### **Midnight's Children by Salman Rushdie (Book Analysis)**

GRIN Verlag  
From one of the great novelists of our day, a vital, brilliant new book of essays, speeches and articles essential for our times. Step Across This Line showcases the other side of one of fiction's most astonishing conjurers. On display is Salman Rushdie's incisive, thoughtful and generous mind, in prose that is as entertaining as it is topical. The world is here, captured in pieces on a dazzling

array of subjects: from New York's Amadou Diallo case to the Wizard of Oz, from U2 to fifty years of Indian writing, from a tribute to Angela Carter to the struggle to film *Midnight's Children*. The title essay was originally delivered at Yale as the 2002 Tanner lecture on human values, and examines the changing meaning of frontiers in the modern world -- moral and metaphorical frontiers as well as physical ones. The collection chronicles Rushdie's intellectual journeys, but it is also an intimate invitation into his life: he explores his relationship to India through a moving diary of his first visit there in

over a decade, "A Dream of Glorious Return." Step Across This Line also includes "Messages From the Plague Years," a historic set of letters, articles and reflections on life under the fatwa. Gathered together for the first time, this is Rushdie's humane, intelligent and angry response to a grotesque threat, aimed not just at him but at free expression itself. Step Across This Line, Salman Rushdie's first collection of non-fiction in a decade, has the same energy, imagination and erudition as his astounding novels -- along with some very strong opinions.

*The Moor's Last Sigh* Modern Library Winner of the Booker prize and twice winner of the Booker of Bookers, *Midnight's Children* is "one of the most important books to come out of the

English-speaking world in this generation" (New York Review of Books). Reissued for the 40th anniversary of the original publication--with a new introduction from the author--Salman Rushdie's widely acclaimed novel is a masterpiece in literature. Saleem Sinai is born at the stroke of midnight on August 15, 1947, the very moment of India's independence. Greeted by fireworks displays, cheering crowds, and Prime Minister Nehru himself, Saleem grows up to learn the ominous consequences of this coincidence. His every act is mirrored and magnified in events that sway the course of national affairs; his health and well-being are inextricably bound to those of his nation; his life is inseparable, at times indistinguishable, from the history of his country. Perhaps

most remarkable are the telepathic powers linking him with India's 1,000 other "midnight's children," all born in that initial hour and endowed with magical gifts. This novel is at once a fascinating family saga and an astonishing evocation of a vast land and its people—a brilliant incarnation of the universal human comedy. *Midnight's Children* stands apart as both an epochal work of fiction and a brilliant performance by one of the great literary voices of our time.

**Salman Rushdie** McGill-Queen's Press - MQUP

The author of *The Satanic Verses* creates a fascinating family saga about the birth and maturity of a land and its people—a brilliant incarnation of the human comedy. "Rushdie has achieved a

magnificent and unique work of fiction".-

"The first great rock 'n' roll novel in the

English language." --The Times On Valentine's Day, 1989, Vina Apsara, a famous and much-loved singer, disappears in a devastating earthquake. Her lover, the singer Ormus Cama, cannot accept that he has lost her, and so begins his eternal quest to find her and bring her back. His journey takes him across the globe and through cities pulsating with the power of rock 'n' roll, to Bombay, London and New York. But around the star-crossed lover and his quest, the uncertain world itself is beginning to tremble and break. Cracks and tears are appearing in the very fabric of reality, and exposing the abyss beyond. And Ormus has to confront just how far he is willing to go for love. In this epic romance that stretches across whole lives, and even beyond death,

Salman Rushdie's most accessible novel is also a vivid account of the intimate, flawed encounter between East and West, a remaking of the myth of Orpheus, and an exploration of the extremities of comedy, culture and desire. *The Ground Beneath Her Feet* is a gripping story that encapsulates the history, dreams and passions of the last half century as no other novel has done. *Water* Atlantic Publishers & Dist

## House

A tall, yellow-haired young European traveller calling himself “Mogor dell’Amore,” the Mughal of Love, arrives at the court of the real Grand Mughal, the Emperor Akbar, with a tale to tell that begins to obsess the whole imperial capital. The stranger claims to be the child of a lost Mughal princess, the youngest sister of Akbar’s grandfather Babar: Qara Köz, ‘Lady Black Eyes’, a great beauty believed to possess powers of enchantment and sorcery, who is taken captive first by an Uzbek warlord, then by the Shah of Persia, and finally becomes the lover of a certain Argalia, a Florentine soldier of fortune, commander of the armies of the Ottoman Sultan. When Argalia returns home with his Mughal mistress the city is mesmerised

by her presence, and much trouble ensues. The Enchantress of Florence is a love story and a mystery – the story of a woman attempting to command her own destiny in a man’s world. It brings together two cities that barely know each other – the hedonistic Mughal capital, in which the brilliant emperor wrestles daily with questions of belief, desire and the treachery of sons, and the equally sensual Florentine world of powerful courtesans, humanist philosophy and inhuman torture, where Argalia’s boyhood friend ‘il Machia’ – Niccolò Machiavelli – is learning, the hard way, about the true brutality of power. These two worlds, so far apart, turn out to be uncannily alike, and the enchantments of women hold sway over them both. But is Mogor’s story true?

And if so, then what happened to the lost princess? And if he's a liar, must he die?

Detailed Summary, Analysis and Reading Guide Bloomsbury Publishing

NEW YORK TIMES BESTSELLER • A modern American epic set against the panorama of contemporary politics and culture—a hurtling, page-turning mystery that is equal parts *The Great Gatsby* and *The Bonfire of the Vanities* NAMED ONE OF THE BEST BOOKS OF THE YEAR BY NPR • PBS • HARPER'S BAZAAR • ESQUIRE • FINANCIAL TIMES • THE TIMES OF INDIA On the day of Barack Obama's inauguration, an enigmatic billionaire from foreign shores takes up residence in the architectural jewel of "the Gardens," a cloistered community in New York's Greenwich

Village. The neighborhood is a bubble within a bubble, and the residents are immediately intrigued by the eccentric newcomer and his family. Along with his improbable name, untraceable accent, and unmistakable whiff of danger, Nero Golden has brought along his three adult sons: agoraphobic, alcoholic Petya, a brilliant recluse with a tortured mind; Apu, the flamboyant artist, sexually and spiritually omnivorous, famous on twenty blocks; and D, at twenty-two the baby of the family, harboring an explosive secret even from himself. There is no mother, no wife; at least not until Vasilisa, a sleek Russian expat, snags the septuagenarian Nero, becoming the queen to his king—a queen in want of an heir. Our guide to the Golden's' world is their neighbor René, an ambitious young

filmmaker. Researching a movie about the Golden House, he ingratiates himself into their household. Seduced by their mystique, he is inevitably implicated in their quarrels, their infidelities, and, indeed, their crimes. Meanwhile, like a bad joke, a certain comic-book villain embarks upon a crass presidential run that turns New York upside-down. Set against the strange and exuberant backdrop of current American culture and politics, *The Golden House* also marks Salman Rushdie's triumphant and exciting return to realism. The result is a modern epic of love and terrorism, loss and reinvention—a powerful, timely story told with the daring and panache that make Salman Rushdie a force of light in our dark new age. Praise for *The Golden House* “[A] modern masterpiece .

. . . telling a story full of wonder and leaving you marveling at how it ever came out of the author's head.”—Associated Press “Wildly satiric and yet piercingly real . . . If F. Scott Fitzgerald, Homer, Euripides, and Shakespeare collaborated on a contemporary fall-of-an-empire epic set in New York City, the result would be *The Golden House*.”—Poets & Writers “A tonic addition to American—no, world!—literature . . . a Greek tragedy with Indian roots and New York coordinates.”—San Francisco Chronicle  
**The Enchantress of Florence**  
 Midnight's Children A Novel  
 Shalimar the Clown is a masterpiece from one of our greatest writers, a dazzling novel that brings together the fiercest passions of the heart and the

gravest conflicts of our time into an astonishingly powerful, all-encompassing story. Max Ophuls' memorable life ends violently in Los Angeles in 1993 when he is murdered by his Muslim driver Noman Sher Noman, also known as Shalimar the Clown. At first the crime seems to be politically motivated—Ophuls was previously ambassador to India, and later US counterterrorism chief—but it is much more. Ophuls is a giant, an architect of the modern world: a Resistance hero and best-selling author, brilliant economist and clandestine US intelligence official. But it is as Ambassador to India that the seeds of his demise are planted, thanks to another of his great roles—irresistible lover. Visiting the Kashmiri village of Pachigam, Ophuls lures an impossibly

beautiful dancer, the ambitious (and willing) Boonyi Kaul, away from her husband, and installs her as his mistress in Delhi. But their affair cannot be kept secret, and when Boonyi returns home, disgraced and obese, it seems that all she has waiting for her is the inevitable revenge of her husband: Noman Sher Noman, Shalimar the Clown. He was an acrobat and tightrope walker in their village's traditional theatrical troupe; but soon Shalimar is trained as a militant in Kashmir's increasingly brutal insurrection, and eventually becomes a terrorist with a global remit and a deeply personal mission of vengeance. In this stunningly rich book everything is connected, and everyone is a part of everyone else. A powerful love story, intensely political and historically

informed, Shalimar the Clown is also profoundly human, an involving story of people's lives, desires and crises, as well as—in typical Rushdie fashion—a magical tale where the dead speak and the future can be foreseen.

*Salman Rushdie's Midnight's Children*  
Milkweed Editions

The novel that set the stage for his modern classic, *The Satanic Verses*, *Shame* is Salman Rushdie's phantasmagoric epic of an unnamed country that is "not quite Pakistan." In this dazzling tale of an ongoing duel between the families of two men—one a celebrated wager of war, the other a debauched lover of pleasure—Rushdie brilliantly portrays a world caught between honor and humiliation —"shamelessness, shame: the roots of

violence." *Shame* is an astonishing story that grows more timely by the day.

What exactly is goodness? Where is it found in the literary imagination? Toni Morrison, one of American letters' greatest voices, pondered these perplexing questions in her celebrated Ingersoll Lecture, delivered at Harvard University in 2012 and published now for the first time. Perhaps because it is overshadowed by the more easily defined evil, goodness often escapes our attention. Recalling many literary examples, from Ahab to Coetzee's

Michael K, Morrison seeks the essence of goodness and ponders its significant place in her writing. She considers the concept in relation to unforgettable characters from her own works of fiction and arrives at conclusions that are both eloquent and edifying. In a lively interview conducted for this book, Morrison further elaborates on her lecture's ideas, discussing goodness not only in literature but in society and history—particularly black history, which has responded to centuries of brutality with profound creativity. Morrison's essay is followed by a series of responses by scholars in the fields of religion, ethics, history, and literature to her thoughts on goodness and evil, mercy and love, racism and self-destruction, language and liberation,

together with close examination of literary and theoretical expressions from her works. Each of these contributions, written by a scholar of religion, considers the legacy of slavery and how it continues to shape our memories, our complicities, our outcries, our lives, our communities, our literature, and our faith. In addition, the contributors engage the religious orientation in Morrison's novels so that readers who encounter her many memorable characters such as Sula, Beloved, or Frank Money will learn and appreciate how Morrison's notions of goodness and mercy also reflect her understanding of the sacred and the human spirit.

Unlock the more straightforward side of Midnight's Children with this concise and

insightful summary and analysis! This engaging summary presents an analysis of Midnight's Children by Salman Rushdie, a powerful portrait of the diversity and richness of Indian culture as embodied by the eponymous "midnight children", all of whom were born at the moment India became independent and who therefore possess magical talents and an innate connection to their homeland and to each other. However, two of these children, Saleem and Shiva, are even more closely connected than they know, and their rivalry will eventually lead all of the children to their doom... Salman Rushdie is a British Indian writer whose distinctive writing style blends historical fiction and magical realism, often through the perspective of an unreliable

narrator. His writing has often sparked controversy, and he was the target of a failed assassination attempt in 1989 as a result. *Midnight's Children* is his second novel. Find out everything you need to know about *Midnight's Children* in a fraction of the time! This in-depth and informative reading guide brings you:

- A complete plot summary
- Character studies
- Key themes and symbols
- Questions for further reflection

*Midnight's Children*

BrightSummaries.com

The original stage adaptation of Salman Rushdie's *Midnight's Children*, winner of the 1993 Booker of Bookers, the best book to win the Booker Prize in its first twenty-five years. In the moments of upheaval that surround the stroke of midnight on August 14--15, 1947, the day India proclaimed its independence from Great Britain, 1,001 children are born--each of whom is gifted with supernatural powers. *Midnight's Children* focuses on the fates of two of them--the illegitimate son of a poor Hindu woman and the male heir of a wealthy Muslim family--who become inextricably linked when a midwife switches the boys at birth. An allegory of modern India,

Midnight's Children is a family saga set against the volatile events of the thirty years following the country's independence--the partitioning of India and Pakistan, the rule of Indira Gandhi, the onset of violence and war, and the imposition of martial law. It is a magical and haunting tale, of fragmentation and of the struggle for identity and belonging that links personal life with national history. In collaboration with Simon Reade, Tim Supple and the Royal Shakespeare Society, Salman Rushdie has adapted his masterpiece for the stage.

**Languages of Truth** GRIN Verlag Newly collected, revised, and expanded nonfiction from the first two decades of the twenty-first century—including many texts never previously in print—by the

Booker Prize-winning, internationally bestselling author Longlisted for the PEN/Diamonstein-Spielvogel Award for the Art of the Essay Salman Rushdie is celebrated as “a master of perpetual storytelling” (The New Yorker), illuminating truths about our society and culture through his gorgeous, often searing prose. Now, in his latest collection of nonfiction, he brings together insightful and inspiring essays, criticism, and speeches that focus on his relationship with the written word and solidify his place as one of the most original thinkers of our time. Gathering pieces written between 2003 and 2020, Languages of Truth chronicles Rushdie's intellectual engagement with a period of momentous cultural shifts. Immersing the reader in a wide variety of subjects,

he delves into the nature of storytelling as a human need, and what emerges is, in myriad ways, a love letter to literature itself. Rushdie explores what the work of authors from Shakespeare and Cervantes to Samuel Beckett, Eudora Welty, and Toni Morrison mean to him, whether on the page or in person. He delves deep into the nature of “truth,” revels in the vibrant malleability of language and the creative lines that can join art and life, and looks anew at migration, multiculturalism, and censorship. Enlivened on every page by Rushdie’s signature wit and dazzling voice, *Languages of Truth* offers the author’s most piercingly analytical views yet on the evolution of literature and culture even as he takes us on an exhilarating tour of his own exuberant

and fearless imagination.

*A Novel* Avon Books

An eight-year-old is sent to live in a community of widows in India, and finds a new purpose there, in a novel by “a writer of enormous talent” (*Newsday*). Set in 1938, against the backdrop of Gandhi’s rise to power, *Water* follows the life of eight-year-old Chuyia, abandoned at a widow’s ashram after the death of her elderly husband. There, she must live in penitence until her death. Unwilling to accept her fate, she becomes a catalyst for change in the widows’ lives. When her friend Kalyani, a beautiful widow-prostitute, falls in love with a young, upper-class Gandhian idealist, the forbidden affair boldly defies Hindu tradition and threatens to undermine the ashram’s delicate

balance of power. This riveting look at the lives of widows in colonial India is ultimately a haunting and lyrical story of love, faith, and redemption. "Sidhwa's humor and compassion glow in Water." —Houston Chronicle "A deeply moving story, elegantly told, with all the assurance of a master." —M.G. Vassanji, author of *The In-Between World of Vikram Lall*
