 The Origins of the Church Choir. The institutions, he argued, were not of his own design, but were mandated by the ancient church in the Scriptures, and Calvin fully intended to reconstruct the worship and the discipline of the ancient

church in the city of Geneva. Because psalm singing was an integral part of ancient worship,...The Origins of the Church Choir – Byfield Parish Church  
 A Brief History Of Choral Music. Though still used in church, choral music in the secular arena had greater license to experiment away from the rigid strictures of the church. Often instruments would double the voices of the choir, but increasingly, choirs were used to enhance instrumentation, and to add another important layer to music.
