Ugandan Mary Tendo worked for many years in the white middle-class Henman household in London, cleaning for Vanessa and looking after her only child, Justin. More than ten years after Mary has left, Justin - now twenty-two - is too depressed to get out of bed. To his mother's surprise, he asks for Mary. When Mary responds to Vanessa's cry for help and returns from Uganda to look after Justin, the balance of power in the house shifts dramatically. Both women's lives change irrevocably as tensions build towards a climax on a snowbound motorway. Beautifully observed, intelligent and moving ... a carefully wrapped surprise that gets better and better with the unravelling.' The Scotsman A moving, funny, engrossing book.' The Observer Gee satirises the liberal conscience of the chattering classes with uncomfortable perception in this hugely enjoyable novel ... her portrayal of Britain's new underclass of immigrant workers is presented with her trademark stinging clarity.' Metro Maggie Gee is a superb and pitiless analyser of middleclass angst. Elegant, humorous and surprising, this is a classy performance.' The Times It's amazing how many details, characters, stories within stories, Maggie Gee's unquenchable exuberance crams into this comparatively short book.' The Spectator An intelligent and satisfying read.' The Sunday Times A masterful study in Africa/UK relations which manages to be supremely uncomfortable without being cynical, and clever without being calculating.' Big Issue The Flood was chillingly predictive. My Cleaner is a calmer, happier novel. Yet a gnawing tragedy lies in the shadows, all the more poignant for the deftness with which it's brushed aside.' The Independent *A Guide to Standards, Workflows, and Meaningful Use* Vintage 'If you're in a bookshop browsing, then *A Bookshop In Algiers* is for you, by definition. A beautiful little novel about books, history, ambition and the importance of literature to everyone, especially people who are trying to find a voice.' Nick Hornby In 1936, a young dreamer named Edmond Charlot opened a modest bookshop in Algiers. Once the heart of Algerian cultural life, where

Camus launched his first book and the Free French printed propaganda during the war, Charlot's beloved bookshop has been closed for decades, living on as a government lending library. Now it is to be shuttered forever. But as a young man named Ryad empties it of its books, he begins to understand that a bookshop can be much more than just a shop that sells books. *A Bookshop in Algiers* charts the changing fortunes of Charlot's bookshop through the political drama of Algeria's turbulent twentieth century of war, revolution and independence. It is a moving celebration of books, bookshops and of those who dare to dream.

The Secret Diary of Adrian Mole Aged 13 3/4 Vintage

A vivid, thrilling, and impeccably researched account of America's bloodiest battle ever—World War I's Meuse-Argonne Offensive—and the shocking American cover-up at its heart. The year is 1918. German engineers have fortified Montfaucon, an elevated fortress in northern France, with bunkers, tunnels, and a top-secret observatory capable of directing artillery shells across the battlefield. Following a number of unsuccessful attacks, the French have deemed Montfaucon impregnable. Capturing it is the key to success for General John J. Pershing's 1.2 million troops and his plan to end the war. But a betrayal of Americans by Americans results in a bloody debacle. In his masterful *Betrayal at Little Gibraltar*, William Walker tells the full story for the first time. After a delay in the assault on Montfaucon, thousands of Americans lost their lives while the Germans defended their position without mercy. Years of archival research show the actual cause of the delay was a senior American officer, Major General Robert E. Lee Bullard, who disobeyed orders to assist in the direct assault on Montfaucon. The result was the unnecessary slaughter of American doughboys during the assault. Although several officers learned of the circumstances, Pershing protected Bullard—an old friend and fellow West Point graduate—by covering up the story. The true and full account of the battle that cost 122,000 American casualties was almost lost to time. A "military history for all libraries" (*Library Journal*), *Betrayal at Little Gibraltar* tells of the soldiers who fought to capture the giant fortress and push the American advance. Using unpublished first-person accounts—and featuring photographs, documents, and

maps—Walker describes the horrors of combat, the sacrifices of the doughboys, and the determined efforts of two participants to solve the mystery of Montfaucon. This is compelling history, important to be told, an "as valuable account as Barbara Tuchman's *The Guns of August*" (*Virginian-Pilot*).

Of the Rosenbluth family, only the older children, Faiga and Luzer, had gone into hiding before the SS rounded up the Jews of Kanczuga, Poland. Hidden is Faiga and Luzer's story, a memoir whose intimate and quiet particularity makes the incomprehensible enormity of the Holocaust immediate, human, and devastatingly real. In alternating first-person narratives, Faiga (Fay) and Luzer (Leo) take readers into their very different but inextricably linked experiences in Nazi-occupied Poland. Faiga, the once-dignified young lady from a good home with servants and a seat by the eastern wall of the synagogue, spends two years wandering the perilous countryside, hoping to be taken for a peasant. Mere miles away, knowing nothing of his sister's fate, Luzer, the leather wholesaler's only son, lies silent all day in the stifling dark corner of a barn, where the smell of the cows' warm hides are a piquant reminder of his lost world. Hidden deftly summons that world, as the familiar comforts and squabbles of life in a well-to-do, religious Jewish family are slowly overwhelmed by the grim news coming out of Germany. We follow Faiga and Luzer through the early forebodings and deprivations of the war, into hiding among righteous Poles and erstwhile neighbors-turned-betrayers, and finally, at war's end, back once more into the world—but not necessarily into safety. Told in a confident, clear, and unsentimental prose, this is a story of heroism and tragedy writ large and small, of two young people coming of age in a world in chaos and then trying to return to "normal" after experiences as unimaginable as they are unforgettable.

England in the middle of World War II, a war that seems fated to go on forever, a war that has become a way of life. Heroic resistance is old hat. Everything is in short supply, and tempers are even shorter. Overwhelmed by the terrors and rigors of the Blitz, middle-aged Miss Roach has retreated to the relative safety and stupefying boredom of the suburban town of Thames

Lockdon, where she rents a room in a boarding house run by Mrs. Payne. There the savvy, sensible, decent, but all-too-meek Miss Roach endures the dinner-table interrogations of Mr. Thwaites and seeks to relieve her solitude by going out drinking and necking with a wayward American lieutenant. Life is almost bearable until Vicki Kugelmann, a seeming friend, moves into the adjacent room. That's when Miss Roach's troubles really begin. Recounting an epic battle of wills in the claustrophobic confines of the boarding house, Patrick Hamilton's *The Slaves of Solitude*, with a delightfully improbable heroine, is one of the finest and funniest books ever written about the trials of a lonely heart.

Prague 1938 is a coming-of-age novel, or a novel of lost illusions, set in a Czechoslovakia threatened with incorporation into the Third Reich. Centred on the 15 year old Guido Hayek, it traces his infatuation with Leah Meisel, an orphaned Jewish girl several years older than him who, he discovers, is part of a street-gang of con-artists and petty thieves. His initiation into their world occurs when Leah challenges him to steal a ring from a jewellers. Soon he is enmeshed. Guido is aware that Leah's grandfather Ezra Meisel, an antiques dealer, has plans to emigrate to Odessa with her, particularly as the Sudeten Crisis comes to a head. Guido's own crisis comes to a head when he discovers that his father Emil, an art-dealer whom he adores, is bent on cheating old Meisel, and he must choose between aiding the Meisels or helping his own half-sister, the 'degenerate' artist Katya, who also has the 'taint' of Jewish blood, emigrate to the New World. The streets of Prague take centre stage in this smorgasbord of a novel: coming-of-age, familial upheaval, political unrest, artistic intrigue, rag order existence, the folly of youthful infatuation, the warp and woof of flight to a new world; and all of it played out under the looming shadow of war, of a world approaching the precipice. This is elegant, vibrant and read-on storytelling at its very best. - Alan McMonagle [Dara Kavanagh] has written a vivid coming-of-age morality tale set in pre-WWII Prague that holds a magic mirror up to our own strange and disrupted times - Paul Lynch

A powerful novel, by one of Ireland's preeminent writers, of two damaged people and their fateful, restorative friendship For Laurence, trauma came in the form of a random act of violence that claimed his wife and daughter a decade ago. For Clara, it was something she has kept hidden, confined to her own memory and unknown to those closest to her. By chance, they meet atop a cliff overlooking Dublin Bay, where Laurence finds Clara standing uncomfortably close to the edge. Days later they encounter each other again, this time at a pub, and begin a tentative friendship rooted in their kindred heartbreak. Interconnected tales set in a black Kansas City community.

"Strong, melodic, and honest . . . We need stories like these to replenish us." —Terry McMillan In *Rattlebone*, a "fictional" black community north of Kansas City, the smell of manure and bacon from Armour's Packing House is everywhere; Shady Maurice's roadhouse plays the latest jazz; the best eggs are sold by the Red Quanders; and gospel rules at the Strangers Rest Baptist Church. This is the black Midwest of the 1950s, when towns could count their white folks on one hand—the years before the Civil Rights movement came along and changed everything. In perfectly cadenced vernacular, Maxine Clair speaks to us through the

voices of Rattlebone's citizens: October Brown, the new schoolteacher with a camel's walk and shoulder-padded, to-the-nines dresses; Irene Wilson, naive and wise, who must grapple with her parent's failing marriage as she steps eagerly into adulthood; and Thomas Pemberton, owner of the local rooming house, an old man with a young heart. Sparkling with lyricism, Clair's interconnected stories celebrate the natural beauty of the Midwest and the dignity and vitality of these most ordinary lives. Rattlebone, winner of the Heartland Prize for fiction, is a tremendous work by a supremely talented writer. "Extraordinary . . . Each skillful plot twist, each new wonderful character has the effect of a sip of literary love potion." —The New York Times Book Review "Told in a style that is memorable for its ability to shift tones and to capture, in rich and controlled language, new levels of consciousness." —The Washington Post

FROM THE AUTHOR OF THE BOOKER PRIZE FINALIST ELMET

"Stunningly clever . . . A deliciously spicy stew indeed."

—Entertainment Weekly "A story about money and power, love and art, sex work and gentrification . . . Enjoyable and impressive

on every page." —USA Today In the middle of the bustle of London's Soho, among the theaters and sex shops and pubs, there sits a building. It isn't particularly assuming, but its location is prime, and Agatha Howard, a millionaire with a fortune of mysterious provenance, has decided it's the perfect spot to put up luxury condos. First, though, she has to kick out all the tenants. And Precious and Tabitha, two of the women who live and work in a brothel housed in the building, are determined not to go quietly. A colorful assortment of other characters also find themselves caught up in the fate of this property: Robert, a one-time member of a far-right group and enforcer for Agatha's father; Bastian, a rich and dissatisfied party boy who pines for an ex-girlfriend; Jackie, a policewoman intent on making London a safer place for all women; and Cheryl, one of the many homeless people who occupy the basement. As their lives converge, surprising hidden connections are revealed, shadowy pasts are uncovered, and the fight over the property boils over into a hot stew. Entertaining, sharply funny, and dazzlingly accomplished, Hot Stew confronts questions about wealth and inheritance, gender and power, and the things women must do to survive in an unjust world.

A Novel Reunion

Instead of the book he's meant to write, Rudolph, a Viennese musicologist, produces this dark and grotesquely funny account of small woes writ large, of profound horrors detailed and rehearsed to the point of distraction. We learn of Rudolph's sister, whose help he invites, then reviles as malevolent meddling; his 'really marvelous' house, which he hates; the suspicious illness he carefully nurses; his ten-year-long attempt to write the perfect opening sentence; and, finally, his escape to the island of Majorca, which turns out to be the site of someone else's very real horror story. A brilliant and haunting tale of procrastination, failure, and despair, Concrete is a perfect example of why Thomas Bernhard is remembered as "one of the masters of contemporary European fiction" (George Steiner).

Dancing at the Rascal Fair Open Road Media

More than a decade after the New York Times bestselling anthology *The Bitch in the House* spoke up loud and clear for a generation of young woman, nine of the original contributors are back—along with sixteen captivating new voices—sharing their ruminations from an older, stronger, and wiser perspective about

love, sex, work, family, independence, body-image, health, and aging: the critical flash points of women's lives today. "Born out of anger," the essays in *The Bitch in the House* chronicled the face of womanhood at the beginning of a new millennium. Now those funny, smart, passionate contributors—today less bitter and resentful, and more confident, competent, and content—capture the spirit of postfeminism in this equally provocative, illuminating, and compelling companion anthology. Having aged into their forties, fifties, and sixties, these "bitches"—bestselling authors, renowned journalists, and critically acclaimed novelists—are back . . . and better than ever. In *The Bitch Is Back*, Cathi Hanauer, Kate Christensen, Sarah Crichton, Debora Spar, Ann Hood, Veronica Chambers, and nineteen other women offer unique views on womanhood and feminism today. Some of the "original bitches" (OBs) revisit their earlier essays to reflect on their previous selves. All reveal how their lives have changed in the intervening years—whether they stayed coupled, left marriages, or had affairs; developed cancer or other physical challenges; coped with partners who strayed, died, or remained faithful; became full-time wage earners or homemakers; opened up their marriages; remained childless or became parents; or experienced other meaningful life transitions. As a "new wave" of feminists begins to take center stage, this powerful, timely collection sheds a much-needed light on both past and present, offering understanding, compassion, and wisdom for modern women's lives, all the while pointing toward the exciting possibilities of tomorrow.
