The Historical Places of the Holy Land (Amharic Language) - Part One Oxford University Press, USA

From Greer Hendricks and Sarah Pekkanen, the authors of the top ten bestseller *The Wife Between Us* and *An Anonymous Girl*, comes *You Are Not Alone* - a gripping novel about a group of women who appear to have the perfect lives, but all is not what it seems . . . Shay Miller has three strikes against her: no job, no apartment, no love in her life. But when she witnesses a perfectly normal looking young woman about her age make the chilling decision to leap in front of an ongoing subway train, Shay realizes she could end up in the same spiral. She is intrigued by a group of women who seem to have it all together, and they invite her with the promise: "You are not alone." Why not align herself with the glamorous and seductive Moore sisters, Cassandra and Jane? They seem to have beaten back their demons, and made a life on their own terms - a life most people can only ever envy. They are everything Shay aspires to be, and they seem to have the keys to getting exactly what they want. As Shay is pulled deeper and deeper under the spell of the Moore sisters, she finds her life getting better and better. But what price does she have to pay? What do Cassandra and Jane want from her? And what secrets do they, and Shay, have that will come to a deadly confrontation? You are not alone: Is it a promise? Or a threat?

Orphan's Song HarperCollins UK

Contains the articles by Ellen G. White which appeared in the book *A Solemn Appeal* Relative to the Solitary Vice and Abuses and Excesses of the Marriage Relation, published in 1870 by the Steam Press of Battle Creek. Articles include *Appeal to Mothers*, *The Marriage Relation*, *Obedience to the Law of God*, *Female Modesty*, and *Sentimentalism*. About the Author Ellen Gould (Harmon) White, co-founder of the Seventh-day Adventist Church, writer, lecturer, and counselor, and one upon whom Seventh-day Adventists believe the gift of prophecy was bestowed, was born in Gorham, Maine, November 26, 1827, one of eight children of Robert and Eunice Harmon. During her seventy years of active service to the church, she found time to write voluminously. She is credited with having written 100,000 manuscript pages. This remarkable legacy to the church could alone have occupied Ellen White's entire life, had she dedicated her time to little else but writing. However, her service for the church embraces much more than writing. Her diaries tell of her public work, her travels, her personal labor, hostessing, contacts with neighbors, as well as of her being a mother and housewife. God blessed her abundantly in these activities. Her ambitions and concerns, her satisfactions and joys, her sorrows--her whole life--were for the advancement of the cause she loved. Ellen G White is reputed to be the most translated woman author and the most translated author in American history. After a full life dedicated to the service of God and others, she died on July 16, 1915, confidently trusting in Him whom she believed. [Pegasus Bridge](#) Red Sea Press(NJ)

How to defeat stress, worry, and anxiety to achieve more in business and life. From the international bestselling author of *Self-Confidence*. Are You A

Worrier? Do you seem to worry more than most? Do you find that insignificant things stress you out? Do you sweat the small stuff and the big stuff too? Well, now's the time to stop worrying and start living. Worry, stress, anxiety – whichever label you prefer to use – can have consequences that impact not only our lives, but the lives of others around us. When we worry it's like the engine of our mind is constantly being revved up. It doesn't allow us time to switch off and rest. It tires you out. And when you're tired you're less likely to think straight. And when you're not thinking straight it's easy to make stupid mistakes and confuse priorities... But relax. There is a way forward. In *How Not to Worry* Paul McGee shows us that there is a way to tackle life's challenges in a calmer and more considered way. It is possible to use a certain degree of worry and anxiety to spur us on towards positive, constructive action, and then leave the rest behind. With down to earth, real life advice, *How Not to Worry* helps us understand why worrying is such a big deal and the reasons for it, exposing the behavioural traps we fall into when faced with challenges. It then helps us to move on with tools and ideas to deal with our worries in a more constructive way.

Ethiopian Amharic Phrasebook Simon and Schuster

This book contains essential words and phrases for effective communication with local people. There is a helpful punctuation guide and all words are given in relevant script where applicable. Includes phrases for shops and restaurants.

[Peasant Revolution in Ethiopia](#) Red Sea Press(NJ)

The book offers a radically different approach to life and to seeing the world. Short excerpts from Osho are selected to inspire, to provoke, and to trigger a self-reflection that leads to change. It is easy to read but perhaps difficult to digest . . . in essence, it is a meditation book! "The truth that you will find — you will be surprised — is nowhere written, cannot be written. It is impossible to write it. It has never been uttered by anybody and it is not going to be uttered by anybody." You are looking at a bit of magic here. It is as though the vast ocean is contained in a very small volume. Open this book anywhere and you come upon such a depth of wisdom, such utter truth, that even just a sentence can be the start of a new way of looking at life, a new way of living life to the fullest. This is a lovely gift to yourself or to share with a friend. "I teach you to be authentic, integrated individuals with immense self-respect." — Osho

Understanding Contemporary Ethiopia Lamsi Publishing

This engaging and informative historical narrative provides an excellent introduction to the history of Ethiopia from the classical era through the modern age. The acute historical analysis contained in this volume allows readers to critically interrogate shifting global power configurations from the late nineteenth century to the twentieth century, and the related implications in Ethiopia and the Horn of Africa region. Adejumobi identifies a second wave of globalization, beginning in the nineteenth century, which laid the foundation for a highly textured Ethiopian Afromodern twentieth century. The book explores Ethiopia's efforts at charting an independent course in the face of imperialism, World War II, the Cold War and international economic reforms with a focus on the gap between the state's modernization reforms and the citizenry's aspirations of modernity. The book focuses on Ethiopians' efforts to balance challenges related to social, political and economic reforms with a renaissance in the arts, theater, Orthodox Coptic Christianity, Islam and ancient ethnic identities. The History of Ethiopia paints a vivid picture of a dynamic and compelling country and region for students, scholars, and general readers seeking to grasp twenty-first century global relations. The work also provides a timeline of events in Ethiopian history, brief biographies of key figures, and a bibliographic essay.

Words from a Man of No Words Oxford University Press

Ethiopia and Eritrea: Insights into the Peace Nexus is a timely book that comprises contributions from seven scholars of Ethiopian, Eritrean and other nationalities with intimate knowledge of the two nations and the unfolding peace process. Ethiopia and Eritrea share a colorful past, replete with contested and polarized interpretations and perspectives. Observers and pundits often amplify, as is demonstrated in historical accounts and policy orientations, politically sensitized viewpoints readily tailored to reflect leading sentiments of the time. Self-reflection, critical appraisal and sober assessment of developments have been visibly missing, or intentionally misconstrued, in the overall discourse analysis. In the context of the ongoing rapprochement between the two countries, it remains imperative to critically examine previous imperfections, more so with the view to assure the very resilience of the peace process. Now it has become evident that Ethiopia and Eritrea can't afford to squander this opportunity, and doing so comes at even higher cost for both countries and the immediate region.

[Bond Without Blood, a Study of Ethiopian-Caribbean Ties, 1935-1991](#) Рипол Классик

This collection, the first of its kind on Ethiopian literature, provides insights into a body of literature which had been marginalized more than other post-colonial literatures.

[How Not To Worry](#) Anchor Canada

Many young people and their families sacrifice a lot for the sake of pursuing a good education. Some leave their loved ones and dear friends behind to cross boundaries and even oceans, besides footing the bill for college education. But what if, in spite of apparent academic success, and with it improved career prospects, you still wonder where your life is headed? What if your new reality doesn't match your expectations, and instead of mere homesickness, you succumb to loneliness, instead of fulfilling your dreams, you flounder for want of direction and wholeness? ERMIAS is a story about a young African student who comes to Europe in pursuit of a good education, but along the way struggles to determine what differentiates his primary desire from all other desires, including the desire to fall in love with a married woman.

International Journal of Ethiopian Studies Otto Harrassowitz Verlag

A young radical is unwillingly taking his dying nobleman father on a pilgrimage to an Ethiopian shrine by a mountain lake. The journey becomes not only a search for a cure, but also a last attempt to bridge the generation gap in the family. Their relationship is set against the background of the conflict between the ancient Christianity of Ethiopia and the superstition of the people. Deeply symbolic, this novel evokes the rich contrasts of life in present day Ethiopia.

[Structural Engineering](#) CreateSpace

The acclaimed WWII historian's "illuminating account of . . . an operation as strategically important as any fought on D-Day" (The New York Times Book Review). In the early morning hours of June 6, 1944, a small detachment of British airborne troops stormed the German defense forces and paved the way for the Allied invasion of Europe. Pegasus Bridge was the first engagement of D-Day, the turning point of World War II. It was a mission so crucial that, had it been unsuccessful, the entire Normandy invasion might have failed. In *Pegasus Bridge*, Stephen Ambrose draws on original interviews with British, German, and French survivors to present a thrilling, ground-level view of the battle. Ambrose traces each step of the preparations over many months to the minute-by-minute excitement of the hand-to-hand confrontations on the bridge. This is a story of heroism and cowardice, kindness and brutality—the stuff of all great adventures.

WINNER OF THE RSL ONDAATJE PRIZE 2019 AN ECONOMIST BOOK OF THE YEAR A CBC BOOK OF THE YEAR The extraordinary story of an indomitable 95-year-old woman – and of the most extraordinary century in Ethiopia's history. A new Wild Swans

[Numbers in Amharic and English \(Side by Side\)](#) Osho Media International

Almost unnoticed, in the wake of the overthrow of Emperor Haile-Selassie, the coming to power of the military, and the ongoing independence struggle in Eritrea, a band of students launched an insurrection from the northern Ethiopian province of Tigray. Calling themselves the Tigray People's Liberation Front (TPLF), they built close relations with Tigray's poverty-stricken peasants and on this basis liberated the province in 1989, and formed an ethnic-based coalition of opposition forces that assumed state power in 1991. This book chronicles that history and focuses in particular on the relationship of the revolutionaries with Ethiopia's peasants.

The Greatest Story Ever Told--So Far Otto Harrassowitz Verlag

On the occasion of her acceptance of the National Book Foundation Medal for Distinguished Contribution to American Letters on the sixth of November, 1996, Nobel laureate Toni Morrison speaks with brevity and passion to the pleasures, the difficulties, the necessities, of the reading/writing life in our time. "She was our conscience. Our seer. Our truth-teller." —Oprah Winfrey

Sound Unseen Cambridge University Press

Engelsk-amharisk ordbog. De engelske ords betydning forklares ved hjælp af eksempler, hvor de optræder i hele sætninger

Amharic; Basic Course, Units 1-[60]: Units 1-50 Dag Heward-Mills

'Sound Unseen' explores acousmatic sound - a sound that one hears without seeing its cause. Pierre Schaeffer, the inventor of musique concr etc, in his *Trait e des objets musicaux*, first popularized the term 'acousmatic'. After an introduction, the first chapter provides a thorough exegesis of Schaeffer's theory of acousmatics. It also presents three objections to Schaeffer's theories (myth, phantasmagoria, and ontology) around which the book is structured.
