## MARISA EWING

### Tessa and Weston: The Best Christmas Ever

Dragonfly

When Isaac and Elena read a book about lions, all they want to do is "ROAR!" But being the king of the jungle on the school nature walk might not be such a great idea. Beloved author Munsch delivers another irreverent snapshot into the world of children and their imaginations. *Screenshot (Point Paperbacks)* Before I Go "Madison Henry has been skating almost as long as she's been walking. She is living her dream and on her way to the Olympics. She's had only one friend since she was six years old, Jack. Now at sixteen, she's completely oblivious to his deep feelings for her. There has been no time for anything but skating for as long as she can remember. When tragedy strikes unexpectedly, Madison is forced to look at her life in a different way ... and accept one without skating."--

Sourcebooks, Inc.

Filled with endless heartfelt wishes and beautifully cute illustrations, *I Wish You Happiness* is an inspiring book of hope and happiness for wishers of all ages. This timeless book is a truly thoughtful gift for any occasion.

This May End Badly

Independently Published  
Chronicles how writer Jerry Siegel and illustrator Joe Shuster created the character of Superman and, after being turned down by several editors, finally published their first comic book featuring the Man of Steel in 1938.

*Taylor Swift* Scholastic Inc.

We are launching our exciting new Point Paperbacks imprint with this novel from acclaimed author Donna Cooner, about the way we live our lives -- and lies -- on social media. Skye's social media game is always on point. Until her best friend, Asha, films an embarrassing video of Skye at a sleepover and

posts it online. But Asha quickly deletes the post, so everything's okay. Right? Then Skye gets an anonymous message. Someone has texted her a screenshot from the video. This person threatens to share the shocking photo online . . . unless Skye does whatever they say. Skye's perfect image -- and privacy -- are suddenly in jeopardy. What will Skye do to keep the screenshot under wraps? And who is trying to ruin her life?

### The Book of Dead Birds

Grand Central Publishing  
Genetics, radioactive spiders, mutation following tainted energy drinks. No one knows what triggered teens to suddenly get powers. Abilities emerge, first sought, then destroying lives with only one link between those effected. Their birthdays all end in double zeroes. Riley Weston wished he could be an awkward kid in high school, but life had other plans. The aberration laws made all around him suspect until the wheel of fate turned to point her arrow at him. At first, being labeled an aberration would get you locked away for the greater good. When it was discovered children born in the year two-thousand

are the only ones getting powers, no one is immune. Even if your powers have yet to emerge. The government is set on owning all those in possession abilities. For Riley, a camp, ran by aberrations, hides, trains, and keeps them safe. But the world wants their powers. To meld them into a force no army could defeat. Riley, and those like him, now walk the world scared, angry and afraid. Which is not the combo you want with unlimited powers. Can Riley learn to control his gift before outside forces find him? Or before inside sources give away more than just him, but the whole camp.

### **The Amalgam** Profile Books

This “clever opener likely to leave readers breathless both with laughter and anticipation” (Kirkus Reviews, starred review) is the first in the New York Times bestselling series from the author of the Half Upon a Time trilogy. Life is boring when you live in the real world, instead of starring in your own book series. Owen knows that better than anyone, what with the real world’s homework and chores. But everything changes the day Owen sees the

impossible happen—his classmate Bethany climb out of a book in the library. It turns out Bethany’s half-fictional and has been searching every book she can find for her missing father, a fictional character. Bethany can’t let anyone else learn her secret, so Owen makes her a deal: All she has to do is take him into a book in Owen’s favorite Kiel Gnomesfoot series, and he’ll never say a word. Besides, visiting the book might help Bethany find her father... Or it might just destroy the Kiel Gnomesfoot series, reveal Bethany’s secret to the entire world, and force Owen to live out Kiel Gnomesfoot’s final (very final) adventure. Dark Storm Fire & Ice Young Adult Books Colt Jackson She may have gotten away once before, but I’ll never let her out of my sight again. I’m going back to my shithole hometown to reclaim what I lost, to take that sweet innocent redhead and finally do everything I wanted to do to her ten years ago. Losing is part of the game...but so is fighting to the death for what you want. Riley Weston ‘The Quarterback and the Cocktail Waitress’...I can see the headlines now. But here

he is in front of me, in all his beautiful 6' 5" tall muscular glory...My legs start to tremble beneath me as I lock eyes with him. A warm rush of need spreads through my body, and it hits me all at once that this is happening. This is really happening... I'm about to strip down to the lacy bra and panties I bought especially for this occasion, go back out there, and give myself to the man who first taught me what pleasure was. A man I've wanted for years, but never dreamed of having again. A man whose cut body and godlike face have graced my most guarded fantasies more times than I'm willing to admit. A man who is many things... but certainly not my husband. I meet my own wild-eyed gaze in the mirror, barely recognizing myself. This is not the woman I've spent the better part of a decade trying to be. For years, I've done my best to be the perfect daughter, girlfriend, and finally, wife. I made a vow to be faithful to my husband, in good times and bad... no matter what sexy specters from my past happen to reappear. Don't I owe it to my husband-- and to myself--to keep those sacred promises?!

would never have dreamed of sleeping around behind my husband's back. But if he really didn't want me to be with other men, he wouldn't have made the callous offering of my body in the first place. He dashed our vows to pieces the moment he gave the man in the next room carte blanche to have his way with me--I'm just making good on his offer. After all, it's not really cheating if your husband gives you permission, now is it? Quarterback Cuck is a Second Chance Sports Romance - Full Length - No Cliff

### **She's Like The Wind**

Penguin

Get the truth behind Taylor Swift's hit songs! Learn all about Taylor's life and what inspires her to make such amazing music. This 32-page book is packed with tons of pictures of Taylor and lots of fun facts every Taylor fan should know!

[Her Song](#) Penguin

While the country struggles through the Civil War, sixteen-year-old Emma Truckey struggles through her own battles of self-doubt while living along the shores of Lake Superior in the Upper Peninsula of Michigan. When her father leaves to fight for the Union,

Emma's mother takes over his job as keeper of the Marquette Lighthouse and relies on Emma to assist with the keeper duties. In between her chores and the adventures with her friend, Bobby, Emma somehow finds herself mixed up in a wartime spy ring that will ultimately test her confidence and endanger her life. --Based on a true story--

*Minesweeper (Special Forces, Book 2)*

HarperCollins

It's Tessa and Weston's first Christmas together, and Tessa is determined to make it the best holiday ever. But when her estranged mother shows up with a suitcase and plans to stay for two weeks, Tessa's hopes are shattered. Bitter from the past and still holding a grudge, Tessa is in no mood to give her mother a second chance. The holiday season may be a time of reconciliation with family, but Tessa believes her mother will never change. Why get close when she's just going to leave again? Tessa realizes there is only one way to save this Christmas: avoid her mother as much as possible. With the best intentions in mind, Tessa chooses to not tell her

mother about Weston's disability. But when they meet face-to-face, Tessa is mortified and ashamed by her mother's insensitive remarks.

Weston begins to think he is the real cause of Tessa's shame. His old demons resurrect to haunt him with doubts: What if, one day, Tessa stops loving him because of his disability?

Determined to prove his love for her, Weston makes it his mission to be the best boyfriend ever and works to reunite Tessa with her mother. Meanwhile, Tessa plots elaborate ways to avoid "mother-daughter time" at all costs. One scheme leads to another, until Tessa finds herself tangled in a web of deceit - and, worst of all, lying to Weston. When the secrets between them force Tessa and Weston to face their greatest fears, they must confront the inescapable question: Is true love worth the risk of heartbreak? Is it ever too late to forgive and start over? The Best Christmas Ever is a heartwarming holiday follow-up to 100 Days of Sunlight by Abbie Emmons. You'll love this touching story of forgiveness, family, and first love.

**I Wish You Happiness**

Publishamerica Incorporated  
 In this exciting and atmospheric second entry of this Cold Case Investigation mystery series Detective Lauren Riley is determined to bring the attacker that left her for dead to justice . . . even if it is a fellow police officer. Cold Case Detectives Lauren Riley and her partner Shane Reese are helping the Homicide Squad after a murder earlier in the day left the department short-staffed. As their shift ends, Reese leaves Lauren alone only for her to be savagely beaten and stabbed from behind minutes later. Lauren didn't see her attacker, but knows it was a fellow police officer from the city-issued boots she glimpsed as she passed out. Stolen during the attack is the Murder Book, which contains evidence on all active cold cases. Without the book, old homicides became almost impossible to track down. Who in police headquarters would try to kill a fellow officer? Why'd they suddenly want the Murder Book? Although hurt and on enforced leave, nothing will stop Lauren from seeking answers . . . but who on the force can she trust

and how safe is she within her own home?

The Murder Book Yearling Books

Mickey Rooney Was Right is D.W. Paones autobiography with the emphasis on his quest to achieve success as both a writer and assistant cameraman in the entertainment industry. However, no matter how hard he tried, and he tried very hard, long-term success in both these aspects of the industry continued to elude him. While he had the opportunity to work on Law & Order and a handful of other high-profile jobs, and even sold a joke to Jay Leno, his career was a roller coaster ride of highs and lows in a fickle industry with no rhyme or reason. This book is for anyone who has attempted, or even considered a career in the entertainment industry, or followed a dream even when logic and those around him said to stop.

*Third Edition* Sierra Simone

Not all alpha males are assholes. But the guy that messed up Tiffany's self-image sure as hell was. This beautiful, curvy woman has held my imagination captive since the day she started

working with me. She has no idea how gorgeous, powerful, and intelligent she is. But that ruse is up. I'm going to tell her. Show her. Press that truth upon her until she sees herself like I do. I haven't been with a woman since losing my wife around the holidays, but it's time to give love a second chance. My son and I are ready to have a family again. Now I just need to convince her to take a chance on me. It'll be the best decision of her life. I'll make sure of it. Every good girl deserves a bad boy. ~ Weston

*Confessions of a Whale Scavenger* Simon and Schuster

Starred reviews from Publishers Weekly and Booklist \* YALSA Top Ten Quick Pick for Reluctant Readers \* ALA Best Fiction for Young Adults List \* 2017 Rainbow A sharply honest and moving debut perfect for fans of *The Perks of Being a Wallflower* and *Ask the Passengers*. Riley Cavanaugh is many things: Punk rock. Snarky. Rebellious. And gender fluid. Some days Riley identifies as a boy, and others as a girl. But Riley isn't exactly out yet. And between starting a new school and having a congressman father

running for reelection in über-conservative Orange County, the pressure—media and otherwise—is building up in Riley's life. On the advice of a therapist, Riley starts an anonymous blog to vent those pent-up feelings and tell the truth of what it's really like to be a gender fluid teenager. But just as Riley's starting to settle in at school—even developing feelings for a mysterious outcast—the blog goes viral, and an unnamed commenter discovers Riley's real identity, threatening exposure. And Riley must make a choice: walk away from what the blog has created—a lifeline, new friends, a cause to believe in—or stand up, come out, and risk everything. From debut author Jeff Garvin comes a powerful and uplifting portrait of a modern teen struggling with high school, relationships, and what it means to be a person.

### **Masters of Disaster**

Simon and Schuster  
THE #1 INTERNATIONAL KINDLE BESTSELLER A paranoid single mom is forced to confront the unthinkable act she committed as a desperate teenager in this addictive thriller with a social media twist. Maria Weston wants

to be friends. But Maria Weston is dead. Isn't she? 1989. When Louise first notices the new girl who has mysteriously transferred late into their senior year, Maria seems to be everything the girls Louise hangs out with aren't. Authentic. Funny. Brash. Within just a few days, Maria and Louise are on their way to becoming fast friends. 2016. Louise receives a heart-stopping email: Maria Weston wants to be friends on Facebook. Long-buried memories quickly rise to the surface: those first days of their budding friendship; cruel decisions made and dark secrets kept; the night that would change all their lives forever. Louise has always known that if the truth ever came out, she could stand to lose everything. Her job. Her son. Her freedom. Maria's sudden reappearance threatens it all, and forces Louise to reconnect with everyone she'd severed ties with to escape the past. But as she tries to piece together exactly what happened that night, Louise discovers there's more to the story than she ever knew. To keep her secret, Louise must first uncover the whole truth, before what's known to Maria--or

whoever's pretending to be her--is known to all.

**Pick the Plot** Scholastic Inc.

Rule Number One: Never let anyone get too close...Weston Wyndham has more money on his tattooed wrist than I'll ever have in my bank account. Drunk, he was gorgeous, wicked, sexy, an inked god. Sober, he is the most arrogant man ever. If he thinks I'm going to let him order me around like one of his servants, he's wrong. If he wants me to date him after all this, he's out of his mind. I don't care how rich he is, or that he drives a Ferrari and a fancy truck. Those walls I put up are there for a reason ... and they were built to last. But he's relentless, and hot, and it turns out he likes his girls a little fiery. Giving in doesn't have to mean disaster—unless I break my number one rule. Special O'Malley is a handful. With a name like that, she ought to be. Sassy as hell, bossing me around, but damn if I don't deserve it. I'm used to getting my way, dealing with difficult people, only she's not buying any of it. Usually my money attracts women. Not Special. She doesn't give a damn about it ... or me. There's

more than one stubborn player in this game. I have a few tricks up my sleeve and I'm not planning on giving up any time soon ... at least not until I'm between her thighs, making her moan. And those concrete walls she has ... I have news for her. Concrete crumbles if you strike at the right place.

**Mouse Mess** Scholastic Canada  
 Before I Go  
[The Creators of Superman](#)  
 Severn House Publishers Ltd  
 A hungry mouse leaves a huge mess when it goes in search of a snack.  
 Simon and Schuster  
 'Wild and wonderful ... I doubt anyone will ever

match Strandings for its sheer bravura, its wry insight, and its absolute, engulfing, and brilliantly enlivening whaleheadedness' PHILIP HOARE, ALBERT AND THE WHALE 'Addictive and scandalously fascinating' Caught by the River When Peter Riley was thirteen, a woman with blue hair and a comet tattoo asked him to help load the jaw of a sperm whale into the back of a Volvo 245. The encounter set Riley on a decades-long quest to make sense of what had happened. Enter the secretive world of whale scavengers. When a whale washes up on one of Britain's coasts, a fugitive community

descends to claim trophies from the carcass. Some are driven by magical beliefs. Some are motivated by profit: there is a black market for everything from ambergris to whaletooth sex toys. But for others, the need goes much deeper. Join Riley on a tour of a stranded kingdom's weird outer reaches, where nothing is as it seems. Meet witches, pedlars, fetishists, conspiracy theorists and fallen aristocrats. And prepare for a final revelation, as the mystery of the comet woman tangles with the enigmatic symbol of Leviathan itself, beached on Britain's fatal shore.
