Maha Nasrallah-Babenko presents a culturally sensitive and uniquely accessible guide that equips clinicians, student sex therapists, and female clients with the tools to confidently treat genito-pelvic pain and penetration disorders (GPPPD). Addressing the issue from an integrated approach, the book provides evidence-based information and sensate, solo and partner practical exercises derived from the author's experience to help clinicians support women in redefining their relationship with sex, their bodies, and their partners. With a special focus on those from conservative and religious backgrounds, this beautifully illustrated text emphasizes the psychological, emotional, and relational factors that may increase shame and fear surrounding sex. The book defines GPPPD before outlining the author's ABCs approach, awareness, body, control, and safety, where she examines topics such as sexual abuse, how to communicate with you partner, sexual beliefs and messages, the

importance of arousal, vulnerability and assertiveness, and shifting the significance of penetration for an enjoyable sex life. This book is essential reading for training and established sex therapists, family therapists, and couple therapists looking to support those struggling with sexual intimacy, as well as the couples seeking their help.

My Slave's Brutal JOI Manual is the transcript-turned-novella of a 32-minute POV audio from the author Ashley Adams. The spoken word audio is also available on Amazon.com under the title "A CBT BDSM Facesitting Jerk Off Session". Yes, it is a mouthful. It's actually a lot more than a mouthful. Ashley gushes in your mouth over and over again as you stroke it for her. It's non-stop CBT fetish jerking instruction complete with Ashley's stroking orders, spanking orders, swallowing orders, and castration threats. She loves to threaten her slaves her with castration when they don't perform. Or even if they do perform. The 22-year-old ebony starlette, Ms. Adams, walks you through a long and painful masturbation session which includes groping, slap-grabbing, smooth-stroking, and smacking your balls in several different specific ways. At one point, she has you flipper-smack your testicles up at your knuckles while slamming your fist down on your shaft. That one gets intense. It all begins with you taking off your clothes, lying on your bed in just your underwear, and waiting for Ashley's permission to strip off those undies and go bare balls nude in front of her. Ashley looks you up and down and licks her lips and then begins to guide you, your dick, and your balls through a marathon of edging, stroking, milking, and ballbusting. She later guides your tongue and mouth too as she gets naked with you, and has you imagine her sitting her precious pussy right down on your face and dripping all over you as you continue to follow every one of her sordid whims. It was certainly meant as an audio, as it was an ad lib performance from a horny young Ashley, but it is enjoyable as a reading as well. We recommend the audio primarily so check out A CBT BDSM Facesitting Jerk Off Session on audio, only on Amazon.com.
