NEAL VALERIE

The Complete Works of

Primo Levi Macmillan
 Winner of the Viareggio
 Prize, a vivid portrait of

Italy on the brink of social upheaval in the 1970s. Inside an apartment building on the outskirts of Milan, the working-class residents gossip, quarrel, and conspire against each other. Viewed through the eyes of Chino, an impressionable thirteen-year-old boy whose mother is the doorwoman of the building, the world contained within these walls is tiny, hypocritical, and mean-spirited: a constant struggle. Chino finds escape in reading. One day, a new resident, Amelia Lynd, moves in and quickly becomes an unlikely companion and a formative influence on Chino. Ms. Lynd—an elderly, erudite British woman—comes to nurture his taste in literature, introduces him to the life of the mind, and offers a counterpoint to the only version of reality that he’s known. On one level, *Lost Words* is an engrossing coming-of-age tale set in the seventies, when Italy was going through tumultuous social changes, and on another, it is a powerful meditation on language, literature, and culture.

“In Levi’s writing, nothing

is superfluous and everything is essential.”
—Saul Bellow
A Penguin Classic
In the final days of World War II, a courageous band of Jewish partisans makes its way from Russia to Italy, moving toward the ultimate goal of Palestine. Based on a true story, *If Not Now, When?* chronicles their adventures as they wage a personal war of revenge against the Nazis: blowing up trains, rescuing the last victims of concentration camps, scoring victories in the face of unspeakable devastation. Primo Levi captures the landscape and the people of Eastern Europe in vivid detail, depicting as well the terrible bleakness of war-ridden Europe. But finally, what he gives us is a tribute to the strength and ingenuity of the human spirit. For more than seventy years, Penguin has been the leading publisher of classic literature in the English-speaking world. With more than 1,800 titles, Penguin Classics represents a global bookshelf of the best works throughout history and across genres and disciplines. Readers trust the series to provide authoritative texts

enhanced by introductions and notes by distinguished scholars and contemporary authors, as well as up-to-date translations by award-winning translators.
Ballantine Books
Saltire Society “History Book of the Year” Award winner. “An absorbing and moving book” on the World War I shipwrecks off of Scotland’s Islay island (*The Scotsman*). The loss of two British ships crammed with American soldiers bound for the trenches of the First World War brought the devastation of war directly to the shores of the Scottish island of Islay. The sinking of the troopship *Tuscania* by a German U-Boat on 5 February 1918 was the first major loss of US troops in the war. Eight months after the people of Islay had buried more than 200 *Tuscania* dead, the armed merchant cruiser *Otranto* collided with another troopship during a terrible storm. Despite a valiant rescue attempt by HMS *Mounsay*, the *Otranto* drifted towards Islay, hit a reef, throwing 600 men into the water. Just 19 survived; the rest were drowned or crushed by the wreckage. Based on

the harrowing personal recollection of survivors and rescuers, newspaper reports and original research, Les Wilson tells the story of these terrible events, painting a vivid picture which also “pays tribute to the astonishing bravery and humanity of islanders, who risked their lives pulling men from the sea, cared for survivors, and buried the dead” (The Herald). “A well-researched account of loss and tragedy.” —Oban Times

The Double Bond Simon and Schuster

She is bound to serve. He is meant to kill. Survival is their prison. Choice is their weapon. As the sacred slave of a goddess, Roma is of a lower caste that serves patrons to sustain the balance between gods and men. What she wants is her freedom, but deserters are hunted and hanged, and Roma only knows how to survive in her village where women are vessels without a voice. When her younger brother is condemned to the same wretched fate as hers, Roma must choose between silence and rebellion. Leviathan is the bastard son of an immortal tyrant. Raised in a military city where everyone knows of his

blood relation to the persecuted clans, Leviathan is considered casteless. Lowest of the low. Graduating as one of the deadliest soldiers, he executes in his father's name, displaying his worth. When he faces judgement from his mother's people-the clans-Leviathan must confront his demons and forge his own path, if he ever hopes to reclaim his soul. But in the struggle to protect the people they love and rebuild their identities, Roma's and Leviathan's destinies interlock as the tyrant hunts an ancient treasure that will doom humankind should it come into his possession-a living treasure to which Roma and Leviathan are the ultimate key. Set in a colonised Indo-Persian world and inspired by Pre-Islamic Arabian mythology, *The Descent of the Drowned* is a tale about power, identity, and redemption, and what it takes to hold on to one's humanity in the face of devastation. TW: Physical and emotional abuse, mention of rape and sodomisation, sexual assault, suicide, bigotry, drug abuse, and human trafficking.

This collection represents some of the latest research on Primo Levi, the famous Auschwitz survivor Italian author, in the field of Italian Studies, Holocaust Studies, Jewish Studies, literary theory, philosophy, and ethics. The author has collected an impressive group of scholars, including Ian Thomson, who has published a well-received biography of Levi in the UK (a US edition is due this year); Alexander Stille, who is a staff writer got the *New Yorker* as well as for the *New York Times* (he is also the author of *Benevolence and Betrayal: Five Italian Jewish Families under Fascism*); and David Mendel, who knew Levi and had an extensive correspondence with the Italian writer. There are four essays on Levi's complex and fertile theory of the 'Gray Zone' and further essays on the myriad aspects of this thought. This is an excellent collection with new perspectives and interpretations of the life and work of Primo Levi.

The Norton Sampler W. W. Norton & Company

This thrilling bestseller and National Book Award Finalist is a gritty, high-stakes adventure of a teenage boy faced with conflicting loyalties, set in a dark future America devastated by the forces of climate change. In America's flooded Gulf Coast region, oil is scarce, but loyalty is scarcer. Grounded oil tankers are being broken down for parts by crews of young people. Nailer, a teenage boy, works the light crew, scavenging for copper wiring just to make quota—and hopefully live to see another day. But when, by luck or by chance, he discovers an exquisite clipper ship beached during a recent hurricane, Nailer faces the most important decision of his life: Strip the ship for all it's worth or rescue its lone survivor, a beautiful and wealthy girl who could lead him to a better life.... In this powerful novel, Hugo and Nebula Award winning author Paolo Bacigalupi delivers a fast-paced adventure set in the vivid and raw, uncertain future of his companion novels *The Drowned Cities* and *Tool of War*. "Suzanne Collins may have put dystopian literature on the YA map with *The Hunger Games*...but Bacigalupi is

one of the genre's masters, employing inventively terrifying details in equally imaginative story lines." -- Los Angeles Times A New York Times Bestseller A Michael L. Printz Award Winner A National Book Award Finalist A VOYA 2010 Top Shelf Fiction for Middle School Readers Book A Rolling Stone 40 Best YA Novels Book **Auschwitz Report** John Wiley & Sons This searing memoir of the author's concentration camp experience "is the autobiography of an extraordinarily acute conscience" (*Newsweek*). "Whoever has succumbed to torture can no longer feel at home in the world." At the Mind's Limits is the story of one man's incredible struggle to understand the reality of horror. In five autobiographical essays, Amery describes his survival—mental, moral, and physical—through the enormity of the Holocaust. Above all, this masterful record of introspection tells of a young Viennese intellectual's fervent vision of human nature and the betrayal of that vision. "These are pages that one reads with almost physical pain . . . all the way to its stoic conclusion." —Primo Levi

"The testimony of a profoundly serious man. . . . In its every turn and crease, it bears the marks of the true." —Irving Howe, *The New Republic* *a global mapping of textbooks and curricula* Verso Books Explore the wondrous sea and the oddities of human nature in this international bestselling, thrilling epic novel of a Danish port town. Hailed in Europe as an instant classic, *We, the Drowned* is the story of the port town of Marstal, Denmark, whose inhabitants sailed the world from the mid-nineteenth century to the end of the Second World War. The novel tells of ships wrecked and blown up in wars, of places of terror and violence that continue to lure each generation; there are cannibals here, shrunken heads, prophetic dreams, and miraculous survivals. The result is a brilliant seafaring novel, a gripping saga encompassing industrial growth, the years of expansion and exploration, the crucible of the first half of the twentieth century, and most of all, the sea. Called "one of the most exciting authors in Nordic literature" by Henning Mankell, Carsten Jensen

has worked as a literary critic and a journalist, reporting from China, Cambodia, Latin America, the Pacific Islands, and Afghanistan. He lives in Copenhagen and Marstal. "We, the Drowned sets sail beyond the narrow channels of the seafaring genre and approaches Tolstoy in its evocation of war's confusion, its power to stun victors and vanquished alike...A gorgeous, unsparing novel."—Washington Post "A generational saga, a swashbuckling sailor's tale, and the account of a small town coming into modernity—both Melville and Steinbeck might have been pleased to read it."—New Republic "Dozens of stories coalesce into an odyssey taut with action and drama and suffused with enough heart to satisfy readers who want more than the breakneck thrills of ships battling the elements."—Publishers Weekly (starred) The Cambridge Companion to Primo Levi Simon and Schuster Examines the holocaust from a German perspective, providing and analyzing the facts and political decisions which led to the murder of millions of Jews and other ethnic groups during the

Deftly written and emotionally powerful, Drowning Ruth is a stunning portrait of the ties that bind sisters together and the forces that tear them apart, of the dangers of keeping secrets and the explosive repercussions when they are exposed. A mesmerizing and achingly beautiful debut. Winter, 1919. Amanda Starkey spends her days nursing soldiers wounded in the Great War. Finding herself suddenly overwhelmed, she flees Milwaukee and retreats to her family's farm on Nagawaukee Lake, seeking comfort with her younger sister, Mathilda, and three-year-old niece, Ruth. But very soon, Amanda comes to see that her old home is no refuge--she has carried her troubles with her. On one terrible night almost a year later, Amanda loses nearly everything that is dearest to her when her sister mysteriously disappears and is later found drowned beneath the ice that covers the lake. When Mathilda's

husband comes home from the war, wounded and troubled himself, he finds that Amanda has taken charge of Ruth and the farm, assuming her responsibility with a frightening intensity. Wry and guarded, Amanda tells the story of her family in careful doses, as anxious to hide from herself as from us the secrets of her own past and of that night. Ruth, haunted by her own memory of that fateful night, grows up under the watchful eye of her prickly and possessive aunt and gradually becomes aware of the odd events of her childhood. As she tells her own story with increasing clarity, she reveals the mounting toll that her aunt's secrets exact from her family and everyone around her, until the heartrending truth is uncovered. Guiding us through the lives of the Starkey women, Christina Schwarz's first novel shows her compassion and a unique understanding of the American landscape and the people who live on it. A Liberated Prisoner's Long March Home Through East Europe Simon and Schuster
In this collection of essays based on his time as a Jewish prisoner in the Nazi

camps, Primo Levi creates a series of sketches of the people he met who retained their humanity even in the most inhumane circumstances. Having already written two memoirs of his survival at Auschwitz, Levi knew there was still more left untold. Collected in this book are stray vignettes of fifteen individuals Levi met during his imprisonment. Whether it was the young Romani man who smuggled a creased photo of his bride past the camp guards or the starving prisoner who still insisted on fasting on Yom Kippur, the memory of these individuals stayed with Levi for long after. They represent for him “bizarre, marginal moments of reprieve.” Neither simple heroes nor victims, but people who never lost sight of their humanity in the face of unimaginable suffering. Written with the author’s signature humility and intelligence, *Moments of Reprieve* shines with lyricism and insight. Nearly forty years after their publication, Levi’s words remain as beautiful as they are necessary. Along with Elie Wiesel and Hannah Arendt, Primo Levi is remembered as one of the most powerful

and perceptive writers on the Holocaust and the Jewish experience during World War II. This is an essential book both for students and literary readers. Reading Primo Levi is a lesson in the resiliency of the human spirit. *Drowning Ruth* Simon and Schuster
Jonathan is a private detective in a decaying eastern European city. He is drowning in his work, his failing marriage, and the corrupt landscape that surrounds him. One day, he is approached by an elderly couple to investigate the disappearance of their daughter, who has been missing for nearly two decades. Troubled by the faded photograph of a little girl the couple presses on him--she's the same age as his own daughter--he feels compelled to find her. Then one night, as he is contemplating his troubled marriage, he encounters a young woman crouched at the foot of a stone angel on the bridge spanning the river that divides the city, a woman who suddenly jumps into the icy water below. Plunging after her, Jonathan finds himself dragged into her ghostly world of confusion,

coincidence, and intrigue, and the city he thought he knew becomes strange, mysterious, and threatening. Combining the language and imagery of film with those of an extremely gifted writer, Neil Jordan has created a haunting novel that intrigues, delights, and surprises with its precise language, sly humor, imaginative range, and narrative flair.

If This Is a Man/the Truce
Boston : Little, Brown

I hope the reader will be indulgent toward the extreme dispersion of themes, tones, and angles of approach that he will find in this collection. My justification is: the 'pieces' are situated in an arc of time that is close to a quarter of a century, the time of my almost total fidelity to LA STAMPA: and in twenty-five years many things change, inside us and around us.

Furthermore, they are conditioned by my intrinsic libertinage, in part willed, in part due to the itinerant fate has reserved for me; I've drunk at various fountains and breathed different airs, some salutary, others quite polluted . . . I'm a normal man with a good memory who fell into a maelstrom and got out of it more by luck than

by virtue, and who from that time on has preserved a certain curiosity about maelstroms large and small, metaphorical and actual. From Primo Levi's introduction to *The Mirror Maker*, his eloquent, witty and wise collection of short stories and essays. *Drowned Abacus* Soldier boys emerged from the darkness. Guns gleamed dully. Bullet bandoliers and scars draped their bare chests. Ugly brands scored their faces. She knew why these soldier boys had come. She knew what they sought, and she knew, too, that if they found it, her best friend would surely die. In a dark future America where violence, terror, and grief touch everyone, young refugees Mahlia and Mouse have managed to leave behind the war-torn lands of the Drowned Cities by escaping into the jungle outskirts. But when they discover a wounded half-man--a bioengineered war beast named Tool-- who is being hunted by a vengeful band of soldiers, their fragile existence quickly collapses. One is taken prisoner by merciless soldier boys, and the other is faced with an impossible decision: Risk everything

to save a friend, or flee to a place where freedom might finally be possible. This thrilling companion to Paolo Bacigalupi's highly acclaimed *Ship Breaker* is a haunting and powerful story of loyalty, survival, and heart-pounding adventure.
