**The Sutta-Nipata**  
Buddhist Publication  
Society

The Jataka as we possess tells about the life of Buddha during some incarnation in one of his previous existences as a Bodhisatta (one being destined to enlightenment). Each

separate story is embedded in a framework, which forms the story of the present. The present selection brings together the Jataka stories of the most widespread interest. Maitreya, the Future Buddha Oxford Paperbacks

It can be a surprise to find that Buddhism gives great importance to the Sangha, the spiritual community. Some may feel that their guru or teacher is all that they need. To others, the idea of sharing their inner and outer lives with others can seem a challenge or even a threat. But the spiritual community is not about unthinking conformity or belonging to a comfortable group. Rather, it is the free

association of developing individuals choosing to help each other along the path. *The Bone Sparrow* Equinox Publishing (Indonesia)

Dennis Kelly's play DNA centres on friendship, morality and responsibility in odd circumstances. When a group of young friends are faced with a terrible accident, they deliberately make the wrong choices to cover it up and find themselves in an unusually binding friendship where no one will own up to what they've done. The play began life as a National Theatre Connections commission in 2008 and has subsequently been produced, studied and toured around the world. DNA is published for the

first time in the Methuen Drama Student Edition series with commentary and notes by Clare Finburgh Delijani, which look at the play's context, themes, dramatic form, staging possibilities and production history, plus offers suggestions for further reading.

*Tibetan Book of the Dead* Badger

Publishing

On Buddhist art and antiquity.

**Ordination of a Tree,**

The Hachette UK

This indispensable volume is a lucid and faithful account of the Buddha's teachings.

"For years," says the Journal of the Buddhist Society, "the newcomer to Buddhism has lacked a simple and reliable introduction to the complexities of the

subject. Dr. Rahula's *What the Buddha Taught* fills the need as only could be done by one having a firm grasp of the vast material to be sifted. It is a model of what a book should be that is addressed first of all to 'the educated and intelligent reader.'

Authoritative and clear, logical and sober, this study is as comprehensive as it is masterly." This edition contains a selection of illustrative texts from the Suttas and the Dhammapada (specially translated by the author), sixteen illustrations, and a bibliography, glossary, and index.

**Buddhist Beliefs and Issues** Jazzybee Verlag

This Very Short Introduction introduces the reader to the teachings of the

Buddha and to the integration of Buddhism into daily life. What are the distinctive features of Buddhism? Who was the Buddha, and what are his teachings? How has Buddhist thought developed over the centuries, and how can contemporary dilemmas be faced from a Buddhist perspective? Words such as 'karma' and 'nirvana' have entered our vocabulary, but what do they mean? Damien Keown's book provides a lively, informative response to these frequently asked questions about Buddhism.

#### Chinese Cinderella

Harmony

This 1988 book is a multidisciplinary and cross-cultural study of the legend that has evolved around the

figure of Maitreya.

#### Experiential Judgement in His Life and

Teaching SUNY Press

This is the extended and annotated edition including \* an extensive annotation of more than 10.000 words about the history and basics of Buddhism, written by Thomas William Rhys Davids \* an interactive table-of-contents \* perfect formatting for electronic reading devices The Sutta Nipata is a Buddhist scripture, a sutta collection in the Khuddaka Nikaya, part of the Pali Canon of Theravada Buddhism. All its suttas consist largely of verse, though some also contain some prose. It is divided into five sections: Uruga Vagga Cula Vagga Maha Vagga Atthaka Vagga

Parayana Vagga Some scholars consider this the oldest of all Buddhist scriptures. Others agree that it contains much very early material.

*Transforming Suffering Into Peace, Joy & Liberation : the Four Noble Truths, the Noble Eightfold Path, and Other Basic Buddhist Teachings*

Oxford University Press

The renowned spiritual leader outlines an accessible approach to the pursuit of enlightenment that draws on traditional Buddhist meditative practices, in a step-by-step guide that includes coverage of such topics as embracing a positive attitude and overcoming suffering.

150,000 first printing.

**Six principles to support great**

**teaching and learning**

North Atlantic Books

Old Path White Clouds presents the life and teachings of Gautama Buddha. Drawn directly from 24 Pali, Sanskrit, and Chinese sources, and retold by Thich Nhat Hanh in his inimitably beautiful style, this book traces the Buddha's life slowly and gently over the course of 80 years, partly through the eyes of Svasti, the buffalo boy, and partly through the eyes of the Buddha himself. Old Path White Clouds is destined to become a classic of religious literature. "I have not avoided including the various difficulties the Buddha encountered, both from his own disciples and in relation to the wider society. If the Buddha appears in this

book as a man close to us, it is partly due to recounting such difficulties." - from the author's Afterword.

**The Middle Length Discourses of the Buddha** Hodder

Education

Exam Board: WJEC

Level: GCSE Subject:

Eduqas GCSE (9-1) Religious Studies Route A  
Courier Dover Publications

The works of the Buddha can feel vast, and it is sometimes difficult for even longtime students to know where to look,

especially since the Buddha never explicitly defined the framework behind his teachings. Designed to provide just such a framework, *In the Buddha's Words* is an anthology of the Buddha's works that has been specifically compiled by a celebrated scholar and translator. For easy reference, the book is arrayed in ten thematic sections ranging from "The Human Condition" to "Mastering the Mind" to "The Planes of Realization." Each section comes with introductions, notes, and essays to help beginners and experts alike draw greater meaning from the Buddha's words. The book also features a general introduction by the author that fully lays out how and why he has arranged the

Buddha's teachings in this volume. This thoughtful compilation is a valuable resource for both teachers and those who want to read the Buddha on their own.

Blossoms of the Dharma John Wiley & Sons

Derived from a Buddhist funerary text, this famous volume's timeless wisdom includes instructions for attaining enlightenment, preparing for the process of dying, and moving through the various stages of rebirth.

What the Buddha Taught Windhorse Publications

More than 800,000 copies in print! From the author of critically acclaimed and bestselling memoir *Falling Leaves*, this is a

poignant and moving true account of her childhood, growing up as an unloved daughter in 1940s China. A Chinese proverb says, "Falling leaves return to their roots." In her own courageous voice, Adeline Yen Mah returns to her roots to tell the story of her painful childhood and her ultimate triumph in the face of despair. Adeline's affluent, powerful family considers her bad luck after her mother dies giving birth to her, and life does not get any easier when her father remarries. Adeline and her siblings are subjected to the disdain of her stepmother, while her stepbrother and stepsister are spoiled with gifts and

attention. Although Adeline wins prizes at school, they are not enough to compensate for what she really yearns for -- the love and understanding of her family. Like the classic Cinderella story, this powerful memoir is a moving story of resilience and hope. Includes an Author's Note, a 6-page photo insert, a historical note, and the Chinese text of the original Chinese Cinderella. A PW BEST BOOK OF THE YEAR AN ALA-YALSA BEST BOOK FOR YOUNG ADULTS "One of the most inspiring books I have ever read." -The Guardian  
**Making Every Lesson Count** Penguin UK  
A firsthand look at the Thai Buddhist environmental movement and its activist monks.
