English File: Beginner Students Book Pack Component Penguin

"Texts must be interesting
enough for students to
want to read them in their
own language. Otherwise,
how can we expect
students to want to read
them in English?" This is
the authors' golden rule
when they choose texts
and topics for every level
of American English File. It
ensures you get material
that learners will enjoy
reading and will want to
talk about. Texts such as
"Could you live without
money?" really help to
generate opinion and
discussion. They create a
desire to communicate.
Having created the desire,
American English File then
helps you to develop
learners' communication
skills. One way it does this
is with a strong focus on
pronunciation. Research
shows that poor
pronunciation is a major
contributor to breakdowns
in communication
(Jennifer Jenkins: The
Phonology of English as
an International
Language). American
English File integrates
pronunciation into every

lesson - the "little and often" approach. But that's not all. The unique English File Sounds Chart puts a picture to each sound in the phonetic alphabet, so learners find it easier to remember the sounds and, ultimately, improve their pronunciation.

The idea of "The Green Book" is to give the Motorist and Tourist a Guide not only of the Hotels and Tourist Homes in all of the large cities, but other classifications that will be found useful wherever he may be. Also facts and information that the Negro Motorist can use and depend upon. There are thousands of places that the public doesn't know about and aren't listed. Perhaps you know of some? If so send in their names and addresses and the kind of business, so that we might pass it along to the rest of your fellow Motorists. You will find it handy on your travels, whether at home or in some other state, and is up to date. Each year we are compiling new lists as some of these places move, or go out of business and new business places are started giving added employment to members of our race.
