OLSON NICOLE

Sophie's World

Disney-

Hyperion

In the New

York Times

bestseller that

the

Washington

Post called

“Lean In for misfits,”

Sophia

Amoruso

shares how

she went from

dumpster

diving to

founding one

of the fastest-

growing

retailers in the

world.

Amoruso

spent her

teens

hitchhiking,

committing

petty theft,

and

scrounging in

dumpsters for

leftover

bagels. By age

twenty-two

she had

dropped out of

school, and

was broke, directionless, and checking IDs in the lobby of an art school—a job she'd taken for the health insurance. It was in that lobby that Sophia decided to start selling vintage clothes on eBay. Flash forward to today, and she's the founder of Nasty Gal and the founder and CEO of Girlboss. Sophia was never a typical CEO, or a typical anything, and she's written #GIRLBOSS

for other girls like her: outsiders (and insiders) seeking a unique path to success, even when that path is windy as all hell and lined with naysayers. #GIRLBOSS proves that being successful isn't about where you went to college or how popular you were in high school. It's about trusting your instincts and following your gut; knowing which rules to follow and which to break; when to button up

and when to let your freak flag fly. "A witty and cleverly told account . . . It's this kind of honest advice, plus the humorous ups and downs of her rise in online retail, that make the book so appealing." —Los Angeles Times
"Amoruso teaches the innovative and entrepreneurial among us to play to our strengths, learn from our mistakes, and know when to break a few of the traditional rules." —Vanity Fair

"#GIRLBOSS is more than a book . . .

#GIRLBOSS is a movement."

—Lena Dunham

Girlboss Talk

Prowess

Publishing

In this third book of the acclaimed series, Percy and his friends are escorting two new half-bloods safely to camp when they are intercepted by a mantichore and learn that the goddess Artemis has been kidnapped.

#GIRLBOSS

Crown

The book that changed the consciousness

of a country—and the world. Landmark, groundbreaking, classic—these adjectives barely describe the earthshaking and long-lasting effects of Betty Friedan's *The Feminine Mystique*. This is the book that defined "the problem that has no name," that launched the Second Wave of the feminist movement, and has been awakening women and men with its insights into social

relations, which still remain fresh, ever since. A national bestseller, with over 1 million copies sold.

Independently Published
Sophia

Amoruso, the bestselling author of *#GIRLBOSS*, shares her favorite tips, checklists, and fill-in-the-blanks that will help you become your best Girlboss

yet. Filled with whimsical illustrations, exercises, and plenty of scribble room, *The Girlboss Workbook* is designed for both the dreamer and the doer. It invites you—hell, implores you—to get in there and mess it up a little. Write in the blank spaces and in between them. *#GIRLBOSS* started as Sophia's story, but *The Girlboss Workbook* is your story. Use it as a diary, a mood

board, a stress ball. Use it in class or at work for daydreaming and doodling. Use it to figure out what makes your freak flag fly -- and then go for it. Whatever you do, take this book, and your path, into your own hands. No need to handle it with care and no need to live a typical, cookie-cutter life. Sophia's has been anything but. Nevada MCD x FSG Originals A companion to Making Bombs for

Hitler and The War Below, this novel follows a Ukrainian girl who was kidnapped as a child to be raised by a Nazi family. Nadia is haunted by World War II. Her memories of the war are messy, coming back to her in pieces and flashes she can't control. Though her adoptive mother says they are safe now, Nadia's flashbacks keep coming. Sometimes she remembers running,

hunger, and isolation. But other times she remembers living with a German family, and attending big rallies where she was praised for her light hair and blue eyes. The puzzle pieces don't quite fit together, and Nadia is scared by what might be true. Could she have been raised by Nazis? Were they her real family? What part did she play in the war? What Nadia finally discovers about her own

history will shock her. But only when she understands the past can she truly face her future. Inspired by startling true events, Marsha Forchuk Skrypuch delivers a gripping and poignant story of one girl's determination to uncover her truth. Nasty Galaxy McGraw Hill Professional You know you are special, you know you are meant to be victorious in life, be the true #GIRLBOSS that you know

that you are! - Paperback - 180 lined pages - 6" x 9" *Uglies* Penguin Part starter-kit, part encyclopedia, and part inspiration, *Self-Made Boss* is an essential survival guide for small businesses. When it comes to getting practical advice, small business owners too often don't know where to look. Sure, you can find all sorts of high-level strategic tips from Fortune 500 CEOs. But

what if you own a restaurant, and you're trying to figure out how to source good fish, or if you're looking to increase revenue from your plumbing supply store? You'll be running a lot of Google searches before you hear from someone who's actually stood in your shoes. Longtime Square executives Jackie Reses and Lauren Weinberg want to change this. So they

reached out across the country, talking to dozens of entrepreneurs with valuable businesses—and invaluable advice. This book is the product of that research. Part starter-kit, part encyclopedia, part inspiration, *Self-Made Boss* is filled with information not just about who these small business owners are, but how they built their companies, step by step. How did they get their

start? When did they decide to hire more staff? How did they set a course for growth? And when problems arose, how did they fight through them? You'll hear from a second-generation ice cream shop owner on how to manage price increases; an oyster farmer finding new ways to stay afloat in the middle of a global pandemic; a roofer who refused to be denied or defined by her

race and gender—and dozens of other small business owners making a big difference in their communities. No matter the size of your business today—or where you're thinking about taking the jump tomorrow—you'll find answers you can apply right away. Because there's a common purpose that all small business owners share: the drive to build

something from the ground up; the relentless pursuit of turning obstacles into opportunities and roadblocks into stepping stones. It's tough and messy, hard-fought and hard-won. And above all, it's something you can't have when you work anywhere else—or for anyone else. That's what it means to be a Self-Made Boss. *The Smart Money Woman* Troubador

Break Free
From Over-
Functioning,
Over-
Delivering,
People-
Pleasing, and
Ignoring Your
Own Needs So
You Can
Finally Live
the Life You
Deserve! Most
of us were
never taught
how to
effectively
express our
preferences,
desires or
deal-breakers.
Instead, we
hide our
feelings
behind
passive-
aggressive
behavior,
deny our own
truths, or push
our emotions

down until we
get depressed
or so
frustrated that
we explode,
potentially
destroying
hard-won trust
and
relationships.
The most
successful and
satisfied
people on the
planet have
one thing in
common: the
ability to
create and
communicate
clear, healthy
boundaries.
This ability is,
hands down,
the biggest
game changer
when it comes
to creating a
healthy,
happy, self-
determined
life. In

Boundary
Boss,
psychotherapi
st Terri Cole
reveals a
specific set of
skills that can
help you stop
abandoning
yourself for
the sake of
others
(without guilt
or drama) and
get
empowered to
consciously
take control of
every aspect
of your
emotional,
spiritual,
physical,
personal, and
professional
life. Since
becoming a
Boundary
Boss is a
process, Cole
also offers
actionable

strategies, scripts, and techniques that can be used in the moment, whenever you need them. You will learn:

- How to recognize when your boundaries have been violated and what to do next
- How your unique "Boundary Blueprint" is unconsciously driving your boundary behaviors, and strategies to redesign it
- Powerful boundary scripts so in the moment you will know what to say

How to manage "Boundary Destroyers"—including emotional manipulators, narcissists, and other toxic personalities

- Where you fall on the spectrum of codependency and how to create healthy, balanced relationships

This book is for women who are exhausted from over-giving, overdoing, and even over-feeling. If you're getting it all done but at the

expense of yourself, give yourself the gift of Boundary Boss.

Lead Your Boss Simon and Schuster
Tells a story about the strange relationship of two migrant workers who are able to realize their dreams of an easy life until one of them succumbs to his weakness for soft, helpless creatures and strangles a farmer's wife.

development, Melinda Emerson guides you through the process with step-by-step instructions for developing an effective marketing plan, setting a budget, and maintaining your business once it's up and running. She also offers brand-new strategies for obtaining financing through means like crowdsourcing as well as social media techniques that help build your business--all of which has been

updated for today's market. With Emerson's expert business advice, you will finally follow your dreams and become your own boss!

Self-Made Boss: Advice, Hacks, and Lessons from Small Business Owners

Vintage
From Sophia Amoruso, the New York Times--bestselling author of #GIRLBOSS, a lushly illustrated embodiment of the collective

spirit of the Nasty Gal brand, Sophia's own personal brand, and girlbosses everywhere, with a foreword by Courtney Love. Warning: this is not a style book. It's not about how to mix prints—it's about how to leave yours on everything you touch. Highly graphic and visual, filled with illustrations, photos and short essays, Nasty Galaxy is part scrapbook, part inspo-

journey, with moments of frivolity scattered throughout. Tactical and entertaining, envelope-pushing and conventional, surprising and refreshingly straightforward, Nasty Galaxy is a dive into Sophia's philosophies on work, relationships, balance, friendships, and more. It is a celebration of her roots in vintage clothing, punk attitude, fringe characters, and don't-give-a-fuck

thought leadership. Nasty Galaxy is Amoruso's newest life bible, approaching style, music, philosophy, and advice in the same way #GIRLBOSS approached business—unconventionally. Oversized and in full color, this is the newest, coolest, must-have accessory. **Become Your Own Boss in 12 Months** AMACOM/American Management Association Joyce speaks to women about many of

the issues most pertinent to their lives, needs, and interests in this collection derived from some of her most popular books. Some of the included topics are: Living beyond your feelings, Overcoming fear and insecurity, Being wise with your words, Establishing proper priorities, Defeating negative circumstances, Overcoming an "I can't" attitude, Enjoying the favor of God.

The Feminine Mystique
Harper Collins
Madman, tyrant, animal—history has given Adolf Hitler many names. In *Mein Kampf* (My Struggle), often called the Nazi bible, Hitler describes his life, frustrations, ideals, and

dreams. Born to an impoverished couple in a small town in Austria, the young Adolf grew up with the fervent desire to become a painter. The death of his parents and outright rejection from art schools in Vienna forced him into underpaid work as a laborer. During the First World War, Hitler served in the infantry and was decorated for bravery. After the war, he became actively

involved with socialist political groups and quickly rose to power, establishing himself as Chairman of the National Socialist German Worker's party. In 1924, Hitler led a coalition of nationalist groups in a bid to overthrow the Bavarian government in Munich. The infamous Munich "Beer-hall putsch" was unsuccessful, and Hitler was arrested. During the nine months

he was in prison, an embittered and frustrated Hitler dictated a personal manifesto to his loyal follower Rudolph Hess. He vented his sentiments against communism and the Jewish people in this document, which was to become *Mein Kampf*, the controversial book that is seen as the blue-print for Hitler's political and military campaign. In *Mein Kampf*, Hitler describes his strategy for

rebuilding Germany and conquering Europe. It is a glimpse into the mind of a man who destabilized world peace and pursued the genocide now known as the Holocaust.
