The Help HarperCollins

Bianca vrea sa evadeze... La Academia Evernight, o scoala misterioasa, cu traditie de sute de ani, adapostita intr-o cladire gotica, elevii sunt ciudat de perfecti: atragatori, destepti, dar si... primejdiosi. Din prima clipa, Bianca realizeaza ca locul ei nu este aici. Iar cand il intalneste pe frumosul si singuraticul Lucas, acesta o previne sa aiba grija de ea si sa se fereasca de toti ceilalti... desi, in final, chiar si el poate deveni un pericol cand secrete intunecate ameninta sa-i desparta. Legatura dintre cei doi este insa mult prea puternica. Bianca este gata sa riste orice pentru a fi impreuna cu Lucas, chiar daca asta inseamna sa renunte la lucurile in care crezuse pana atunci.

Journey to Star Wars: The Force Awakens: Lost Stars Random House Worlds

From New York Times bestselling author Claudia Gray—a summer house party turns into a thrilling whodunit when Mr. Wickham, one of literature's

most notorious rakes, finally gets what's coming to him in this brilliantly imagined murder mystery featuring Jane Austen's leading literary couples.

After many years of happy marriage, Emma Knightley and her husband are throwing a house party, bringing together distant relatives and new acquaintances—not all of whom are well known to the Knightleys but are certainly beloved by every Jane Austen fan: Elizabeth and Fitzwilliam Darcy, Marianne and Colonel Brandon, Anne and Captain Wentworth, and Fanny and Edmund Bertram. Very much not invited is Mr. Wickham, whose latest financial scheme has netted him newfound wealth—and a broadening array of enemies. With his unexpected arrival, tempers flare and secrets are revealed, making it clear that everyone would be happier if Mr. Wickham got his comeuppance. Yet the Knightleys and their guests are all shocked when Wickham turns up murdered—except, of course, for the killer hidden in their midst. With everyone a suspect, it falls to the house party's two youngest guests to solve the mystery of who finally delivered to Wickham his just deserts: Juliet Tilney, the smart and resourceful daughter of Catherine and Henry Tilney, eager for adventure outside Northanger Abbey; and Jonathan Darcy, Elizabeth and Darcy's eldest son, whose adherence to propriety makes his father seem relaxed. In a tantalizing fusion of Austen and Christie, the unlikely pair must put aside their own poor first impressions—and uncover the guilty party before an innocent person is sentenced to hang.

Evernight - Vol. II - Visătoarea Simon and Schuster

Four best friends—Check. One unforgettable week in Kauai—Check. Sun, surf, and hula girls in bikinis—Check. A creepy mansion on the forbidden side of the island.... Check? Sam and Colby's vacation in paradise goes from enchanting, to weird, to deadly, when Trey, an old acquaintance, insists they

can't leave without a visit to the legendary Nā Pali Coast. It turns out Trey has been living at the infamous Belle Estate, owned by a wealthy and eccentric widow—who locals believe is a witch. The only thing odder than how a twenty-three-year-old college kid from Utah ended up living in a remote and isolated mansion on the North Shore of Kauai is that he is romantically involved with a woman old enough to be their grandmother. Belle Estate's walls hold an eerie sway over all who enter, and a dark, shadowy presence seems to be following them around the grounds. When an unfavorable change of plans forces them to stay overnight, Sam and Colby are in for the most terrifying encounter of their lives.

How I Paid for College Harper Collins

A deliciously funny romp of a novel about one overly theatrical and sexually confused New Jersey teenager's larcenous quest for his acting school tuition It's 1983 in Wallingford, New Jersey, a sleepy bedroom community outside of Manhattan. Seventeen-year-old Edward Zanni, a feckless Ferris Bueller-type, is Peter Panning his way through a carefree summer of magic and mischief. The fun comes to a halt, however, when Edward's father remarries and refuses to pay for Edward to study acting at Juilliard. Edward's truly in a bind. He's ineligible for scholarships because his father earns too much. He's unable to contact his mother because she's somewhere in Peru trying to commune with Incan spirits. And, as a sure sign he's destined for a life in the arts, Edward's incapable of holding down a job. So he turns to his loyal (but immoral) misfit friends to help him steal the tuition money from his father, all the while practicing for his high school performance of Grease. Disguising themselves as nuns and priests, they merrily scheme their way through embezzlement, money laundering, identity theft, forgery, and blackmail. But, along the way, Edward also learns the value of friendship, hard work, and how you're not really a man until you can beat up your father—metaphorically, that is. *How I Paid for College* is a farcical coming-of-age story that combines the first-person tone of David Sedaris with the byzantine plot twists of Armistead Maupin. It is a novel for anyone who has ever had a dream or a scheme, and it marks the introduction to an original and audacious talent.

FIGHT FOR LOVE ONE LAST TIME The novel-length epilogue to the best-selling vampire saga, *Dark Secrets*. This book is best read after the *Bound* series, a witty two-book spin-off of *Dark Secrets* following Ara's grown daughter, Elora, and the vampire who mistakenly enters her life without knowing who she is. You loved the seven-book series, but what do readers say about *Bound by Secrets*? "...It's the perfect finale to David and Ara's story. After everything they've been through. People who haven't read this series may find it odd that I am referring to the characters as if they were real people. Trust me. Once you read this series, you will understand..." -Laura, Amazon Review ★★★★★ "I have read these books from the beginning and I can't even beginning to explain my love for this series!" -Nicollette Kelly ★★★★★ "This author did this series justice with this book, she gave us everything we needed. I totally pinky promise you will love this book." -Heather Peterson ★★★★★

Love is sacred. It needs no memory. But when memory is lost in a sickening tragedy, how can that love possibly survive? Irreparable damage was done to David in the tombs when his wife was killed. Since then, he's struggled to lead a human life and maintain the will to live for the sake of their son. So when he's called to a mission at request of his new king, he accepts willingly, happy for the distraction. He could never have imagined the mission would involve a blue-eyed girl from his past. But after well-meaning friends and family decide it's best for Ara start fresh, having no memory of her past life, David is forced to play a role and pretend he doesn't know her, driving him into a desperate state of madness. Ara's memory extends only as far as the beginning of summer. Waking from a coma after a terrible accident, she's taken to live in another country to get away from the sadness. She knows nothing of her old life. Nothing of this world she lives in. The only person she has is Brett, an ex-Queen's Guard posing as her big brother and guardian. On meeting David at her new school, Ara finds him overbearing and a bit creepy, falling instead for a sweet guy named Cal, who's ancestral connections would be of great interest to someone she once knew. But David's grip on his emotions starts to slip as he's obligated to stand by and watch his beloved wife date other guys, and it triggers something in him that no one would ever have expected. Can Ara fall in love with the human David again after what he does to her, or was their love ever only a result of her attraction to his vampirism? If you thought you knew Dark David, you're still to meet the cold, human version in this gut-wrenching epilogue about fighting for love when you've got nothing left to fight with.
