McIntyre for contempt, verified by affidavit, it is ordered that citation issue to Gus Pearson, one of the defendants herein, to appear before the Hon. O. A. Lucas, Judge of Division No. 2 of this court, on the 15th day of April, 1911, at 9:30 o'clock a. m., and show cause, if any he has, why he should not be punished for a contempt in disobeying the order of this court, in failing to deliver to said J. J. McIntyre a warrant for his salary as a clerk in the office of the Assessor and Collector of Water Rates of Kansas City, Missouri, for the last half of the month of March, 1911.' That on said 15th day of April, 1911, said Pearson also appeared before said court, and upon the statement of his said counsel that the failure to turn over said warrant was due to the advice of A. F. Smith, and

upon the agreement of parties and promise of said Pearson to turn over said warrant to said McIntyre, this court purged said Pearson of contempt, on payment of costs of citation; and thereafter, to-wit, on the 18th day of April, 1911, the said Smith requested the court to make the record entry as set out in the petition filed herein, but that the court on its own motion struck out the words 'and that he should be paid his wages from March 15, 1911, to April 1, 1911, said order of the Board of Civil Service Commissioners, notwithstanding, ' so that the record entry reads and is as follows: 'Now on this day this cause coming on for hearing upon the order upon Gus Pearson to show cause why he should not be punished for contempt, it is shown to the court that a warrant of

Kansas City for the compensation of J. J. McIntyre, one of the plaintiffs ...

The Model Rules of Professional Conduct provides an up-to-date resource for information on legal ethics. Federal, state and local courts in all jurisdictions look to the Rules for guidance in solving lawyer malpractice cases, disciplinary actions, disqualification issues, sanctions questions and much more. In this volume, black-letter Rules of

Professional Conduct are followed by numbered Comments that explain each Rule's purpose and provide suggestions for its practical application. The Rules will help you identify proper conduct in a variety of given situations, review those instances where discretionary action is possible, and define the nature of the relationship between you and your clients, colleagues and the courts.

The Current Index General Books First series, books 1-43, includes "Notes on U.S. reports" by Walter Malins Rose.

Congressional Record Oxford University Press, USA

Know your rights with this informative guide that explains the legal process in plain language, from being arrested to standing trial. Learn about Miranda rights, court procedures, pleading the

Fifth Amendment and more in this easy-to-understand manual that illuminates what to expect when moving through the system of cops and courts.

With Practical Forms, and the Pleadings and Evidence to Support Them; Part I (Classic Reprint) Gulf Coast Legal Publishing, LLC

The essays discuss the restrictions imposed by contempt of court and other laws on media freedom to attend and report legal proceedings. Part I contains leading articles on the open justice principle. They examine the extent to which departures from that principle should be allowed to protect the rights of parties, in particular the accused in criminal proceedings, to a fair trial, and their interest in being rehabilitated in society after proceedings have been

concluded. The essays in Part II examine the topical issue of whether open justice entails a right to film and broadcast legal proceedings. The articles in Part III are concerned with the application of contempt of court to prejudicial media publicity; they discuss whether it is possible to prevent prejudice without sacrificing media freedom. Another aspect of media freedom and contempt of court is canvassed in Part IV: whether journalists should enjoy a privilege not to reveal their sources of information.

Digest of the decisions of the courts of last resort of the several states from 1887 to [1911] contained in the American state reports Anchor

A look at a 1906 Supreme Court decision that transformed justice in America examines the case of Ed Johnson, an

African American man accused of raping a white woman, his lynching, and the response of the Supreme Court.

Proceedings and Debates of the ... Congress DIANE Publishing

The essential work for employment practice is back with a brand new edition. Blackstone's Employment Law Practice 2011 is the indispensable resource for employment practitioners, providing all you need to advise clients confidently and to appear in tribunal. It draws together key legislation, procedural rules, Codes of Practice, and Practice Directions, as well as in-depth analysis of law and procedure in one convenient portable volume. Providing comprehensive coverage of practice and procedure in the employment tribunal, Employment Appeal Tribunal and Central

Arbitration Committee, Blackstone's Employment Law Practice 2011 includes specialist coverage of issues that frequently arise at tribunal, such as calculation of costs, application of TUPE, and guidance on drafting of compromise agreements. Alongside the latest developments in law and procedure and guidance on the key areas of substantive law, the new edition also includes entirely rewritten chapters on equal pay and discrimination, including extensive coverage of the changes brought about by the Equality Act 2010. Other features include: - All the material you need when preparing for and during a case in tribunal or court in one convenient portable volume - Complete coverage of practice and procedure in the employment tribunal, Employment

Appeal Tribunal, and Central Arbitration Committee, as well as in employment issues in the High Court and Court of Appeal - Eminent author team bring together consummate experience of every aspect of employment law and practice, ensuring unrivalled quality and clear, practical insight - Includes specialist coverage of issues that frequently arise at tribunal, such as calculation of costs, taxation, application of TUPE, and guidance on drafting of compromise agreements - Clear page design and wider range of flow charts and procedural checklists enable quick access to essential information - Updated annually, the 2010 edition has been extensively revised to contain full coverage of all recent developments - Wide range of flowcharts and procedural

checklists provide immediate clarification of complex procedural issues - Quick reference guides to the book organized by procedure and by substantive law - Precedent agreements supporting cases from the tribunal to the civil courts - Information on practice and procedure in Scotland by Brian Napier QC - Appendices provide current and historical financial data

Digest of Decisions of the United States Courts

Twenty years after the Starr Report and the Clinton impeachment, former special prosecutor Ken Starr finally shares his definitive account of one of the most

divisive periods in American history. You could fill a library with books about the scandals of the Clinton administration, which eventually led to President Clinton's impeachment by the House of Representatives. Bill and Hillary Clinton have told their version of events, as have various journalists and participants. Whenever liberals recall those years, they usually depict independent counsel Ken Starr as an out-of-control, politically driven prosecutor. But as a New York Times columnist asked in 2017, "What if Ken Starr was right?" What if the popular media in the 1990s completely misunderstood Starr's motives, his tactics, and his ultimate goal: to ensure that no one, especially not the president of the United States, is above the law? Starr -- the man at the eye of the

hurricane -- has kept his unique perspective to himself for two full decades. In this long-awaited memoir, he finally sheds light on everything he couldn't tell us during the Clinton years, even in his carefully detailed "Starr Report" of September 1998. Contempt puts you, the reader, into the shoes of Starr and his team as they tackle the many scandals of that era, from Whitewater to Vince Foster's death to Travelgate to Monica Lewinsky. Starr explains in vivid detail how all those scandals shared a common thread: the Clintons' contempt for our system of justice. This book proves that Bill and Hillary Clinton weren't victims of a so-called "vast right-wing conspiracy." They played fast and loose with the law and abused their powers and privileges.

Today, from the #MeToo aftermath and Russiagate to President Trump's impeachment trial, the office of the American presidency is in crisis—and Starr's insights are more relevant now than ever.
