Eden Conquered HarperCollins
Jerry Cooper of THE PREDATORS is back to launch his new empire of intimate women's apparel. He now has a son, Les Cooper, a streetwise young lawyer who slowly uncovers the family's mob

involvement, a secret which Jerry has desperately tried to conceal until he finds himself in need of a lawyer. Combining the grit of his early work with the glamour of his later novels, Robbins once again provides readers with a pantheon of street-raised hustlers and anti-heroes who would use their hard-won knowledge to claw their way up the ladder of success.

Circé (pronounced seer-say) is how Joelle Circé Laramée prefers to be addressed regarding her art. She is a queer feminist, an atheist, and a woman of transexual origin. *Breaking Free*, 45 years in the wrong body, is more than a memoir. It is a window to the artist's soul, with many raw and honest stories describing her journey towards womanhood. Circé has written a marvellous memoir, sharing her many life experiences all while in the wrong body for the first forty-five years of her existence. "If my memoir can help alleviate even a small amount of stress and anxiety for someone who is presently going through a similar ordeal, I will have succeeded as a storyteller. My greatest wish is that someone going through the same feelings of dysphoria

will read *Breaking Free*, and not feel so terribly alone."

Seven students trapped in their school after a bomb goes off must fight to survive while also discovering who among them is the bomber in this provocative new thriller from the author of the New York Times bestselling *Testing Trilogy*. Perfect for fans of *This Is Where It Ends*. A congressman's daughter who has to be perfect. A star quarterback with a secret. A guy who's tired of being ignored. A clarinet player who's done trying to fit in. An orphaned rebel who wants to teach someone a lesson. A guy who wants people to see him, not his religion. They couldn't be more different, but before the morning's over, they'll all be trapped in a school

that's been rocked by a bombing. When they hear that someone inside is the bomber, they'll also be looking to one another for answers. Told from multiple perspectives, *Time Bomb* will keep readers guessing about who the bomber could be--and what motivated such drastic action.

Bear's Braid B&H Publishing Group
From the New York Times and #1 internationally bestselling author of *Homecoming*, *The Distant Hours*, *The Forgotten Garden*, and *The House at Riverton* comes a spellbinding novel of family secrets, murder, and enduring love. During a picnic at her family's farm in the English countryside, sixteen-year-old Laurel Nicolson witnesses a shocking crime, a crime that challenges everything she knows about her adored

mother, Dorothy. Now, fifty years later, Laurel and her sisters are meeting at the farm to celebrate Dorothy's ninetieth birthday. Realizing that this is her last chance to discover the truth about that long-ago day, Laurel searches for answers that can only be found in Dorothy's past. Clue by clue, she traces a secret history of three strangers from vastly different worlds thrown together in war-torn London—Dorothy, Vivien, and Jimmy—whose lives are forever after entwined. A gripping story of deception and passion, *The Secret Keeper* will keep you enthralled to the last page.

The female body is a political

space. C+nto enters the private lives of women from the butch counterculture, telling the inside story of the protests they led in the '90s to reclaim their bodies as their own - their difficult balance between survival and self-expression. History, magic, rebellion, party and sermon vibrate through Joelle Taylor's cantos to uncover these underground communities forged by women. Part-memoir and part-conjecture, Taylor explores sexuality and gender in poetry that is lyrical, expansive, imagistic, epic and intimate. C+nto is a love poem, a riot, a late night, and an honouring. minds. Here is poetry that defends our right to walk without fear, wear what we choose, be who we uniquely are." - - Diana Souhami

The Secret of Anadulan Macmillan

Bear and his friend Ben feel like they are living two lives: one, where native traditions--like long hair--are a crucial part of their identities, and the other, where indigenous expressions are mocked and treated with ignorance. When the boys encounter bullying because of the braids they wear, these two worlds collide. Seeking guidance from his beloved grandma, Bear confides his doubts and questions himself and his heritage. Bear's grandma knows about the strength it takes to overcome hardships, and with her help, Bear and Ben develop a plan to strengthen their connection to their roots while also bridging the gap between their schoolmates and their families. Seamlessly blending discussions of modern indigeneity and universal

experiences of bullying and resilience, Bear's Braid is an essential and of-the-moment book that belongs on every bookshelf, and fits in easily with the classics of social justice children's literature.

Time Bomb Author House

One of CrimeReads Most Anticipated Books of the Year! "This literary thriller paints as vivid a landscape as any book coming out this summer...Gee creates a lush, tantalizing world that readers will want to travel into deeper and deeper."—CrimeReads Celia Lily is rich, beautiful, and admired. She's also missing. And the search for the glamorous socialite is about to expose all the dark, dirty secrets of Vanishing Falls... Deep within the lush Tasmanian rainforest is the remote town of

Vanishing Falls, a place with a storied past. The town's showpiece, built in the 1800s, is its Calendar House—currently occupied by Jack Lily, a prominent art collector and landowner; his wife, Celia; and their four daughters. The elaborate, eccentrically designed mansion houses one masterpiece and 52 rooms—and Celia Lily isn't in any of them. She has vanished without a trace.... Joelle Smithton knows that a few folks in Vanishing Falls believe that she's simple-minded. It's true that Joelle's brain works a little differently—a legacy of shocking childhood trauma. But Joelle sees far more than most people realize, and remembers details that others cast away. For instance, she knows that Celia's husband, Jack, has connections to unsavory local characters whom he's

desperate to keep hidden. He's not the only one in town with something to conceal. Even Joelle's own husband, Brian, a butcher, is acting suspiciously. While the police flounder, unable to find Celia, Joelle is gradually parsing the truth from the gossip she hears and from the simple gestures and statements that can unwittingly reveal so much. Just as the water from the falls disappears into the ground, gushing away through subterranean creeks, the secrets in Vanishing Falls are pulsing through the town, about to converge. And when they do, Joelle must summon the courage to reveal what really happened to Celia, even if it means exposing her own past... *The Crying Rocks* Simon and Schuster Secret of Research 2022 In life things are not always as they appear. The

research community views the vast majority of the researchers as honest, giving, devoted scientist, most of whom are. This is a story of two that have no clue as to the meaning of any of these qualities: Honest: If they can get away with it, so what if it takes a little lie? Giving: Sure, as long as they are the recipients. Devoted: By all means to the all mighty dollar. It is hard to comprehend anyone with such wonderful families could be so using, abusing and deceptive as these two Doctors. For years the two have used their positions in the research community to offer help to those with money and wish to start a family and for some reason are unable to conceive. For the right price they will help them, if things go wrong, so what. That's how it is with black market

procedures performed in a research lab, no matter how elegant they have made it. The customer has no-one to turn to if things go wrong. They are so intent upon doing others in, that they have forgotten one very important fact in business: 'Be careful who you trust.' With the government moving in on them they have no clue as to who the true informant is. We can only hope they get what they deserve in the end!

Skating on the Edge HarperCollins
From Newbery Honor author Janet Taylor Lisle comes a lyrical story about one girl's discovery of her startling past—and her search to understand her complicated present. Joelle's height and dark skin set her apart from everyone in Marshfield. It's no secret that she's adopted, but where is she from? Aunt

Mary Louise says she came from Chicago on a freight train, but the story doesn't sit right with Joelle. There's something more. She feels it. Carlos, the quiet boy in Joelle's Spanish class, sees it. When he tells her that she looks like a girl in the town library's old mural of Narragansett Indians, Joelle can't help sneaking a look. She's surprised by a flicker of recognition. And when Carlos tells her about the Crying Rocks, where the ghosts of Narragansett children are said to cry for their lost mothers, Joelle knows she must visit them. When they finally set out through the forest, neither she nor Carlos anticipates the power of the ancient place, or the revelations to be found there—about the pasts they've both buried, and the discovery of a rare kind of courage that runs deep in Joelle's

family.

Frozen Time HarperCollins

No one said adulthood was easy; no one said growing up rich in a poor, Southern town was easy, either. Joseph Thompson is a young, handsome black man--the son of a billionaire, born to privilege. He lives in the affluent neighborhood aptly titled *The Bridge*, sandwiched on one end by housing projects and by a trailer park on the other. Despite his fathers scorn, while in college, he falls for Tonya, a common black woman as his father described her. When Josephs mother is murdered, dating below his class seems to be the least of his worries. He strikes up an unlikely friendship with a beautiful blonde named Karen. Their friendship soon blossoms into something more, and Joseph, Tonya and Karen find themselves

trapped in a vicious love triangle of their own making--a triangle their youth lacks the maturity to handle. Joseph finds himself pulled between the mystery of his mothers death and the possibility of lifelong love with two different women. Tonya must rise above poverty to prove that life is more than loss, while Karen struggles to battle her addictive demons. Can such troubled young people truly love one another? Or will they learn that you cant love someone else without first learning to love and accept yourself?

Secret Identity Quarter Moon Press

It's graduation day for sixteen-year-old Malencia Vale, and the entire Five Lakes Colony (the former Great Lakes) is celebrating. All Cia can think about--hope for--is whether she'll be chosen for *The Testing*, a United Commonwealth

program that selects the best and brightest new graduates to become possible leaders of the slowly revitalizing post-war civilization. When Cia is chosen, her father finally tells her about his own nightmarish half-memories of The Testing. Armed with his dire warnings ("Cia, trust no one"), she bravely heads off to Tosu City, far away from friends and family, perhaps forever. Danger, romance--and sheer terror--await.

Grt Secret Simon and Schuster

In the series debut *The Testing*, sixteen-year-old Cia Vale was chosen by the United Commonwealth government as one of the best and brightest graduates of all the colonies . . . a promising leader in the effort to revitalize postwar civilization. In *Independent Study*, Cia is a freshman at the University in Tosu City

with her hometown sweetheart, Tomas--and though the government has tried to erase her memory of the brutal horrors of *The Testing*, Cia remembers. Her attempts to expose the ugly truth behind the government's murderous programs put her--and her loved ones--in a world of danger. But the future of the Commonwealth depends on her.

"Rebecca is a spunky, independent heroine . . . [She] and the quirky secondary characters will appeal to Evanovich fans." --"Booklist." With Pop cheering her on and aided by a trio of self-appointed bodyguard derby girls, Rebecca digs for answers, dodges bullets, and races to find a killer.

My Secret Minotaur Books

Impoverished Southern belle Joelle Daughtry has a secret. By day she has been helping her sisters in their quest to turn the run-down family plantation into a resort hotel after the close of the Civil War. But by night and under a male pseudonym, she has been penning articles for the local paper in support of

the construction of a Negro school. With the Mississippi arm of the Ku Klux Klan gaining power and prestige, Joelle knows she is playing a dangerous game. When childhood enemy and current investor in the Daughtry house renovation Schuyler Beaumont takes over his assassinated father's candidacy for state office, Joelle finds that in order to protect her family and her home, she and Schuyler will have to put aside their longstanding personal conflict and develop a united public front. The trouble is, what do you do when animosity becomes respect--and even love--if you're already engaged to someone else?

Dividing Eden Houghton Mifflin Harcourt
Popular novelist Gilbert Morris finds fresh romantic, history-based inspiration in Joelle's Secret. This mid-1800s tale

begins with seventeen-year-old Joelle Jones fending off unwelcome advances from her predatory stepfather just after her mother has died. When the man is declared Joelle's legal guardian, she knows he will have his way with her, so in desperation runs away. Pursued by the stepfather who offers a reward for her return, Joelle cuts her long beautiful hair, poses as a young man, and finds work as a stablehand. She meets a spiritually frustrated treasure hunter who—believing Joelle to be a male—invites her to join a wagon train to gold-rich California. But hard living on the trail makes it harder for Joelle to conceal her identity. When her traveling companion learns the truth, matters of faith and friendship become tense until Joelle helps him realize that God can

indeed do all things, and that some things—like true love—are worth even more than gold.

The Forgotten Son Simon and Schuster

“Why am I a punk? Because I wasn’t anything before, except different. And now it’s like I’m different, but with a vengeance.” It’s been months since the suicide of Darby Crash, L.A. punk rock icon and lead singer of the Germs. He checked out on the same day John Lennon was shot: December 8, 1980. But for Rockets Redglare, it feels like yesterday. Darby was the hot-as-sun center of Rockets’s world. Part ringleader, part god, and all charismatic manipulator, Darby was as close to

family as a hustler and street kid like Rockets might ever get. Now, as Rockets amps up for another night looking for tricks and scrounging a meal, Sex Pistols and X lyrics on repeat in his head, he knows he’s come to a turning point—the scene is changing, and nothing’s as easy as it was when Darby brought him into the fold. From the underground clubs to the back of the giant “H” in the Hollywood sign, Rockets and his crew of friends spend the night burning bridges, building new ones, tripping and talking and searching for answers. As the dark gives way to early morning, the punks and the cops engage in their ritual standoff—and Rockets faces the ultimate choice: Should he stay or should he go?
