience, and sisterhood. She helped transform a group of individual women into one of the most successful, powerful and united Wolfpacks of all time. In her retirement, Abby’s ready to do the same for her new team: All Women Everywhere. In Wolfpack, Abby’s message to women is: We have never been Little Red Riding Hood. We Are the Wolves. We must wander off the path and blaze a new one: together. She insists that women must let go of old rules of leadership that neither include or serve them. She’s created a new set of Wolfpack rules to help women unleash their individual power, unite with their Wolfpack, and change the landscape of their lives and world: from the family room to the board room to the White House. · Make failure your fuel: Transform failure to wisdom and power. · Lead from the bench: Lead from wherever you are. · Champion each other: Claim each woman’s victory as your own. · Demand the effing ball: Don’t ask permission: take what you’ve earned. In Abby’s vision, we are not Little Red Riding Hoods, staying on the path because we’re told to. We are the wolves, fighting

for a better tomorrow for ourselves, our pack, and all the future wolves who will come after us.

Music Theory and Composition: A Practical Approach presents a pragmatic, accessible approach to music theory through an emphasis on melody and counterpoint. This focus explains the "why" of musical construction more clearly than the traditional approach of beginning with chords. By starting with a single melodic line and gradually adding voices in counterpoint, the book drills part-writing while simultaneously explaining functionality, first with scale degrees and then with harmony. The text has students learn musical techniques and progressively build on their functions and importance to create their own compositions. With short, digestible chapters, Music Theory and Composition clearly presents otherwise complicated ideas not as strict rules, but as artistic ideals, encouraging the interactive creation of new compositions as a tool for learning.
