 McGraw Hill Professional
 The Way of The Linguist, A language learning odyssey. It is now a cliché that the world is a smaller place. We think nothing of jumping on a plane to travel to

another country or continent. The most exotic locations are now destinations for mass tourism. Small business people are dealing across frontiers and language barriers like never before. The Internet brings different languages and cultures to our finger-tips. English, the hybrid language of an island at the western extremity of Europe seems to have an unrivalled position as an

international medium of communication. But historically periods of cultural and economic domination have never lasted forever. Do we not lose something by relying on the wide spread use of English rather than discovering other languages and cultures? As citizens of this shrunken world, would we not be better off if we were able to speak a few languages other than our own? The answer is

obviously yes. Certainly Steve Kaufmann thinks so, and in his busy life as a diplomat and businessman he managed to learn to speak nine languages fluently and observe first hand some of the dominant cultures of Europe and Asia. Why do not more people do the same? In his book *The Way of The Linguist, A language learning odyssey*, Steve offers some answers.

Steve feels anyone can learn a language if they want to. He points out some of the obstacles that hold people back. Drawing on his adventures in Europe and Asia, as a student and businessman, he describes the rewards that come from knowing languages. He relates his evolution as a language learner, abroad and back in his native Canada and explains the kind of attitude that will enable

others to achieve second language fluency. Many people have taken on the challenge of language learning but have been frustrated by their lack of success. This book offers detailed advice on the kind of study practices that will achieve language breakthroughs . Steve has developed a language learning system available online at: www.thelingui.com.

Complete French

Collins The Complete French Pronunciation Course includes: - The

Complete Pronunciation Course' book - 55 videos: available for free on YouTube - 105 recordings for listening practice (After purchase, simply send us an email with the proof of purchase and we will give you access to the recordings) This French pronunciation course goes over everything you need to know to understand how French pronunciation works and be able to speak French with

confidence. What you will learn in the 55 lessons: - The alphabet, the accents and how to spell - What not to pronounce in French- When to link words in French- The nasal vowels - The vowels - The consonants - Unusual pronunciation in French - Put everything into practice with 3 French Reading Practices Pronunciation is closely linked with your ability to hear the sound. If you can't hear the sound, you

can't pronounce it. The 105 recordings are made to focus on specific sounds alone and in words. Listening to them often will help you with your pronunciation and you will also be able to understand spoken French better. Everything you need to take your French to the next level! Read & Think French, Premium Second Edition BBC You're no idiot, of course. You appreciate

wine and brie, can pronounce "croissant," and know that "bonjour" means hello. But when it comes to actually learning the language, you feel stranded on the Eiffel Tower with no way down. Don't strap on your parachute just yet! The Complete Idiot's Guide to Learning French, Second Edition makes mastering French fun and entertaining-- instead of bogging you

down with verb tenses and vocabulary lists. You'll feel confident about "parlaying" your new proficiency into conversations with native speakers. In this Complete Idiot's Guide, you get: *French Grammar For Beginners* Penguin This is the ideal French course for absolute beginners - designed for adults learning at home or in a class. Talk French

provides you with a clear, simple and successful way of learning French. Featuring introductions, ordering and talking about food and drink, finding your way around, buying things, finding somewhere to stay and getting around, it gives you the best possible grounding in the basics of French. Whether you're

learning for work, for a first qualification or just for fun, Talk French is the simplest way to start speaking the language in no time!

Learn French for Beginners
