Card Tricks for Beginners Sterling Publishing Company, Inc. This amazing book will carry you with clarity into the world of magic & chicanery, one amateur magician to another, with 50 bewildering easy-to-do magic tricks, at least 40 of which require no prior skill. You may easily perform them for members of your family, especially your children and grandchildren, and friends. A few tricks require you to learn very simple card sleights. The author presents 40 easy-to-do card tricks, and much more: - one trick with a rope - one with a banana- a coin- a paper clip- a wedding ring- a torn dollar billplus extensive insight into sleights, card forces; top 10 ways to reveal a chosen card- all this for beginners; amateurs; and almost-professionals - a veritable encyclopedia of trickery and chicanery- and beyond, for the curious. The book is organized into three sections: (1) Introduction(2) Family Magic Tricks (3) Appendices. Each Family Magic trick is discussed in a separate essay:- First a description of THE TRICK- Next, a section on how might you do this trick- Then,

THE SECRET of how the magician did the trick- Finally, each essay ends with MAGICAL PRINCIPLES, thoughts that flow directly from the trick. Each interesting Appendix contains mind-boggling material to help you do Family Magic: I. Magical PrinciplesII. Create Your Own New Magic Card TricksIII. Openers IV. Forcing A Card (no free choice)V. Magician Responses To The Returned Chosen CardVI. The Chosen Card revealed & Other ClimaxesVII. Easy Sleights Of Hand. WELL WORTH OWNING

Area 52 Workman Publishing

Here's an excellent guidebook for people who want to learn how to perform card tricks without having to spend wearisome hours practicing. Thirteen diagrams and easy-to-follow directions provide the novice with fundamentals for successfully mastering more than 50 impressive techniques -- among them The False Shuffle, The Corner Crimp, Sensitive Finger Tips, Palming, The Glide, The Slip Force, and Reading the Pack. No special dexterity is needed to successfully complete any of these methods.

Text and diagrams explain easy-to-do magic tricks which utilize common objects such as coins, rubber bands, and string.

Family Magic-I Courier Corporation

Can't hold two cards in your hand without dropping them—much less handle a deck? Then here's your magic book of tricks. Using methods subtle enough to fool anyone, even the clumsiest would-be magicians can put on a stylish show. Simple, casual cuts create confusion for the spectator, and your chatter will distract them while you sneak a peek. Sometimes you'll do the dirty work behind your back (an easy thumb-flip of the pack). Your skills will astound everyone.

Learn 50 card tricks that are easy to master and will astound your friends and family. The tricks are simple but impressive, and clear explanations make them accessible to every budding magician. *Easy Card Tricks* includes mathematical dupes, sleights of hand, "mind-reading" stunts, expert shuffles and card predictions that will seem impossible to an observer. Some of these tricks need no special skills at all, some need basic equipment, and some need simple conjuring skills to make the false shuffles, double lifts and glides look effortless. But all of the tricks are impressive and, with a little bit of practice, you will soon be a master of illusion.

Easy-to-Do Magic Tricks for Children Courier Corporation

In the vein of Neil Strauss' *The Game* and Joshua Foer's *Moonwalking with Einstein* comes the fascinating story of one man's colorful, mysterious, and personal journey into the world of magic, and his unlikely invitation into an underground secret society of revolutionary magicians from around the world. *Magic Is Dead* is Ian Frisch's head-first dive into a hidden world full of extraordinary characters and highly guarded secrets. It is a story of imagination, deception, and art that spotlights today's most brilliant young magicians—a mysterious club known as the52, who are revolutionizing an ancient artform under the mantra *Magic Is Dead*. Ian brings us with him as he not only gets to know this fascinating world, but also becomes an integral part of it. We meet the52's founding members—Laura London, Daniel Madison, and Chris Ramsay—and explore their personal demons, professional aspirations, and what drew them to their craft. We join them at private gatherings of the most extraordinary magicians working today, follow them to magic conventions in Las Vegas and England, and discover some of the best tricks of the trade. We also encounter David Blaine; hang out with Penn

Jillette; meet Dynamo, the U.K.'s most famous magician; and go behind the scenes of a Netflix magic show. *Magic Is Dead* is also a chronicle of magic's rich history and how it has changed in the internet age, as the young guns embrace social media and move away from the old-school take on the craft. As he tells the story of the 52, and his role as its most unlikely member, Ian reveals his own connection with trickery and deceit and how he first learned the elements that make magic work from his poker-playing mother. He recalls their adventures in card rooms and casinos after his father's sudden death, and shares a touching moment that he had, as a working journalist, with his childhood idol Shaquille O'Neal. "Magic—the romanticism of the inexplicable, the awe and admiration of the unexpected—is an underlying force in how we view the world and its myriad possibilities," Ian writes. As his journey continues, Ian not only becomes a performer and creator of magic—even fooling the late Anthony Bourdain during a chance encounter—he also cements a new brotherhood, and begins to understand his relationship with his father, fifteen years after his death. Written with psychological acuity and a keen eye for detail, *Magic Is Dead* is an engrossing tale full of wonder and surprise.
