Chicken Soup for the Woman's Soul Simon and Schuster

Death speaks to me. A person's face in death mirrors their living and their dying. This book speaks of both. Life, through the loss of many loved ones, has crushed me open - and left behind many clear and important messages for the living. Each message is different, and each changed how I live my life. This is what I want to share with you... deathbed revelations about how to live. I received these messages from the people I was grieving; but their wisdom is for everyone, whether grieving or not. They are stories of the interwoven beauty of life and death. I hope your journey through my experiences gives you the same gifts I received from them and delivers a fresh perspective on the events in your life. For anyone who has experienced the unbearable sorrow of death, I hope it brings light to your mourning.

A grieving widow discovers a most unexpected form of healing—hunting for mushrooms. “Moving . . . Long tells the story of finding hope after despair lightly and artfully, with self-effacement and so much gentle good nature.”—The New York Times Long Litt Woon met Eiof a month after arriving in Norway from Malaysia as an exchange student. They fell in love, married, and settled into domestic bliss. Then Eiof's unexpected death at fifty-four left Woon struggling to imagine a life without the man who had been her partner and anchor for thirty-two years. Adrift in grief, she signed up for a beginner's course on mushrooming—a course the two of them had planned to take together—and found, to her surprise, that the pursuit of mushrooms rekindled her zest for life. The

Way Through the Woods tells the story of parallel journeys: an inner one, through the landscape of mourning, and an outer one, into the fascinating realm of mushrooms—resilient, adaptable, and essential to nature's cycle of death and rebirth. From idyllic Norwegian forests and urban flower beds to the sandy beaches of Corsica and New York's Central Park, Woon uncovers an abundance of surprises often hidden in plain sight: salmon-pink Bloody Milk Caps, which ooze red liquid when cut; delectable morels, prized for their earthy yet delicate flavor; and bioluminescent mushrooms that light up the forest at night. Along the way, she discovers the warm fellowship of other mushroom obsessives, and finds that giving her full attention to the natural world transforms her, opening a way for her to survive Eiof's death, to see herself anew, and to reengage with life.

Praise for *The Way Through the Woods* “In her search for new meaning in life after the death of her husband, Long Litt Woon undertook the study of mushrooms. What she found in the woods, and expresses with such tender joy in this heartfelt memoir, was nothing less than salvation.”—Eugenia Bone, author of *Mycophilia* and *Microbia*

A classic work of American literature that has not stopped changing minds and lives since it burst onto the literary scene, *The Things They Carried* is a ground-breaking meditation on war, memory, imagination, and the redemptive power of storytelling. *The Things They Carried* depicts the men of Alpha Company: Jimmy Cross, Henry Dobbins, Rat Kiley, Mitchell Sanders, Norman Bowker, Kiowa, and the character Tim O'Brien, who has survived his tour in Vietnam to become a father and writer at the age of forty-three. Taught everywhere—from high school classrooms to graduate seminars in creative writing—it has become required reading for any American and continues to challenge readers in their perceptions of fact and fiction, war and peace, courage and fear and longing. *The Things They Carried* won France's prestigious Prix du Meilleur Livre Etranger and the Chicago Tribune Heartland Prize; it was also a finalist for the Pulitzer Prize and the National Book Critics Circle Award.

**Chicken Soup for the Soul: Tough Times, Tough People** Simon and Schuster

Inspired by the website that the New York Times hailed as "redefining mourning," this book is a fresh and irreverent examination into navigating grief and resilience in the age of social media, offering comfort and community for coping with the mess of loss through candid original essays from a variety of voices, accompanied by gorgeous two-color illustrations and wry infographics. At a time when we mourn public figures and national tragedies with hashtags, where intimate posts about loss go viral and we receive automated birthday reminders for dead friends, it's clear we are navigating new terrain without a road map. Let's face it: most of us have always had a difficult time talking about death and sharing our grief. We're awkward and uncertain; we avoid, ignore, or even deny feelings of sadness; we offer platitudes; we send sympathy bouquets whittled out of fruit. Enter Rebecca Soffer and Gabrielle Birkner, who can help us do better. Each having lost parents as young adults, they co-founded Modern Loss, responding to a need to change the dialogue around the messy experience of grief. Now, in this wise and often funny book, they offer the insights of the Modern Loss community to help us cry, laugh, grieve, identify, and—above all—empathize. Soffer and Birkner, along with forty guest contributors including Lucy Kalanithi, singer Amanda Palmer, and CNN's Brian Stelter, reveal their own stories on a wide range of topics including triggers, sex, secrets, and inheritance. Accompanied by beautiful hand-drawn illustrations and witty "how to" cartoons, each contribution provides a unique perspective on loss as well as a remarkable life-affirming message. Brutally honest and inspiring, *Modern Loss* invites us to talk intimately and humorously about grief, helping us confront the humanity (and mortality) we all share. Beginners welcome.

'I devoured *A Manual for Heartache* in one sitting . . . a kind, honest and wise book about how to make a friend of sadness.' - Rachel Joyce, author of *The Unlikely Pilgrimage of Harold Fry*. When Cathy Rentzenbrink was still a teenager, her happy family was torn apart by an unthinkable tragedy. In *A Manual for Heartache* she describes how she learnt to live with grief and loss and find joy in the world again. She explores how to cope with life at its most difficult and overwhelming and how we can emerge from suffering forever changed, but filled with hope. This is a moving, warm and uplifting book that offers solidarity and comfort to anyone going through a painful time, whatever it might be.
