In-depth preparation for  
the AP European History  
exam features: Two full-  
length model AP exams  
with all questions  
answered and explained A

15-chapter summary of European history for review, starting with Europe during the Italian Renaissance and progressing to Europe in the twenty-first century. Essay questions and multiple-choice questions with answers following each chapter. Extensive charts that summarize Europe's history. The manual can be purchased alone or with an optional CD-ROM that presents two additional full-length practice tests with automatic scoring and fully explained answers.

**BONUS!** An exclusive online exam included with the purchase of the book or the book with CD-ROM. *European History* Research & Education Assoc. What is understanding and how does it differ from knowledge? How can we determine the big ideas worth understanding? Why is understanding an important teaching goal, and how do we know when students have attained it? How can we create a rigorous and engaging curriculum that

focuses on understanding and leads to improved student performance in today's high-stakes, standards-based environment? Authors Grant Wiggins and Jay McTighe answer these and many other questions in this second edition of *Understanding by Design*. Drawing on feedback from thousands of educators around the world who have used the UbD framework since its introduction in 1998, the authors have greatly revised and expanded their original work to

guide educators across the K-16 spectrum in the design of curriculum, assessment, and instruction. With an improved UbD Template at its core, the book explains the rationale of backward design and explores in greater depth the meaning of such key ideas as essential questions and transfer tasks. Readers will learn why the familiar coverage- and activity-based approaches to curriculum design fall short, and how a focus on the six facets of

understanding can enrich student learning. With an expanded array of practical strategies, tools, and examples from all subject areas, the book demonstrates how the research-based principles of Understanding by Design apply to district frameworks as well as to individual units of curriculum. Combining provocative ideas, thoughtful analysis, and tested approaches, this new edition of *Understanding by Design* offers teacher-designers a clear path to the creation

of curriculum that ensures better learning and a more stimulating experience for students and teachers alike.

### **Barron's Profiles of American Colleges**

Research & Education Assoc.

This book includes two full-length simulated AP European History tests, as well as practice questions in the review chapters. Every answer is fully explained.

### AP World History

Houghton Mifflin Harcourt  
Cracking the AP European History Exam 2020,

Premium Edition, provides students with everything they need to conquer the exam. The book includes instructional content structured around the investigation of five course themes and 19 key concepts; content reviews divided by the test's four different chronological periods; drills and questions that reflect a greater emphasis on "historical thinking skills," represented by a larger proportion of essay, document-based, and short- and long-answer questions on the exam.

This Premium Edition includes 5 total full-length practice tests (4 tests in the book and 1 online), for the best value in the market.

**AP European History Flashcards, Second Edition: Up-to-Date Review** Princeton Review Become a Master of European History with REA's Flashcards! REA's flashcard book offers students a great way to study for the Advanced Placement European History exam. Unlike most

flashcards that come in a box, our flashcards are bound in an easy-to-use, organized book format. With no loose cards to lose or misplace, studying is a breeze! Packed with 500 question and answer flashcards covering all aspects of European History from the Renaissance up through the present day, these flashcards let students write their answer to a question on the front of the card, and then compare it to the answer on the back of the card. The flashcards are

chronologically ordered and indexed, allowing students to quickly find a particular era in European History and test their subject knowledge. This Premium Edition with CD includes four test-readiness quizzes, timelines of all chronological periods covered on the actual Advanced Placement exam, and a concise European History review.

**CliffsNotes AP European History Cram Plan** Petersons
