Damn Delicious Harlequin

Tempest Call me Robin Hood. I'm a grifter. A con artist. I don't just steal from the rich. I take from the worst of the worst, the people who deserve to be hustled. I have two rules - keep moving and never fall in love. I only ever thought about breaking them for one boy. And that boy just walked right back into my life, a ghost from the past. Silas Saint. Now he's a man. Arrogant and sexy as f**k, he's sure as hell not the person I fell in love with, a lifetime ago. But when he touches me, it's enough to make me forget my own name. He makes me want to break all my rules. Silas I've been fighting as long as I could remember. Sh**, I think I came out of the womb swinging. I even tried to go legit until trouble sent me out of Las Vegas and back to West Bend. I never expected a different kind of trouble to come waltzing back into my life, all curves and tattoos and sass. Tempest Wilde. Any idea what "tempest" means? A violent f**cking windstorm. That's s**t I don't need. I loved her once, a lifetime ago. Before I knew better. Love is for suckers, and I'm sure as hell not a sucker. But the way she looks at me? It makes me want to give her everything I have.

Queen of the Silver Arrow Silhouette

From New York Times & USA Today Bestseller, Vi Keeland, comes a steamy new romance novel. The rules: No dating. No sex outside of the game. No disclosing the terms of the contract. Rules were made to be broken, right? Eight weeks ago I signed a contract. One that seemed like a good idea at the time. A handsome bachelor, luxury accommodations, and a chance to win a prize my family desperately needed. There were some rules though. Lots of them actually. Follow the script, no dating, sex, or disclosing the terms of the deal. After my self-imposed moratorium on men the last year, it wouldn't be hard to live up to my end of the bargain...so I thought. Until I realized the deal I'd made was with the devil...and I was in love with his dirty-talking brother. Author's note - Throb is a full-length standalone novel. Due to strong language and sexual content, this book is not intended for readers under the age of 18.
