Untamed St. Martin's Griffin

In thriller master Lee Child's exclusive eBook short story, Jack Reacher must track down a spy in soldier's clothing—by matching wits with four formidable females. Three are clean—but the fourth may prove fatal. Includes a thrilling preview of Lee Child's hotly anticipated Jack Reacher novel, *A Wanted Man!* Summoned by Military Intelligence to Washington, D.C., Reacher is sent undercover. The assignment that awaits him: The army is meeting with its Capitol Hill paymasters for classified talks on a new, state-of-the-art sniper rifle for U.S. forces. But vital details about the weapon are leaking—straight from the Capitol and probably into the hands of unidentified foreign arms dealers. The prospect of any and every terrorist, mercenary, or dictator's militia getting their hands on the latest superior firepower is unthinkable. That's where Reacher comes in. His task: infiltrate the top-secret proceedings and smoke out the mole. His target: a quartet of high-powered Army political liaison officers—all of them fast-track women on their way to the top. According to his bosses, it's a zero-danger mission. No need to draw a gun . . . just chat over drinks. But Reacher knows that things are rarely what they seem. And he's learned the hard way never to underestimate an opponent. Or four. Lessons that will come in handy when he starts digging for the truth—and gets his hands a lot dirtier than he expected. "Child is a superb craftsman of suspense."—*Entertainment Weekly*

"The truth about Reacher gets better and better."—Janet Maslin, *The New York Times*

"Latest edition of a highly-recommended guidebook to this fascinating corner of Mexico, a region which the authors describe as 'a big hitch-hiking thumb.' Their interest and hard work has paid off in both editions. The book is loaded with hotel and transportation info, great maps and interesting art work. Eco travelers will love this guidebook. The author provides full details on kayaking, hiking, rappelling, and camping in the region. She also features more out-of-the-way attractions such as natural cenotes, ancient ruins and colonial towns. Of special note - this is the first guidebook to feature a section on colonial era hacienda hotels, including both luxurious hotels and working haciendas where readers can experience authentic Yucatecan living in fine accommodations that are also economically priced. Indigenous artists in Maya villages are also profiled." - Planeta.com Journal "Comparing your book to Lonely Planet's - your book won hands down on every level. It was AWESOME!" - Erika Holm "Profiles 49 Maya destinations, excellent trip planning hints, detailed maps and advice from health precautions to getting around." - Anton Newspapers "Your Yucatan guide is great.....Keep up the good work." - Bill Bell "I am the author of the thriller/adventure 'A Tourist in the Yucatan,' and I recently reviewed Adventures Guide to the Yucatan. In my opinion, this is a 'must have' book for the adventure minded traveler! The authors has done an excellent job in putting together the ultimate adventure guide book to the Yucatan. For many travelers, a trip to the Yucatan means mostly sitting on the beach soaking in the sun. Available activities are diverse from scuba diving on tropical reefs or into cenotes or caves to kayaking, camping, or just getting off the beaten track and meeting the 'REAL PEOPLE.' This book does a great job of outlining all the possibilities available in a straight forward and easy to read style." - James Brunfeld. --Provided by publisher.
