### **Environmental Impact Statement**

Prentice Hall

With 2011 celebrating the Premier League's 20th anniversary, it's time to take stock of a phenomenon that has changed English football - and English society - forever. Ian Ridley took a long hard look at the game back in the 1980s against a backdrop of recession, strikes

and football hooliganism. In this new book he examines just how far the game has come, sucking in players and money from around the globe and providing fame, fortune and hours of pleasure in return. It includes: - Interviews with major players such as the chairman of the FA, top-flight managers, and the broker who sold Chelsea to Abramovich. - A behind-the-scenes look at clubs such as Fulham and Manchester United, as well as roles within football like refereeing. - An exploration of the finances of the game, its changing

profile and the growing gap between the Premier League and the rest of the game. As he examines the changes that have occurred over the last twenty years, Ridley seeks to discover if the soul of the game still exists. With his eye for detail, his knack for voices and his incisive intelligence, he has woven together a rich and fascinating story of football's metamorphosis from social outcast to favourite child.

A Time Best YA Book of All Time (2021)  
Two teens must learn the "art of killing" in this Printz Honor-winning book, the first in a chilling new series from Neal Shusterman, author of the New York Times bestselling *Unwind* dystology. A world with no hunger, no disease, no war, no misery: humanity has conquered all those things, and has even conquered death. Now Scythes are the only ones who can end life—and they are commanded to do so, in order to keep the size of the population under control. Citra and Rowan are chosen to apprentice to a scythe—a role that neither wants. These teens must master

the "art" of taking life, knowing that the consequence of failure could mean losing their own. *Scythe* is the first novel of a thrilling new series by National Book Award-winning author Neal Shusterman in which Citra and Rowan learn that a perfect world comes only with a heavy price.
