Colors Tate

All kinds of bugs are hiding behind colorful Easter eggs, just waiting for you to find them! (An there are lots more fun surprises, too!)

To Touch and Feel Gryphon House, Inc.

Animals in a wintery countryside eventually settle down to sleep, in a text

with flaps and pop-up illustrations.

Jingle Bugs (Mini Edition) Laurence King Publishing

Paper Dandy's Horrorgami features 20 kirigami (cut-and-fold) designs based around haunted houses and scenes from horror films by the creator of the successful Horrorgami blog and exhibition. Each project features step-by-step instructions and a template that you remove from the book. You then follow the lines on the template, cutting and folding to make your own kirigami model. All you need is a scalpel, a cutting mat and a ruler. Clear cutting tips help you with the

tricky stages and give you an order in which to complete your work, while photos of the finished model show you the final design. Suitable for folding experts and beginners alike, Paper Dandy's Horrorgami makes the perfect Halloween activity.

Media representations of law and order are matters of keen public interest and have been the subject of intense debate amongst those with an interest in the media, crime and criminal justice. Many people have had no direct contact and experience with the criminal justice system and therefore rely on media reports and representations, something which has important implications for public perceptions of law enforcement agencies, the courts and prisons as well as offenders and victims.
