Gain a strong foundation in financial accounting that prepares you for future study and success in today's business world with Warren/Jonick/Schneider's leading FINANCIAL ACCOUNTING, 16E. This edition connects financial accounting concepts to the "bigger picture" as chapter-opening schemas clearly demonstrate how each chapter's content fits within the overall framework of the book. The digital CengageNOWv2's Journal Entry Tool reinforces this approach by automatically illustrating the impact of transactions on the accounting equation. This book's hallmark presentation of the accounting cycle provides an unmatched foundation for later chapters and even upcoming coursework and your career. The authors have carefully streamlined content and improved learning features throughout this edition and CengageNOWv2's digital resources to ensure you have the understanding of today's financial accounting and specific tools to succeed.

Financial Accounting Cengage Learning

Learn how today's managers, investors and other business stakeholders effectively use accounting information and reports to guide business success with Warren/Jones/Farmer's USING FINANCIAL ACCOUNTING. Designed as a one-term introduction for those with no previous accounting experience, this edition overviews basic financial accounting concepts without extraneous details. This book's spreadsheet approach focuses on the use of accounting information in business without the distraction of debits and credits. An integrated financial statement framework highlights how transactions impact each of the three primary financial statements: balance sheets, income statements and cash flow statements. Unique metrics analyses highlight transaction, financial statement and managerial decision-making information. In addition, special features and cases demonstrate the use of data analysis in financial accounting today. Optional CengageNOWv2 digital resources further support your financial accounting learning experience.
