This book Higher v/s Hired education is the sixth in the series of books on Higher Education conceptualized and published by GAP- Grand Academic Portal. The idea of Higher v/s Hired Education has stemmed from the current scenario prevailing in the Indian Higher education system. All the stakeholders of the system- students, teachers, parents or the society are unhappy about the continuous uncertainty. The book is divided into three parts to cover the comprehensive area of the title. 1.The first part is "Government Policies on Higher Education: Dynamics Dont Help". It deals with the root cause of the issues that is the role of government and its constant interference in the domain of higher education at the policy level. It includes concepts like left v/s Right education, Corporate Culture in Higher Education, neo-Liberal ideologies and political plagiarism. 2. The second part is Ancient v/s Modern Higher Education- Role of Liberal Ideologies. It deliberates upon the areas of aim, intention, and necessity of higher education with reference to India, the socio-political interface of higher education and the poor state of affairs and anemic condition of higher

education. 3. The third part is titled 'Effect of Hired Education on the Major Stake Holders: Learners and Trainers'. It contains topics like the role of reflexivity in higher education, how to qualify higher education, brain retain and sustain in today's higher education and non-creative moving in higher education. We are sure that this book will help all the stakeholders of Higher education, both Indian and the international.
