- Issuu Without track,  
there would be no trains.  
Our teams work night and  
day maintaining and  
renewing our 20,000  
miles of track to keep the  
country moving. From  
quiet railway lines  
through countryside to  
complex junctions in the  
busiest, most congested  
areas, track is  
fundamental to travel by  
train. With passenger  
numbers growing all the  
time, our track is ...
