Murder on the Serpentine Open Road Media

My husband was not a monster. No matter what they say... The day my husband, Michael, stepped in front of a lorry after being questioned by the police, my world fell apart. He was devoted to me and our six-year-old daughter. But they'd connected him to the disappearance of a young mother from our tiny village. Now I stand at Michael's funeral, clutching my little girl's hand, with tears in my eyes as I insist to all our friends that he died an innocent man. Yet the questions have started, and nothing I say will stop them digging for the truth. But none of them can read the secrets in my heart, or know about the phone I found hidden in his toolbox... I'm determined that my daughter will not remember her father as a monster. I will erase any hint of wrongdoing in this house whatever the cost. Because to keep my daughter safe, the last thing I need is for people to start looking at me... A completely gripping psychological thriller from the author of the number one bestseller *The Marriage*. If you like *Gone Girl*, *The Girl on The Train* and *The Wife Between Us* then

It is not the custom for the commander of Special Branch to receive a royal summons—so Thomas Pitt knows it must be for a matter of the gravest importance. The body of Sir John Halberd, the Queen's confidant, has been found in the shallow water of the Serpentine in Hyde Park, bearing the evidence of a fatal blow to the head. At Her Majesty's request, Sir John had been surreptitiously investigating Alan Kendrick, a horse-racing enthusiast who seems to have had an undue amount of influence on her son, the Prince of Wales. Now Commander Pitt must navigate the corridors of power with the utmost discretion and stealth, for it seems certain that Sir John's killer is a member of the upper classes. Aided by his wife, Charlotte, and her social contacts, Pitt seeks out the hidden motives behind the polite façade of those to the manner born—and uncovers a threat to the throne that could topple the monarchy. With *Murder on the Serpentine*, Thomas Pitt nears a crossroads in his brilliant career—one that promises new challenges, both professional and personal, still to be met. But first, he and Charlotte must conquer the twists and turns of suspense master Anne Perry's most cunningly crafted plot yet—to achieve their finest hour, or suffer their darkest. Praise for *Murder on the Serpentine* “For nearly four decades Anne Perry's riveting detective novels have played out against the backdrop of the Victorian era. Fans of British royalty will delight in *Murder on the Serpentine*, which spotlights the woman this British author reminds us was ‘queen and empress of a quarter of the earth’ during her 63-year reign. . . . Perry writes meticulously laid-out police procedurals, and Pitt's methodical investigation sets the novel's early, steady pace.”—The Washington Post “The mystery may follow familiar lines, but even newcomers are likely to be charmed by scenes that deepen Pitt's family relationships. This entry's main strength lies in the quiet, emotionally intelligent interactions among its characters.”—Publishers Weekly “[Anne] Perry returns with another engrossing read brimming with superb period details and complex characters.”—RT Book Reviews “Marvelous . . . Perry delivers once again by simply doing what she does better than anyone else—capturing the flavor, spirit and political temperature of Victorian-era London.”—Bookreporter **Su último día** Macmillan

El nuevo y electrizante thriller de la autora de La pareja de al lado. «Un novela que enorgullecería a Agatha Christie» USA Today. La oportunidad perfecta para practicar el esquí o acurrucarse en la cama con una buena novela de misterio. Pero cuando una violenta tormenta azota las montañas y corta la electricidad, el grupo se ve completamente aislado del resto del mundo. Nadie puede entrar... ni salir. Entonces descubren el primer cadáver, y la horrible verdad sale a luz. Tienen a un asesino entre ellos. Y no hay escapatoria. La crítica ha dicho: «Una estupenda historia policiaca con un delicioso sabor a Agatha Christie. A los fans de la autora les encantará, ¡y cualquiera que disfrute de una buena novela de misterio la devorará!» Library Journal «Si lo que buscas es un thriller que no puedas dejar, estás de suerte: la autora superventas Shari Lapena ha vuelto con una nueva novela... Va a ser un éxito.» Heat «Demostrando que los tiempos cambian pero la gente no, Lapena ha escrito una sólida novela de intriga que enorgullecería a Agatha Christie.» USA Today «Una novela para morderse las uñas que te leerás en una noche.» Entertainment Weekly «Un thriller hábilmente planteado y sabiamente dosificado que mantendrá a los lectores tratando de adivinar (y aterrorizados) hasta el último minuto.» Bustle «Una vez más, Lapena muestra su don para crear personajes de modo inteligente combinado con una sutil sensibilidad hacia la oscuridad del corazón humano.» Mail on Sunday «Los thrillers psicológicos de Lapena son una clase magistral de narración sencilla con tramas impecables.»

Metro «Shari Lapena combina la acogedora atmósfera y la ingeniosa trama de un novela policiaca de la época de Christie con la aguda observación de la vida moderna, y rápidamente se está convirtiendo en una autora de referencia para quienes buscan historias de misterio ligeras pero excelentes.» Sunday Express

George Orwell's Nineteen Eighty-Four is unquestionably the most famous dystopian novel of all times. Written in the year of 1948, the author swapped the last two digits while describing a future totalitarian society where the minds, attitudes and actions of the subjects are thoroughly scrutinized by the "Thought Police", suspected dissidents tracked down and where the worship of the mythical party leader Big Brother is forced upon the masses. The low-ranking party member Winston Smith begins secretly to question the whole system and initiates a forbidden love affair with another party member.
