Ladybird is one of
Ladybird's best-selling
series. For over thirty-
five years it has helped
young children who are
learning to read

develop and improve their reading skills. Each Read it yourself book is very carefully written to include many key, high-frequency words that are vital for learning to read, as well as a limited number of story words that are introduced and practised throughout. Simple sentences and frequently repeated words help to build the confidence of beginner readers and the four different levels of books support children all the way from very first reading practice through to independent, fluent reading. Each book has been carefully checked by educational consultants and can be read independently at home or used in a guided reading session at school. Further

content includes comprehension puzzles, helpful notes for parents, carers and teachers, and book band information for use in schools. Sly Fox and Red Hen is a Level 2 Read it yourself title, ideal for children who have received some initial reading instruction and can read short, simple sentences with help. *The Sly Fox and the Chicks* Advance Pub Westchester, New York, 1976 -- Cocaine abuse is rampant, the county courthouse is a boys' club, and men are still legally permitted to beat their wives. Enter Dani Fox, the feisty, ambitious twenty-five-year-old assistant district attorney tired of feeling like an outsider and hungry to bring abusers to justice. Dani

confronts emotionally challenging crime scenes and uncooperative colleagues, facing threats to her safety--and even the safety of her pet pig, Wilbur--in order to protect society's silent victims. Spearheading the country's first domestic violence unit in a shifting legal landscape, Dani must find allies where she can, especially when she discovers a seemingly simple case has some shocking twists. But who can she trust, and which of her colleagues will she end up battling both in and out of the courtroom? Drawing from her own past as a dynamic, hard-charging former district attorney, Emmy-winning Judge Jeanine Pirro's debut page-turner is ripped

from the headlines, full of gripping details, authentic thrills, and suspenseful realism that can only come from a courtroom litigator who's been in the trenches.
