Overbite is quite a bit shorter than its predecessor, Insatiable, but that volume has a lot of background and scene-setting whereas this sequel sticks to the action-driven plot. Once again, Ms. Cabot has

managed to blend her trademark humor with romance, mystery and paranormal shenanigans to produce a well written novel that's also a whole lot of fun to read. Amazon.com: Customer reviews: Overbite (Insatiable Book 2) Overbite_i_viii_1_278.indd 9 5/13/11 3:42 PM. 10
Meg Cabot "David." She grunted as she tried to wrestle her hands free from his grip. If she could just grab her purse, she'd pull out the sharpened stake she always carried with her, and plunge it

into his heart. Chapter Two - Meg Cabot
 Meg Cabot married financial writer and poet Benjamin D. Egnatz on April 1, 1993. Their wedding date, April Fool's Day, was a deliberate play on her husband's belief that only fools get married in the first place. The wedding was actually an elopement in Italy. Her novel Every Boy's Got One is loosely based on her own elopement.
