Another option can be a sideways move into the project management office (PMO). In the right PMO, this can be an excellent opportunity to gain more exposure to a wider range of projects. If you are a line manager, think about how you can develop your project coordinators and if you are a project coordinator, think about how you are going to make that jump. Making the jump from project coordinator to project manager! It's your job as a good manager or HR person to act as a coach and mentor as well as a leader. Think of your meeting as a constructive conversation that helps both the company and the employee. By helping them see where they're going wrong, you're developing them as a person and allowing them to progress in their careers.
