mindset and habits needed to win the day. Through morning mindset journal prompts, daily goal boxes, evening scorecards, weekly habit assessments, monthly project planning, and proprietary whole life balance sheets, the Planner helps you think more strategically, prioritize like a pro, achieve your goals faster, and become more focused, happy, and productive.

Best of all, the Planner helps you install the personal and professional habits proven to lead to long-term success. That's what it's all about. Best-selling author Brendon Burchard says, "High performance means succeeding over the long term without compromising your health or positive relationships." This Planner helps you do that by accounting for your entire life's progress, not just your

daily to-dos. The High Performance Planner was created and field tested by Brendon Burchard, the world's leading high performance coach and a #1 New York Times best-selling author, whose books include The Motivation Manifesto, The Charge, and Life's Golden Ticket. His pioneering research with the High Performance Institute led to Amazon's Top 3 Business & Leadership Book of 2017, High

Describes a system of evaluation, prioritizing, and time management that boosts productivity and overcomes unexpected developments. **Inspiration 365** Rand Corporation Achieve "Massive Action" results and accomplish your business dreams! While

most people operate with only three degrees of action-no action, retreat, or normal action-if you're after big goals, you don't want to settle for the ordinary. To reach the next level, you must understand the coveted 4th degree of action. This 4th degree, also known as the 10 X Rule, is that level of action that guarantees companies and individuals realize their goals and dreams. The

10 X Rule unveils the principle of "Massive Action," allowing you to blast through business clichés and risk-aversion while taking concrete steps to reach your dreams. It also demonstrates why people get stuck in the first three actions and how to move into making the 10X Rule a discipline. Find out exactly where to start, what to do, and how to follow up each action you take with more action to

With a system in place to combat these pressures head-on, success is inevitable. Pave the way to your success through this 9-part system influenced by peak performance coaches for

elite athletes. By adopting this system for seizing your big opportunity, you're sure to stay ahead of the curve in your pursuit of excellence. Relentless Success unfolds the process that will change your life forever. No person, thing or circumstance will ever hold you back again. Never again will you lack the knowledge to accomplish your goals. When you marry your work ethic to

this success process is the day you will discover the champion that lives inside of you. Nothing is impossible, it just hasn't been done yet. Take action now, your road to greatness starts right here.

**The Performance Planner** John Wiley & Sons  
Have you taken your business from good to great, only to find that "great" still isn't cutting it? Are you making all the right moves in your career and

still not receiving the recognition you have earned? Why do companies like Apple get all the attention, when you have difficulty getting anyone to focus on your efforts? In our homogenized world, companies in every sector—from big-box retail to financial services; from fast food to entrepreneurs—appear more and more alike, as do the tweets and LinkedIn pages of professionals

across the country. But if people see you or your company as nothing more than a carbon copy of the competition, how can you expect to attract attention? Scott McKain's original approach to this problem, first captured in his book *Collapse of Distinction*, was conceived and written in the direct aftermath of the 2008 financial meltdown. His forceful case for the importance of distinction—fi

nding success by setting yourself apart from the crowd—resonated with thousands of readers. To reflect the changing reality since that book's publication—a nd to incorporate new research and up-to-date examples—McKain, an internationally recognized expert on business distinction, has retitled and revised it as *Create Distinction*. Within these updated pages

(including one entirely new chapter) you'll find a potent cure for similarity and uniformity—the primary killers of businesses and careers. In engaging, story-filled prose, McKain lays out the cornerstones of distinction and equips you with the specific tools and knowledge you need to stand out. Whether you're in the "C-suite" of a multinational company or just vying for your next promotion,

you'll learn how to rise above the fray and make your work unmistakable. With this practical advice, you'll feel confident stepping up from the competition—and toward success.

Penguin  
There is a leader and leadership dynamic between influence and authority. The true path of being a

Centered Leader is about developing one's influence. However, influence has two parts: the inner self, and the outer self. Centeredness is the integration of the inner self and outer self, allowing one's authenticity to emerge and serve as a significant influence to empower oneself to be fully functional. The purpose of The Palmer Performance Planner is to help you become a

Centered Leader, becoming fully integrated and fully functioning as an individual who can lead themselves, and then expand on that influence to lead others. An integrated human being requires the effective combining of four constituent elements: personality, behavior, vision, and growth which when aligned produce four manifestations : Personality = awareness, Behavior = connection,

<p>Vision = Empowerment , and Growth = performance that harmoniously manifests in full functioning. <u>Unlabel</u> Official Nightingale Conant Pu A powerful program for reaching—and exceeding—yo ur goals in life, by the New York Times-bestsell ing author of Eat That Frog! "Based on a ... workshop, this book offers an interactive ... plan for women who want to take control of their finances and feel secure about the things that matter most to them. Too often, financial advice jumps right to the minutiae of investments, skipping over the deeper questions of what people really want from their money, both

now and in the future. Ellen Rogin and Lisa Kueng teach their clients and workshop audiences to do the opposite"--

Tyndale Momentum Low expectations of Black students' performances and lack of study skills are two of the most important factors that cause Black students to perform poorly academically in high school

and college. Author Charles W. Cherry II, who earned two masters-level degrees simultaneously, focuses on teaching skills like time management, goal-setting, aggressive listening, speed reading, effective note-taking, library and computer research, test-taking and memory systems, image management, and self-knowledge to improve Black students' scholastic performances.

**Peak Performance Planner (Turquoise)**

Simon and Schuster A bold and inspiring memoir and manifesto from a renowned voice in the women's leadership movement who shows women how to cultivate the single skill they really need in order to thrive: the ability to let go. Once the poster girl for doing it all, after she had her first child, Tiffany Dufu struggled to accomplish

everything she thought she needed to in order to succeed. Like so many driven and talented women who have been brought up to believe that to have it all, they must do it all, Dufu began to feel that achieving her career and personal goals was an impossibility. Eventually, she discovered the solution: letting go. In *Drop the Ball*, Dufu recounts how she learned to reevaluate expectations,

shrink her to-do list, and meaningfully engage the assistance of others—freeing the space she needed to flourish at work and to develop deeper, more meaningful relationships at home. Even though women are half the workforce, they still represent only eighteen per cent of the highest level leaders. The reasons are obvious: just as women reach middle management they are also starting

families. Mounting responsibilities at work and home leave them with no bandwidth to do what will most lead to their success. Offering new perspective on why the women's leadership movement has stalled, and packed with actionable advice, *Tiffany Dufu's Drop the Ball* urges women to embrace imperfection, to expect less of themselves and more from others—only then can they

focus on what they truly care about, devote the necessary energy to achieving their real goals, and create the type of rich, rewarding life we all desire. F.T.I.: Failure to Implement Anchor Downsizing. Risk taking. Change. These words reverberate through the economic climate of the nineties and illustrate exactly why goal setting is more imperative than ever. In *The New Dynamics of*

*Goal Setting*, bestselling author Denis Waitley carries you beyond standard goal-setting routines to a new methodology for success. With his innovative *Flex tactics* program, he demonstrates powerful techniques for recognizing and achieving goals in business and life, and his *Twenty-One-Day Action Plan* promises immediate results. Waitley shows you how to: -- Thrive on risk

as a part of life and find hidden opportunities -  
- Excel in competitive environments -- Eliminate time-wasting activities...and much more. Whether you are changing careers or revitalizing a current job, *The New Dynamics of Goal Setting* is the key to success. *To Do Doing Done* Flatiron Books A well-known and respected authority on success, Zig Ziglar has sold millions of books. Now, each and

every day, you will have Zig's inspirational thoughts at your fingertips. Perfect for starting your workday the right way. Zig Ziglar has authored such bestsellers as *See You at the Top*, *Top Performance*, *Over the Top*, and *Secrets of Closing the Sale*. As one of the most popular twentieth century motivational speakers, Zig spoke on the same stage as Presidents Ford, Reagan, and Bush;

General Norman Schwarzkopf; Secretary of State Colin Powell; Dr. Norman Vincent Peale; and Paul Harvey. In *The One Year Daily Insights with Zig Ziglar*, his signature insights on success and what the Bible says about the topic are collected in the popular, bestselling *One Year page-a-day* format. With this *One Year devotional*, it's easy to create a positive, biblical, and achievement-

Oli Gardner co-founder Unbounce "We'd been closing 55% of

our qualified appointments. We increased that to 76% as a direct result of implementing The Conversion Code." Dan Stewart CEO Happy Grasshopper "The strategies in The Conversion Code are highly effective and immediately helped our entire sales team. The book explains the science behind selling in a way that is simple to remember and easy to implement."

Steve Pacinelli CMO BombBomb Capture and close more Internet leads with a new sales script and powerful marketing templates The Conversion Code provides a step-by-step blueprint for increasing sales in the modern, Internet-driven era. Today's consumers are savvy, and they have more options than ever before. Capturing their attention and turning it into revenue requires a

whole new approach to marketing and sales. This book provides clear guidance toward conquering the new paradigm shift towards online lead generation and inside sales. You'll learn how to capture those invaluable Internet leads, convert them into appointments, and close more deals. Regardless of product or industry, this proven process will increase both the quantity and quality of

leads and put your sales figures on the rise. Traditional sales and marketing advice is becoming less and less relevant as today's consumers are spending much more time online, and salespeople are calling, emailing, and texting leads instead of meeting them in person. This book shows you where to find them, how to engage them, and how to position your company as

the ideal solution to their needs. Engage with consumers more effectively online. Leverage the strengths of social media, apps, and blogs to capture more leads for less money. Convert more Internet leads into real-world prospects and sales appointments. Make connections on every call and learn the exact words that close more sales. The business world is moving away

from "belly-to-belly" interactions and traditional advertising. Companies are forced to engage with prospective customers first online—the vast majority through social media, mobile apps, blogs, and live chat—before ever meeting in person. Yesterday's marketing advice no longer applies to today's tech savvy, mobile-first, social media-addicted consumer, and the new sales

environment demands that you meet consumers where they are and close them, quickly. The Conversion Code gives you an actionable blueprint for capturing Internet leads and turning them into customers. The Palmer Performance Planner Made For Success Publishing "One of the most provocative entrepreneurs of our time, who started Eckō Unltd out of his parents' garage and

turned it into a media empire, Marc Eckō reveals his formula for building an authentic brand or business. Marc Eckō began his career by spray-painting t-shirts in the garage of his childhood home in suburban New Jersey. A graffiti artist with no connections and no fashion pedigree, he left the safety net of pharmacy school to start his own company. Armed with only hustle, sweat equity,

and creativity, he flipped a \$5,000 bag of cash into a global corporation now worth \$500 million. Unlabel is a success story, but it's one that shares the bruises, scabs, and gut-wrenching mistakes that every entrepreneur must overcome to succeed. Through his personal prescription for success--the Authenticity Formula--Eckō recounts his many innovations and

misadventures in his journey from misfit kid to the CEO. It wasn't a meteoric rise; in fact, it was a rollercoaster that dipped to the edge of bankruptcy and even to national notoriety, but this is an underdog story we can learn from: Ecko's doubling down on the core principles of the brand and his formula for action over talk are all lessons for today's entrepreneurs . Ecko offers a brash message with

his inspirational story: embrace pain, take risks, and be yourself. Unlabel demonstrates that, like or not, you are a brand and it's up you to take control of it and create something authentic. Unlabel is a groundbreaking guide to channeling your creativity, finding the courage to defy convention, and summoning the confidence to act and be competitive in any

environment"-
