Hachette Books  
Have You Seen Marie?  
showcases the storytelling  
magic of Sandra Cisneros,  
beloved author of The  
House on Mango Street  
and winner of the 2019  
PEN/Nabokov Award for  
Achievement in  
International Literature.  
This lyrically told, richly

illustrated fable for adults  
is the tale of a woman's  
search, in the wake of her  
mother's death, for a  
missing cat-and a  
reminder that love, even  
when it goes astray, does  
not stay lost forever.

### **3000 Power Words and Phrases for Effective Performance Reviews**

Grove Press  
Bestselling author Sandra  
Brown weaves a tale of  
murder, passion, and  
intrigue in the pristine

corridors of the White  
House. Barrie Travis is not  
famous: she's just a damn  
good reporter stuck at a  
low-budget television  
station. Then, her old  
friend and now First Lady  
calls her to investigate  
the supposed SIDS death  
of her baby. Stunned by  
grief after the loss of her  
infant son, the President's  
wife hints that her child  
may have murdered. Blind  
to everything but finding  
the truth, Barrie delves

into the private lives of the president and his wife and uncovers dark and terrible secrets that will test her ethics, her patriotism, and her courage. With the help of Gray Bondurant, a mysterious former presidential aide, this story could topple the presidency and change the course of history. In this fast-moving political thriller, Barrie must fight powerful forces that want nothing more than to see the scandalous past—and a certain young reporter—dead and buried.

A Novel Anchor Techniques of the Selling Writer provides solid instruction for people who want to write and sell fiction, not just to talk and study about it. It gives the background, insights, and specific procedures needed by all beginning writers. Here one can learn how to group words into copy that moves, movement into scenes, and scenes into stories; how to develop characters, how to revise and polish, and finally, how to sell the product. No one can teach talent,

but the practical skills of the professional writer's craft can certainly be taught. The correct and imaginative use of these skills can shorten any beginner's apprenticeship by years. This is the book for writers who want to turn rejection slips into cashable checks.

animal's front teeth, whose would you choose? WHAT IF YOU HAD ANIMAL TEETH? takes children on a fun, informative, and imaginative journey as they explore what it would be like if their own front teeth were replaced by those of a different animal. Featuring a dozen animals (beaver, great white shark, narwhal, elephant, rattlesnake, naked mole rat, hippopotamus, crocodile, and more), this book explores how different teeth are especially adapted for an animal's

survival. At the end of the book, children will discover why their own teeth are just right for them. And they'll also get a friendly reminder to take good care of their teeth, because they're the only teeth they'll ever have. Each spread features a photograph of the animal using its specialized teeth on the left and a humorous illustrated image of a child using that animal's teeth on the right. 1940 Edition Coffee House Press

Knopf Books for Young Readers  
 “One of the most dazzling and devastating novels I’ve read in a long time...Readers of *Fruit of the Drunken Tree* will surely be transformed.” --

San Francisco Chronicle  
 “Simultaneously propulsive and poetic, reminiscent of Isabel Allende...Listen to this new author’s voice — she has something powerful to say.” --Entertainment Weekly  
 A mesmerizing debut set in Colombia at the height Pablo Escobar’s violent reign about a sheltered young girl and a teenage maid who strike an unlikely friendship that threatens to undo them both  
 Seven-year-old Chula and her older sister Cassandra enjoy carefree lives thanks to their gated

community in Bogotá, but the threat of kidnappings, car bombs, and assassinations hover just outside the neighborhood walls, where the godlike drug lord Pablo Escobar continues to elude authorities and capture the attention of the nation. When their mother hires Petrona, a live-in-maid from the city's guerrilla-occupied slum, Chula makes it her mission to understand Petrona's mysterious ways. But Petrona's unusual behavior belies more than shyness. She is

a young woman crumbling under the burden of providing for her family as the rip tide of first love pulls her in the opposite direction. As both girls' families scramble to maintain stability amidst the rapidly escalating conflict, Petrona and Chula find themselves entangled in a web of secrecy that will force them both to choose between sacrifice and betrayal. Inspired by the author's own life, and told through the alternating perspectives of the willful Chula and the achingly

hopeful Petrona, *Fruit of the Drunken Tree* contrasts two very different, but inextricably linked coming-of-age stories. In lush prose, Rojas Contreras has written a powerful testament to the impossible choices women are often forced to make in the face of violence and the unexpected connections that can blossom out of desperation. *A Novelist's Guide to Revision* Random House Digital, Inc. Vintage

A universal portrait and an insider's look at life in Latin America in this "vivid, graceful, tautly constructed" novel of love, anger, hope, and tragedy (Tim O'Brien). At the heart of this "profound . . . quietly stunning work that leaves soft tracks in the heart" is Chayo, the flower-seller, and her husband Candelario, the salad-maker, who finally may be blessed with the child they thought they would never have (The Washington Post Book World). Their cause for

happiness, however, triggers a series of events that marks the lives of everyone in the small village of Santiago, Mexico. Woven into Chayo's and Candelario's story are an unforgettable array of characters: Marta, the hotel maid who reads cast-off American magazines and dreams of El Paso; don Justo, the heartbroken fortune-teller; Esperanza, the midwife who finds new love with Rafael, the shy schoolteacher. Their secret dreams and desires are known only to the

omniscient sea and to the curandera Remedios, a healer who hears them all. Winner of the Minnesota Book Award for Fiction Finalist for the Los Angeles Times Book Award  
*The Story You Need to Tell*  
University of Oklahoma Press  
Sandra Cisneros has a fondness for animals and this little gem of a story makes that abundantly clear. "La casa azul," the cobalt blue residence of Mister and Missus Rivera, overflows with hairless dogs, monkeys, a fawn, a

"passionate" Guacamaya macaw, tarantulas, an iguana, and rescues that resemble "ancient Olmec pottery." Missus loves the rescues most "because their eyes were filled with grief." She takes lavish care of her husband too, a famous artist, though her neighbors insist he has eyes for other women: "He's spoiled." "He's a fat toad." She cannot reject him. "...because love is like that. No matter how much it bites, we enjoy and admire the scars." Thus, the generous creatures pawing her

belly, sleeping on her pillow, and “kneeling outside her door like the adoring Magi before the just-born Christ.” This beautiful chapbook is bilingual and contains several illustrations—line drawings by Cisneros herself.

Former ESPN sportscaster Sandra Neil Wallace makes her young adult debut with a historical fiction novel that School Library Journal

recommends to fans of Friday Night Lights in a starred review. Felix “Red” O’Sullivan’s world is crumbling around him: the mine that employs most of town is on the brink of closing, threatening to shutter the entire town and his high school with it. But Red’s got his own burdens to bear: his older brother, Bobby, died in the war, and he’s been struggling to follow in his footsteps ever since. That means assuming Bobby’s old position as quarterback and leading the last-ever

Muckers team to the championship. But the only way for the hardscrabble Muckers to win State is to go undefeated and tackle their biggest rival, Phoenix United, which would be something of a miracle. Luckily, miracles can happen all the time on the field.
