Confessions of a Media Manipulator W. W. Norton & Company

From the team that brought you *The Obstacle Is the Way* and *Ego Is the Enemy*, a beautiful daily devotional of Stoic meditations—an instant Wall Street Journal and USA Today Bestseller. Why have history's greatest minds—from George Washington to Frederick the Great to Ralph Waldo Emerson, along with today's top performers from Super Bowl-winning football coaches to CEOs and celebrities—embraced the wisdom of the ancient Stoics? Because they realize that the most valuable wisdom is timeless and that philosophy is for living a better life, not a classroom exercise. The Daily Stoic offers 366 days of Stoic insights and exercises, featuring all-new translations from the Emperor Marcus Aurelius, the playwright Seneca, or slave-turned-philosopher Epictetus, as well as lesser-known luminaries like Zeno, Cleanthes, and Musonius Rufus. Every day of the year you'll find one of their pithy, powerful quotations, as well as historical anecdotes, provocative commentary, and a helpful glossary of Greek terms. By following these teachings over the course of a year (and, indeed, for years to come) you'll find the serenity, self-knowledge, and resilience you need to live well.

Encheiridion Penguin

Winner of the COVR Award for Book of the Year (2007) From the #1 creativity publisher in the country comes our latest creativity bestseller—Creative Journal Writing—the ultimate book for those who are looking to use this powerful tool to heal, expand, and transform their lives. In this exceptionally

positive and encouraging book, Stephanie Dowrick frees the journal writer she believes is in virtually everyone, showing through stories and examples that a genuine sense of possibility can be revived on every page. Creative journal writing goes way beyond just recording events on paper. It can be the companion that supports but doesn't judge, a place of unparalleled discovery, and a creative playground where the everyday rules no longer count. Proven benefits of journal writing include reduced stress and anxiety, increased self-awareness, sharpened mental skills, genuine psychological insight, creative inspiration and motivation, strengthened ability to cope during difficult times, and overall physical and emotional well-being. Combining a rich choice of ideas with wonderful stories, quotes, and her refreshingly intimate thoughts gained through a lifetime of writing, Dowrick's insights and confidence make journal writing irresistible—and your own life more enchanting. Included in Creative Journal Writing are: · stories of how people have used journal writing to transform their lives; · inspirational instructions, guidelines, and quotes; · key principles, practical suggestions, and helpful hints; · 125 starter topics, designed to help even the most reluctant journal writer; · more than forty powerful exercises; · and much more!

The Art of Making and Marketing Work that Lasts Penguin

A new edition of the landmark, worldwide bestseller on the life of the famed medical clairvoyant and founding father of the New Age: Edgar Cayce. Edgar Cayce (1877-1945) is known to millions today as the grandfather of the New Age. A medical clairvoyant, psychic, and Christian mystic, Cayce provided medical, psychological, and spiritual advice to thousands of people who swore by the effectiveness of his trance-based readings. But Cayce was not always a household name. When a young, skeptical journalist named Thomas Sugrue first met Cayce in 1927 the world had not yet heard of the "sleeping prophet." During years of unique access, Sugrue completed his landmark biography, which on its publication in 1942 brought national

attention to Cayce and stands as the sole record written during the seer's lifetime. This edition includes a new introduction by historian Mitch Horowitz that highlights the enduring significance of Cayce's message and the role this book played in its dissemination.

Meditations Harper Collins

A deluxe special edition of the ancient classic written by the Roman Emperor known as "The Philosopher" Meditations is a series of personal journals written by Marcus Aurelius, Emperor of Rome from 169 to 180 AD. The last of the "Five Good Emperors," he was the most powerful and influential man in the Western world at the time. Marcus was one of the leaders of Stoicism, a philosophy of personal ethics which sought resilience and virtue through personal action and responsibility. Stoicism, viewed as a foundation of modern self-help, has inspired many personal development and psychotherapy approaches through to the present day. Meditations is perhaps the most important source of our modern understanding of Stoic philosophy. Its twelve books chronicle different stages of Marcus Aurelius' life and ideas. Although he ruled during the Pax Romana, the age of relative peace and stability throughout the empire, his reign was marked by near-constant military conflict and a devastating plague which killed upwards of five million people. Aurelius' writings give modern readers an unprecedented look into the "spiritual exercises" which helped him through his tumultuous life and strengthened his patience, empathy, generosity, self-knowledge and emotional health. The private reflections recorded in the Meditations were never meant to be published, rather they were a source for Marcus' own guidance and self-improvement, and jotted down by campfires or in military tents on the Roman front. The lessons, insights and perspectives contained within this remarkable work are just as relevant today as they were two millennia ago. This volume: Presents the timeless wisdom of Emperor Marcus Aurelius and his Stoic philosophy, with new research on his life and times Contains valuable insights on topics such as resilience, moderation and emotional control Discusses how to live "in agreement with nature" and abide by strong ethical principles Part of the bestselling Capstone Classics Series edited by Tom Butler-Bowdon, this attractive, high-quality hardcover volume includes: An original Introduction by Marcus Aurelius authority and Stoicism expert Donald Robertson, author of *How To Think Like A Roman Emperor*. A modernised, up to date version of the classic George Long translation. Meditations: The Philosophy Classic is a volume which will occupy a prominent place in any library for years to come.

MEDITATIONS Few ancient works have been as influential as the Meditations of Marcus Aurelius, philosopher and emperor of Rome (A.D. 161–180). A series of spiritual exercises filled with wisdom, practical guidance, and a profound understanding of human behavior, it remains one of the greatest works of spiritual and ethical reflection ever written. Marcus's insights and advice—on everything from living in the world to coping with adversity and interacting with others—have made the Meditations required reading for statesmen and philosophers alike, while generations of ordinary readers have responded to the straightforward intimacy of his style. For anyone who struggles to reconcile the demands of leadership with a concern for personal integrity and spiritual well-being, the Meditations remains as relevant now as it was two thousand years ago. MEDITATIONS In Gregory Hays's new translation—the first in thirty-five years—Marcus's thoughts speak with a new immediacy. In fresh and unencumbered English, Hays vividly conveys the spareness and compression of the original Greek text. Never before have Marcus's insights been so directly and powerfully presented. MEDITATIONS With an Introduction that outlines Marcus's life and career, the essentials of Stoic doctrine, the style and construction of the Meditations, and the work's ongoing influence, this edition makes it possible to fully rediscover the thoughts of one of the most enlightened and intelligent leaders of any era. MEDITATIONS Written in Greek by the only Roman emperor who was also a philosopher, without any intention of publication, the Meditations of Marcus Aurelius offer a remarkable series of challenging spiritual reflections and exercises developed as the emperor struggled to understand himself and make sense of the universe. While the Meditations were composed to provide personal consolation and encouragement, Marcus Aurelius also created one of the greatest of all works of philosophy: a timeless collection that has been consulted and admired by statesmen, thinkers, and readers throughout the centuries. MEDITATIONS

Practicing Stoicism Harper Collins

Instant New York Times Advice & Business Bestseller, USA Today Bestseller, and Wall Street Journal #1 Bestseller! A New York Times Noteworthy Pick and a "stellar work" by Publishers Weekly From the bestselling authors of *The Daily Stoic* comes an inspiring guide to the lives of the Stoics, and what the ancients can teach us about happiness, success, resilience and virtue. Nearly 2,300 years after a ruined merchant named Zeno first established a school on the Stoa Poikile of Athens, Stoicism has found a new audience among those who seek greatness, from athletes to politicians and everyone in between. It's no wonder; the philosophy and its embrace of self-mastery, virtue, and indifference to that which we cannot control is as urgent today as it was in the chaos of the Roman Empire. In *Lives of the Stoics*, Holiday and Hanselman present the fascinating lives of the men and women who strove to live by the timeless Stoic virtues of Courage. Justice. Temperance. Wisdom. Organized in digestible, mini-biographies of all the well-known--and not so well-known--Stoics, this book vividly brings home what Stoicism was like for the people who loved it and lived it, dusting off powerful lessons to be learned from their struggles and successes. More than a mere history book, every example in these pages, from Epictetus to Marcus Aurelius--slaves to emperors--is designed to help the reader apply philosophy in their own lives. Holiday and Hanselman unveil the core values and ideas that unite figures from Seneca to Cato to Cicero across the centuries. Among them are the idea that self-rule is the greatest empire, that character is fate; how Stoics benefit from preparing not only for success, but failure; and learn to love, not merely accept, the hand they are dealt in life. A treasure of valuable insights and stories, this book can be visited again and again by any reader in search of inspiration from the past.

A pragmatic philosophy more popular than ever—here are 52 ancient lessons to help you overcome adversity and find tranquility in the modern world Stress often comes from situations that are beyond our control—such as preparing for a meeting, waiting for test results, or arguing with a loved one. But we can control our response to these everyday tensions—through the wisdom and practice of Stoicism. Stoicism is an ancient pragmatic philosophy that teaches us to step back, gain perspective, and act with intention. In *A Handbook for New Stoics*, renowned philosopher Massimo Pigliucci and seasoned practitioner Gregory Lopez provide 52 week-by-week lessons to help us apply timeless Stoic teachings to modern life. Whether you're already familiar with Seneca and Marcus Aurelius, or you're entirely new to Stoicism, this handbook will help you embrace challenges, thrive under pressure, and discover the good life! A primer on the future of PR, marketing and advertising — now revised and updated with new case studies "Forget everything you thought you knew about marketing and read this book. And then make everyone you work with read it, too." —Jason Harris, CEO of Mekanism Megabrands like Dropbox, Instagram, Snapchat, and Airbnb were barely a blip on the radar years ago, but now they're worth billions—with hardly a dime spent on traditional marketing. No press releases, no TV commercials, no billboards. Instead, they relied on growth hacking to reach users and build their businesses. Growth hackers have thrown out the old playbook and replaced it with tools that are testable, trackable, and scalable. They believe that products and businesses should be modified repeatedly until they're primed to generate explosive reactions. Bestselling author Ryan Holiday, the acclaimed marketing guru for many successful brands, authors, and musicians, explains the new rules in a book that has become a marketing classic in Silicon Valley and around the world. This new edition is updated with cutting-edge case studies of startups, brands, and small businesses. Growth Hacker Marketing is the go-to playbook for any company or entrepreneur looking to build and grow.

[The Timeless Art of Turning Trials into Triumph](#) Createspace Independent Publishing Platform

Timeless wisdom on controlling anger in personal life and politics from the Roman Stoic philosopher and statesman Seneca In his essay "On Anger" (De Ira), the Roman Stoic thinker Seneca (c. 4 BC–65 AD) argues that anger is the most destructive passion: "No plague has cost the human race more dear." This was proved by his own life, which he barely preserved under one wrathful emperor, Caligula, and lost under a second, Nero. This splendid new translation of essential selections from "On Anger," presented with an enlightening introduction and the original Latin on facing pages, offers readers a timeless guide to avoiding and managing anger. It vividly illustrates why the emotion is so dangerous and why controlling it would bring vast benefits to individuals and society. Drawing on his great arsenal of rhetoric, including historical examples (especially from Caligula's horrific reign), anecdotes, quips, and soaring flights of eloquence, Seneca builds his case against anger with mounting intensity. Like a fire-and-brimstone preacher, he paints a grim picture of the moral perils to which anger exposes us, tracing nearly all the world's evils to this one toxic source. But he then uplifts us with a beatific vision of the alternate path, a path of forgiveness and compassion that resonates with Christian and Buddhist ethics. Seneca's thoughts on anger have never been more relevant than today, when uncivil discourse has increasingly infected public debate. Whether seeking personal growth or political renewal, readers will find, in Seneca's wisdom, a valuable antidote to the ills of an angry age.

A Primer on the Future of PR, Marketing, and Advertising BEYOND BOOKS HUB

A year-long leadership development course, divided into short, weekly lessons, based on Peter Drucker's personal coaching program, previously unpublished material, and selected readings from the management guru's classic works, compiled by his longtime collaborator Joseph A. Maciariello. A Year with Peter Drucker distills the essence of Peter Drucker's personal mentorship program into an easy-to-follow 52-week course, exploring the themes Drucker felt were most important to leadership development, including: Leaders Must Set Sights on the Important and not the Urgent—a key differentiator between a subordinate and a chief. Management is a Human Activity—Process must serve people, in and out of the organization. The Roadmap to Personal Effectiveness—the importance of mission and doing the Right Things not just Getting Things Done. The critical importance of leadership succession especially at top ranks of the organization. Each weekly management meditation includes a lesson and a message or anecdote taken from Drucker's extensive body of work, as well as suggestions for further reading, reflective questions, and quick, easy prompts to help readers incorporate the knowledge they've learned into their daily work. A lifetime of wisdom brilliantly honed into a single essential volume by Drucker's collaborator Joseph A. Maciariello, *A Year with Peter Drucker* gives both lifelong Drucker fans and young executives now discovering his brilliance an invaluable opportunity to learn directly from the late master.

Packed with how-to essentials from leading experts, the HBR Guides provide smart answers to your most pressing work challenges.

[An Ancient Guide to Anger Management](#) Penguin

An NPR Book Concierge Best Book of 2018! A Sunday Times of London Pick of the Paperbacks A stunning story about how power works in the modern age—the book the New York Times called "one helluva page-turner" and The Sunday Times of London celebrated as "riveting...an astonishing modern media conspiracy that is a fantastic read." Pick up the book everyone is talking about. In 2007, a short blogpost on Valleywag, the Silicon Valley-vertical of Gawker Media, outed PayPal founder and billionaire investor Peter Thiel as gay. Thiel's sexuality had been known to close friends and family, but he didn't consider himself a public figure, and believed the information was private. This post would be the casus belli for a meticulously plotted conspiracy that would end nearly a decade later with a \$140 million dollar judgment against Gawker, its bankruptcy and with Nick Denton, Gawker's CEO and founder, out of a job. Only later would the world learn that Gawker's demise was not incidental--it had been masterminded by Thiel. For years, Thiel had searched endlessly for a solution to what he'd come to call the "Gawker Problem." When an unmarked envelope delivered an illegally recorded sex tape of Hogan with his best friend's wife, Gawker had seen the chance for millions of pageviews and to say the things that others were afraid to say. Thiel saw their publication of the tape as the opportunity he was looking for. He would come to pit Hogan against Gawker in a multi-year proxy war through the Florida legal system, while Gawker remained confidently convinced they would prevail as they had over so many other lawsuit--until it was too late. The verdict would stun the world and so would Peter's ultimate unmasking as the man who had set it all in motion. Why had he done this? How had no one discovered it? What would this mean--for the First Amendment? For privacy? For culture? In Holiday's masterful telling of this nearly unbelievable conspiracy, informed by interviews with all the key players, this case transcends the narrative of how one billionaire took down a media empire or the current state of the free press. It's a study in power, strategy, and one of the most wildly ambitious--and

successful--secret plots in recent memory. Some will cheer Gawker's destruction and others will lament it, but after reading these pages--and seeing the access the author was given--no one will deny that there is something ruthless and brilliant about Peter Thiel's shocking attempt to shake up the world.

Lives of the Stoics Princeton University Press

A beautiful daily journal to lead your journey in the art of living--and an instant WSJ bestseller! For more than two thousand years, Stoic philosophy has been the secret operating system of wise leaders, artists, athletes, brilliant thinkers, and ordinary citizens. With the acclaimed, bestselling books *The Obstacle Is the Way*, *Ego Is the Enemy* and *The Daily Stoic*, Ryan Holiday and Stephen Hanselman have helped to bring the Stoicism of Marcus Aurelius, Seneca, and Epictetus to hundreds of thousands of new readers all over the world. Now Holiday and Hanselman are back with *The Daily Stoic Journal*, a beautifully designed hardcover journal that features space for morning and evening notes, along with advice for integrating this ancient philosophy into our 21st century lives. Each week readers will discover a specific powerful Stoic practice, explained and presented with related quotations to inspire deeper reflection and application, and each day they will answer a powerful question to help gauge their progress. Created with a durable, Smyth-sewn binding and featuring a helpful introduction explaining the various Stoic tools of self-management, as well as resources for further reading, this is a lasting companion volume for people who already love *The Daily Stoic* and its popular daily emails and social media accounts. It can also be used as a stand-alone journal, even if you haven't read the previous books. For anyone seeking inner peace, clarity, and effectiveness in our crazy world, this book will help them immensely for the next year--and for the rest of their lives.

The Effective Executive in Action House of Books

A major writer and a leading figure in the public life of Rome, Seneca (c. 4BC-AD 65) ranks among the most eloquent and influential masters of Latin prose. This selection explores his thoughts on philosophy and the trials of life. In the *Consolation to Helvia* he strives to offer solace to his mother, following his exile in AD 41, while *On the Shortness of Life* and *On Tranquillity of Mind* are lucid and compelling explorations of Stoic thought. Witty and self-critical, the *Letters* - written to his young friend Lucilius - explore Seneca's struggle to acquire philosophical wisdom. A fascinating insight into one of the greatest minds of Ancient Rome, these works inspired writers and thinkers including Montaigne, Rousseau, and Bacon, and continue to intrigue and enlighten.

A Handbook for New Stoics The Experiment

Marcus Aurelius, famous Stoic and Roman emperor, made a point of sitting down every day to journal his thoughts and reflections on life. These thoughts have survived in the form of his 'Meditations,' inspirational notes on his Stoic approach. He found journaling to be invaluable when it came to coping with ruling an Empire. Today, many people are turning to this ancient philosophy to help them deal with the stresses and strains of modern living. With life becoming ever more frenetic and fast paced, it can be difficult to find inner peace and equilibrium. This is where Stoicism can help. It is a philosophy that encourages adherents to focus on what they can control and not worry about what they cannot. In turning your attention to your inner state and observing your emotions and reactions, you can develop greater emotional harmony and the ability to cope with everything life throws at you. Created by Jason Hemlock, author of *Stoicism: How to Use Stoic Philosophy to Find Inner Peace and Happiness*, this journal has been designed to make it easier for you to bring Stoicism into your daily life. It can be difficult to remember to be Stoic when times get tough. This journal will help you be more Stoic and support you on your Stoic journey. Over the course of 60 days, you'll discover: Inspirational quotes by Marcus Aurelius to start your day Morning journaling prompts to support you in developing a Stoic attitude Daily exercises to bring Stoic practices to life Evening journaling prompts to track the difference Stoicism is making to your life Developing new habits take time and it can be easy to get discouraged if you think you're not making any progress. Journaling helps you see the improvements you've made, giving you the encouragement you need to keep going. With 60 days' worth of journaling, this journal is an essential part of the process of becoming truly Stoic. Discover the Secrets to Stoicism Today by Scrolling Up and Clicking the "Add to Cart" Button at the Top of the Page.

The book that Inc. says "every entrepreneur should read" and an FT Book of the Month selection... How did the movie *The Shawshank Redemption* fail at the box office but go on to gross more than \$100 million as a cult classic? How did *The 48 Laws of Power* miss the bestseller lists for more than a decade and still sell more than a million copies? How is Iron Maiden still filling stadiums worldwide without radio or TV exposure forty years after the band was founded? Bestselling author and marketer Ryan Holiday calls such works and artists perennial sellers. How do they endure and thrive while most books, movies, songs, video games, and pieces of art disappear quickly after initial success? How can we create and market creative works that achieve longevity? Holiday explores this mystery by drawing on his extensive experience working with businesses and creators such as Google, American Apparel, and the author John Grisham, as well as his interviews with the minds behind some of the greatest perennial sellers of our time. His fascinating examples include: • Rick Rubin, producer for Adele, Jay-Z, and the Red Hot Chili Peppers, who teaches his artists to push past short-term thinking and root their work in long-term inspiration. • Tim Ferriss, whose books have sold millions of copies, in part because he rigorously tests every element of his work to see what generates the strongest response. • *Seinfeld*, which managed to capture both the essence of the nineties and timeless themes to become a modern classic. • Harper Lee, who transformed a muddled manuscript into *To Kill a Mockingbird* with the help of the right editor and feedback. • Winston Churchill, Stefan Zweig, and Lady Gaga, who each learned the essential tenets of building a platform of loyal, dedicated supporters. Holiday reveals that the key to success for many perennial sellers is that their creators don't distinguish between the making and the marketing. The product's purpose and audience are in the creator's mind from day one. By thinking holistically about the relationship between their audience and their work, creators of all kinds improve the chances that their offerings will stand the test of time.

The Boy Who Would Be King Princeton University Press

The Effective Executive in Action is a journal based on Peter F. Drucker's classic and preeminent work on management and effectiveness -- *The Effective Executive*. Here Drucker and Maciariello provide executives, managers, and knowledge workers with a guide to effective action -- the central theme of Drucker's work. The authors take more than one hundred readings from Drucker's classic work, update them, and provide provocative questions to ponder and actions to take in order to improve your own work. Also included in this journal is a space for you to record your thoughts for later review and reflection. *The Effective Executive in Action* will teach you how to be a better leader and how to lead according to the five main pillars of Drucker's leadership philosophy.

52 Weeks of Coaching for Leadership Effectiveness Penguin

For the great Roman orator and statesman Cicero, 'the good life' was at once a life of contentment and one of moral virtue - and the two were inescapably intertwined. This volume brings together a wide range of his reflections upon the importance of moral integrity in the search for happiness. In essays that are articulate, meditative and inspirational, Cicero presents his views upon the significance of friendship and duty to state and family, and outlines a clear system of practical ethics that is at once simple and universal. These works offer a timeless reflection upon the human condition, and a fascinating insight into the mind of one of the greatest thinkers of Ancient Rome.

Timeless Wisdom to Gain Resilience, Confidence, and Calmness GENERAL PRESS

This compelling, highly actionable guide shows you how to deal more effectively with whatever life throws at you and live up to your best self. A mix of timeless wisdom and empowering advice, *The Little Book of Stoicism* will point the way to anyone seeking a calm and wise life in a chaotic world.

The Daily Drucker Penguin UK

Conspiracy theories are legion. Conspiracies are rare. And of the few that do exist, fewer are ever discovered, let alone explained. This story is the exception. In 2016, media giant Gawker was forced to declare bankruptcy after a \$140 million dollar judgment in court over an illegally recorded sex tape of Hulk Hogan. The case was no accident: it was the result of a nearly decade-long plot masterminded by Facebook and Paypal billionaire Peter Thiel. With exclusive access to all the key players, Ryan Holiday takes us behind the scenes of this extraordinary and at times surreal story, and transforms the events into both a dissection of that controversial methodology - conspiracy - and an eye-opening cautionary tale on the use, abuse and consequences of power and secrecy in the modern age.
