Klett Sprachen  
Jessie lives  
with her  
family in the

frontier village  
of Clifton,  
Indiana, in  
1840...or so  
she believes.  
When  
diphtheria  
strikes the  
village and the  
children of  
Clifton start  
dying, Jessie's  
mother  
reveals a  
shocking  
secret -- it's  
actually 1996,  
and they are  
living in a  
reconstructed  
village that  
serves as a  
tourist site. In  
the world  
outside,  
medicine  
exists that can  
cure the dread  
disease, and  
Jessie's  
mother is  
sending her

on a  
dangerous  
mission to  
bring back  
help. But  
beyond the  
walls of  
Clifton, Jessie  
discovers a  
world even  
more alien  
and  
threatening  
than she could  
have  
imagined, and  
soon she finds  
her own life in  
jeopardy. Can  
she get help  
before the  
children of  
Clifton, and  
Jessie herself,  
run out of  
time?  
**5-Minute

Stories  
Strike Back**  
Penguin  
An

unscheduled  
aeroplane  
arrives on the  
tarmac at a  
small  
Midwestern  
airport. All  
attempts to  
reach those  
onboard fail.  
Only when an  
official boards  
the plane is  
the reason for  
this clear...it is  
full of babies.  
The mystery  
of this flight  
remains for  
over a  
decade. Until  
Jonah,  
Katherine and  
Chip start to  
question their  
roots. Shortly  
after this the  
letters begin:  
You are one of  
the missing ;  
Beware! They  
are coming

back to get  
you.

presidents

and deans of

admission have opened their doors—and their coffers—to support a more diverse student body. But is it enough just to admit these students? In this bracing exposé, Anthony Jack shows that many students' struggles continue long after they've settled in their dorms. Admission, they quickly learn, is not the same as acceptance. This powerfully argued book

documents how university policies and campus culture can exacerbate preexisting inequalities and reveals why some students are harder hit than others. Among the Brave Simon and Schuster In a future where the law limits a family to only two children, third-born Luke has been in hiding for twelve years, until another "third" convinces him that the government is wrong and he then enters

boarding school under an assumed name. Among the Hidden; Among the Impostors; Among the Betrayed; Among the Barons; Among the Brave; Among the Enemy; Among the Free Harvard University Press In a future where the Population Police enforce the law limiting a family to only two children, Luke, an illegal third child, has lived all his twelve years

in isolation and fear on his family's farm in this start to the Shadow Children series from Margaret Peterson Haddix. Luke has never been to school. He's never had a birthday party, or gone to a friend's house for an overnight. In fact, Luke has never had a friend. Luke is one of the shadow children, a third child forbidden by the Population Police. He's lived his entire life in hiding,

and now, with a new housing development replacing the woods next to his family's farm, he is no longer even allowed to go outside. Then, one day Luke sees a girl's face in the window of a house where he knows two other children already live. Finally, he's met a shadow child like himself. Jen is willing to risk everything to come out of the shadows—does Luke dare to become involved in her dangerous plan? Can he

afford not to?

### **Trouble in Zombie-town**

Simon & Schuster Books for Young Readers  
Unending war leads to the discovery of uneasy truths when two teens question the status quo in this riveting thriller. For as long as Tessa can remember, her country has been at war. When local golden boy Gideon Thrall is awarded a medal for courage, it's a rare bright spot for everyone in

Tessa's town—until Gideon refuses the award, claims he was a coward, and runs away. Tessa is bewildered, and she can't help but follow Gideon to find out the truth. But Tessa is in for more than she bargained for. Before she knows it, she has stowed away on a rogue airplane and is headed for enemy territory. But all that pales when she discovers a shocking truth that rocks the foundation of everything

she's ever believed—a truth that will change the world. Is Tessa strong enough to bring it into the light? Among the Enemy Simon and Schuster Danger continues to loom over Luke now that he's out of hiding in the second book in bestselling author Margaret Peterson Haddix's Shadow Children series. Luke Garner is an illegal third child. All his life has been spent in hiding. Now,

for the first time, Luke is living among others. He has assumed a deceased boy's identity and is attending Hendricks School for Boys, a windowless building with cruel classmates and oblivious teachers. Luke knows he has to blend in, but he lives in constant fear that his behavior will betray him. Then one day Luke discovers a door to the outside. He knows that beyond the walls of

Hendricks lie the secrets he is desperate to uncover. What he doesn't know is whom he can trust -- and where the answers to his questions may lead him...

HIDE OR FIGHT?

Matthias, an illegal third child, is caught in the cross fire between rebels and the Population Police. When he unwittingly saves a Population Police officer, Matthias is

brought to Population Police headquarters to train as an officer himself. There he meets Nina, another third-born who enlists his help in a plot to undermine the Population Police. But Matthias is under constant scrutiny, and he has no idea whom he can trust. What can one boy do against a wicked bureaucracy? Amongst the Barons Simon and Schuster  
Shadow Children series.

*Full Ride*  
HarperCollins  
Placing sexual culture at the center of power relations in Revolutionary-era Philadelphia, Clare A. Lyons uncovers a world where runaway wives challenged their husbands' patriarchal rights and where serial and casual sexual relationships were commonplace. By reading popular representations of sex against actual behavior,

Lyons reveals the clash of meanings given to sex and illuminates struggles to recast sexuality in order to eliminate its subversive potential. Sexuality became the vehicle for exploring currents of liberty, freedom, and individualism in the politics of everyday life among groups of early Americans typically excluded from formal systems of governance--

women, African Americans, and poor classes of whites. Lyons shows that men and women created a vibrant urban pleasure culture, including the eroticization of print culture, as eighteenth-century readers became fascinated with stories of bastardy, prostitution, seduction, and adultery. In the post-Revolutionary reaction, white middle-class men

asserted their authority, Lyons argues, by creating a gender system that simultaneously allowed them the liberty of their passions, constrained middle-class women with virtue, and projected licentiousness onto lower-class whites and African Americans. Lyons's analysis shows how class and racial divisions fostered new constructions of sexuality that served as a foundation for gender.

This gendering of sexuality in the new nation was integral to reconstituting social hierarchies and subordinating women and African Americans in the wake of the Revolution. Palace of Mirrors Simon & Schuster Books for Young Readers In her new masterpiece, the author of the bestselling phenomenon *Quiet* reveals the power of a bittersweet outlook on life,

and why we've been so blind to its value. "Bittersweet grabs you by the heart and doesn't let go."—BRENÉ BROWN, author of *Atlas of the Heart* "Susan Cain has described and validated my existence once again!"—GLEN NON DOYLE, author of *Untamed* "A sparkling ode to the beauty of the human condition."—A DAM GRANT, author of *Think Again* ONE OF THE MOST ANTICIPATED BOOKS OF

2022—Oprah Daily, BookPage Bittersweetness is a tendency to states of longing, poignancy, and sorrow; an acute awareness of passing time; and a curiously piercing joy at the beauty of the world. It recognizes that light and dark, birth and death—bitter and sweet—are forever paired. If you've ever wondered why you like sad music . . . If you find comfort or inspiration in a

rainy day . . .  
If you react  
intensely to  
music, art,  
nature, and  
beauty . . .  
Then you  
probably  
identify with  
the bitter-  
sweet state of  
mind. With  
Quiet, Susan  
Cain urged our  
society to  
cultivate  
space for the  
undervalued,  
indispensable  
introverts  
among us,  
thereby  
revealing an  
untapped  
power hidden  
in plain sight.  
Now she em-  
ploys the  
same mix of  
research,  
storytelling,  
and memoir to

explore why  
we experience  
sorrow and  
longing, and  
how  
embracing the  
bittersweetne-  
ss at the heart  
of life is the  
true path to  
creativity, con-  
nection, and  
transcendence  
. Cain shows  
how a  
bittersweet  
state of mind  
is the quiet  
force that  
helps us  
transcend our  
personal and  
collective  
pain. If we  
don't  
acknowledge  
our own  
heartache,  
she says, we  
can end up  
inflicting it on  
others via

abuse,  
domination, or  
neglect. But if  
we realize that  
all humans  
know—or will  
know—loss  
and suffering,  
we can turn  
toward one  
another. At a  
time of  
profound  
discord and  
personal  
anxiety,  
Bittersweet  
brings us  
together in  
deep and  
unexpected  
ways.

**Among the  
Betrayed**

Simon and  
Schuster  
From the  
award-winning  
author of  
Catching the  
Wind, which  
Publishers

Weekly called “unforgettable” and a “must-read,” comes another gripping time-slip novel about hidden treasure, a castle, and ordinary people who resisted evil in their own extraordinary way. The year is 1938, and as Hitler’s troops sweep into Vienna, Austrian Max Dornbach promises to help his Jewish friends hide their most valuable possessions from the Nazis, smuggling them to his

family’s summer estate near the picturesque village of Hallstatt. He enlists the help of Annika Knopf, his childhood friend and the caretaker’s daughter, who is eager to help the man she’s loved her entire life. But when Max also brings Luzia Weiss, a young Jewish woman, to hide at the castle, it complicates Annika’s feelings and puts their entire plan—even their very

lives—in jeopardy. Especially when the Nazis come to scour the estate and find both Luzia and the treasure gone. Eighty years later, Callie Randall is mostly content with her quiet life, running a bookstore with her sister and reaching out into the world through her blog. Then she finds a cryptic list in an old edition of *Bambi* that connects her to Annika’s story . . . and maybe to the long-buried

story of a dear friend. As she digs into the past, Callie must risk venturing outside the safe world she's built for a chance at answers, adventure, and maybe even new love.

**Bittersweet**  
Crown  
Plunge into the past—and change the course of history—with all eight books in the New York Times bestselling The Missing series, now available in a collectible boxed set. Thirteen-year-

old Jonah has always known that he was adopted, and he's never thought it was a big deal. Then he and a neighbor, Chip, who finds out he's also adopted, begin receiving mysterious letters. Jonah, Chip, and Jonah's little sister Katherine are plunged into a mystery that involves the FBI, a vast smuggling operation, an airplane that appeared out of nowhere—and people who seem to

disappear and reappear at will...until they make a staggering discovery: Jonah and Chip, and other kids are actually missing children from throughout history, stolen for profit by time travelers. Now, they are caught in a battle between two opposing forces that want very different things for them—and their choices will determine the course of their own lives, and the lives of their

friends. Ideal for newcomers to the series and loyal fans alike, this collection includes Found, Sent, Sabotaged, Torn, Caught, Risked, Revealed, and Redeemed. Among the Enemy NavPress To be a third child is to be in constant danger. Available for the first time, a boxed set of all seven books in the perennially popular Shadow Children series. Imagine a world where

families are allowed only two children. Illegal third children—shadow children—must live in hiding. If they are discovered, there is only one punishment: Death. For the first time, all seven books in this beloved and bestselling series are available together in an attractive boxed set. Ideal for newcomers to the series and loyal fans alike, this collection includes Among the

Hidden, Among the Impostors, Among the Betrayed, Among the Barons, Among the Brave, Among the Enemy, and Among the Free. How Elite Colleges Are Failing Disadvantaged Students Simon and Schuster When Jonah and Katherine travel to early 1900s Switzerland and Serbia to return Albert Einstein's daughter, Lieserl, to history, her mother Mileva grasps

entirely too much about time travel and has no intention of letting her daughter go. The Privileged Poor Simon and Schuster When thirteen-year-old Luke Garner unwittingly sets off a rebellion which sweeps the country and ousts the Population Police from power, he quickly realizes that the new regime is corrupt and he may hold the only key to true freedom. **Under Their**

**Skin** Simon and Schuster Part coming of age, part call to action, this fast-paced #ownvoices novel about a Deaf teenager is a unique and inspiring exploration of what it means to belong. Smart, artistic, and independent, sixteen year old Piper is tired of trying to conform. Her mom wants her to be “normal,” to pass as hearing, to get a good job. But in a time of food scarcity, environmental collapse, and

political corruption, Piper has other things on her mind—like survival. Piper has always been told that she needs to compensate for her Deafness in a world made for those who can hear. But when she meets Marley, a new world opens up—one where Deafness is something to celebrate, and where resilience means taking action, building a community, and believing

in something better. Published to rave reviews as Future Girl in Australia (Allen & Unwin, Sept. 2020), this empowering, unforgettable story is told through a visual extravaganza of text, paint, collage, and drawings. Set in an ominously prescient near future, *The Words in My Hands* is very much a novel for our turbulent times. *Among the Hidden*;

*Among the Impostors* Simon and Schuster  
 Among the Hidden Simon and Schuster  
**The Mystery of Herobrine: Book One: A Gameknight 999 Adventure: An Unofficial Minecrafters Adventure** Simon & Schuster  
 Books For Young Readers  
 A brand new collection of twelve action-packed retellings that span the entire Star Wars saga- including two

tales from Star Wars: The Last Jedi! These exciting stories can each be read in just five minutes- perfect for galactic adventures at lightspeed! Soar Simon and Schuster  
 This retelling of the beloved fairy tale finds 15-year-old Ella discovering that accepting the Prince's proposal ensnares her in a suffocating tangle of palace rules and royal etiquette.
