MAYO ASHTYN

Basic Theology Wipf and Stock Publishers
 Leading evangelical scholar Millard Erickson offers a new edition of his bestselling doctrine text (over 100,000 copies sold), now thoroughly revised throughout. This book is an abridged, less technical version of Erickson's classic Christian Theology. Pastors and students alike will find this survey of Christian theology and doctrine to be biblical, contemporary, moderate, and fair to various positions. It is a practical and accessible resource that applies doctrine to Christian life and ministry. This book is supplemented with helpful web materials for students and professors through Baker Academic's Textbook eSources. [Biblical, Historical, and Evangelical](#) Baker Academic

[The Concise Dictionary of Christian Theology \(Revised Edition\)](#) Zondervan Academic

Theologians often discuss method in a remote and preliminary way that suggests they are not yet speaking theologically when speaking methodologically. But it is also possible to reflect on the work of Christian dogmatics in a way that is self-consciously nourished by biblical reasoning, resourced by tradition, joined up with ecclesial practice, and alert to spiritual dynamics. Bringing together theologians who are actively engaged in the writing and editing of extended dogmatics projects, *The Task of Dogmatics* represents the proceedings of the 2017 Los Angeles Theology Conference and seeks to provide constructive accounts of the nature of the dogmatic task.

A Basic Introduction Christian Theology

Mark Noll has written a major indictment of American evangelicalism. Reading this book, one wonders if the evangelical movement has pandered so much to American culture and tried to be so popular only to lose not only its mind but its soul as well. For evangelical pastors and parishioners alike, this is a must read! --Robert Wuthnow.

Systematic Theology, Volume 1, Fourth Edition Wipf and Stock Publishers

When handling the things of God, our method matters. Everyone who thinks about God has a method for approaching the subject, whether they recognize it or not. A theological method addresses foundational questions such as: What is theology? How should we approach Scripture? What is the role of tradition, philosophy, and experience? How do we use theology in ministering to others? These questions are vital for anyone studying God and his Word—how one defines theology, sees its task, and uses its sources will shape one's doctrine, for better or worse. In *The Method of Christian Theology*, Rhyné Putman guides readers through the essential "first words" of systematic theology. Written for entry-level theology students, this book provides clear guidance for using theological sources, reasoning through difficult questions, and applying theological reflection in paper writing and preaching. By studying the foundations of theology, readers will be better equipped to serve God's people in whatever ministry they are called to.

[Leading Christians to Understand Their Historical and Cultural Context](#) Zondervan

'Examining Billy Graham's Theology of Evangelism' was written to advance an unbiased understanding of Billy Graham's theology and practice. Theological examination of Graham's sermons revealed four distinct eras in his theology and practice: -The Early-Early Graham (pre-1949) -The Early Graham (1949-1955) -The Middle Graham (1955-1965) -The Later Graham (1965-present) In each of these eras Graham portrayed a discernible and distinct approach to defining evangelism, theological nomenclature, and cooperative strategy. No literature on Billy Graham discusses, in combination, this evolution in Graham's theology and practice. You are invited to take a fresh look at the teaching and practice of this man who has touched millions of lives through the proclamation of the Gospel of Jesus Christ.

Theology is for everyone. Everyone is a theologian of sorts. Theology simply means thinking about God and expressing those thoughts in some way. But sloppy theology is a problem. As Christians, our thoughts about God need to coincide with what He has said about Himself in the Bible. With his clear understanding of the Scriptures and unpretentious writing style, Charles Ryrie has written *Basic Theology* for every student of God's Word, from the devotional student to the seminary student. Ryrie's name has become synonymous with dispensational theology and his texts on the subject invaluable to the Bible scholar. Now Ryrie's *Basic Theology* is available to you from Moody Press, the company that brings you the Ryrie Study Bible. Featuring charts, definitions, and Scripture and subject indices, *Basic Theology* will give you a clear and comprehensive picture of Ryrie's approach to systematic theology. Its 94 chapters are arranged in outline style for easy reference. Considerable emphasis is given to explaining the dispensational view of the end times.

Leading evangelical scholar Millard Erickson offers a new edition of his bestselling textbook, now substantially updated and revised throughout. This edition takes into account feedback from professors and students and reflects current theological conversations, with added material on the atonement, justification, and divine foreknowledge. Erickson's comprehensive introduction is biblical, contemporary, moderate, and fair to various positions, and it applies doctrine to Christian life and ministry.

The Method of Christian Theology Baker Books

The trinity is the least understood and most important concept in the church. Yet many would just as soon jettison it in the interest

of ecumenical unity. *God in Three Persons* defends the significance of a trinitarian definition and explains it in understandable terms.

Biblical, Historical, and Evangelical Routledge

A biblical, clear, cogent, accessible, comprehensive, and practical summary of Christian belief by one of the most important and original American theologians of the last hundred years.

Responding with Love and Truth to Questions about Homosexuality B&H Publishing Group

Leading evangelical scholar Millard Erickson offers a new edition of his bestselling textbook, now substantially updated and revised throughout. This edition takes into account feedback from professors and students and reflects current theological conversations, with added material on the atonement, justification, and divine foreknowledge. Erickson's comprehensive introduction is biblical, contemporary, moderate, and fair to various positions, and it applies doctrine to Christian life and ministry.

[God in Three Persons](#) Wipf and Stock Publishers

A respected author offers this detailed, well-documented exploration of the person of Christ that is accessible for laypersons and stimulating for academics. Top-notch reading.

[Rethinking What We Were Taught about Men and Women in the Church](#) B&H Publishing Group

Most historical theology texts follow Christian beliefs chronologically, discussing notable doctrinal developments for all areas of theology according to their historical appearance. And while this may be good history, it can make for confusing theology, with the classic theological loci scattered throughout various time periods, movements, and controversies. In *Historical Theology*, Gregg Allison offers students the opportunity to study the historical development of theology according to a topical-chronological arrangement, setting out the history of Christian doctrine one theological element at a time. Such an approach allows readers to concentrate on one tenet of Christianity and its formulation in the early church, through the Middle Ages, Reformation, and post-Reformation era, and into the modern period. The text includes a generous mix of primary source material as well, citing the words of Cyprian, Augustine, Aquinas, Luther, Calvin, Barth, and others. Allison references the most accessible editions of these notable theologians' work so that readers can continue their study of historical theology through Christian history's most important contributors. *Historical Theology* is a superb resource for those familiar with Wayne Grudem's *Systematic Theology* or interested in understanding the development of Christian theology.

[An Introduction](#) Charisma Media

SEARCHING FOR ABSOLUTES IN A POSTMODERN WORLD. In this postmodern age, truth--especially religious or moral truth--is widely criticized and constantly challenged, yet perhaps more important than ever. It was this realization that led James Emery White to examine the concepts of truth as held by five twentieth-century theologians: ¥ Cornelius Van Til ¥ Millard J. Erickson ¥ Francis A. Schaeffer ¥ Donald G. Bloesch ¥ Carl F. H. Henry *Anyone Can Be Saved* Moody Publishers

Follow your heart. You do you. You are enough. We take these slogans for granted, but what if this path to personal happiness leads to a dead-end? In *Rethink Your Self*, Trevin Wax encourages you to rethink some of our society's most common assumptions about identity and the road to happiness. Most people define their identity and purpose by first looking in (to their desires), then looking around (to express their uniqueness), and finally—maybe—looking up (to add a spiritual dimension to life). *Rethink Your Self* proposes a counter-intuitive approach: looking up before looking in. It's only when we look up to learn who we

were created to be that we discover our true purpose and become our truest selves.

Postmodernizing the Faith Baker Academic

Simon Chan surveys the little-explored landscape where systematic theology and godly praxis meet, and he highlights the connections between Christian doctrine and Christian living.

Perspectives on Hermeneutical Issues Wm. B. Eerdmans Publishing

The dean of evangelical theologians explores six evangelical responses--both positive and negative--to postmodernism.

The Current Controversy over Divine Foreknowledge Zondervan

A leading evangelical theologian provides a comprehensive examination of the various evangelical views of the millennium (and other eschatological subjects).

Understanding Who God Is and What He Does for Us Baker Academic

Does God know the future? Or is the future unknowable to even God? Open theists believe the search for biblical answers will spark a new Revolution. Are they right? Arguing that God interacts with his creatures spontaneously, the controversial new movement known as "open theism" has called classic church theology up for reexamination. Confronting this view, classic theists maintain that God has complete foreknowledge and that open-theist arguments are unorthodox. Each view has implications for our vision of the future and of God's dealings with humanity.

Systematic Theology Zondervan Academic

Offers practical guidance for Christians who have gay friends, family members, or who struggle with their own sexuality.
