Actions Define Our  
Persona** AuthorHouse

This hilarious and  
thoughtful memoir  
from comedy legend

Anjelah Johnson  
explores questions of  
identity, belonging,  
and her two dreams as  
a kid: to be an actress  
and to be a chola. You  
may know Anjelah  
Johnson for her viral  
sketch "Nail Salon"  
(over 100 million views  
globally) or her  
beloved ghetto-

fabulous MadTV character Bon Qui Qui, but it's her clean humor and hilarious storytelling that make her one of the most successful stand-up comedians and actresses today. With her razor-sharp wit, Anjelah recounts funny stories from her journey—from growing up caught between two worlds (do chips and salsa go with potato salad?) to unexpectedly embracing faith (“I love Jesus, but I will punch a ‘ho”) to her many adventures in dating (she may or may not have accepted dates simply for the food). Through it all, Anjelah transforms from a suburban-adjacent kid with Aquanet-drenched hair into a devoted Christian who abstains from drinking and

premarital sex, into a mall-famous Oakland Raiders cheerleader, and then an actually famous comedian traveling the world and meeting people from all-walks of life, including Oprah. No biggie. (Huge biggie.) As she travels the world, Anjelah has eye-opening experiences, and she morphs from square, rigid Anjelah into “Funjelah,” and learns that she can still ride with Jesus without squashing the other parts of her personality. Anjelah's stories explore subjects such as navigating your racial identity, finding your place in the world, chasing your crazy dreams, embracing the messiness of an evolving faith, and searching for belonging and meaning. Through

her journey, Anjelah gets closer to discovering her true identity and encourages readers to have the audacity to dream big.

"Riveting... Every lie reveals itself so exquisitely that the parallels become an added pleasure, as soon as we uncover the ways they diverge." —New York Times Book Review

"Dazzling. Here is a confident, psychologically astute new writer with a bold new vision." —Garrard Conley, New York Times bestselling author of *Boy Erased* Throughout this striking debut collection we meet characters who have lied, who have sometimes created elaborate falsehoods, and who now must cope with the way that those deceptions eat at the very fabric of their lives and relationships. In the title story, the narrator, desperate to save a love affair on the rocks, hires an actor to play a friend he invented in order to seem less lonely, after his boyfriend catches on to his compulsion for lying and demands to know this friend is real; in "Aim for the

Heart," a man's lies about a hunting habit leave him with an unexpected deer carcass and the need to parse unsettling high school memories; in "Rorschach," a theater producer runs a show in which death row inmates are crucified in an on-stage rendering of the New Testament, while being haunted daily by an unrequited love and nightly by ghosts of his own creation. In *I Know You Know Who I Am*, Kispert deftly explores deception and performance, the uneasiness of reconciling a queer identity with the wider world, and creates a sympathetic, often darkly humorous, portrait of characters searching for paths to intimacy.

This biography is dedicated to my grandmother, without whose teaching I would not be here. Also, my family, especially my grandchildren, who I feel should have firsthand knowledge of their grandfather's life. A special thanks to both my brother Robert Walden, who pushed me for years to write this book, and to Karmai Alexander, who guided me and put up with my being so impatient, finding time while she was busy creating artwork that

needed concentration. Without these two people, this book would not have been written.

"I AM is a fascinating, in-depth and eye-opening look at the very essence of how each of our lives are created in every moment." - Hale Dvoskin, author of the New York Times bestseller, *The Sedona Method* and featured teacher in *The Secret*. For centuries humankind has been asking fervent questions about the meaning of life. As Howard Falco learned, the answers to these questions can ultimately be found in the answer to just one: "Who am I?" In late 2002, in the middle of an ordinary life, Falco—a thirty- five-year-old

investment manager with a wife and two children—sought the answer to this powerful question and remarkably this quest resulted in a sudden and all-encompassing shift in his awareness that revealed more about life and how we each create it than he ever imagined knowing. Startled by this new understanding and its implications for his own life and the lives of all others, Falco set out to share his discoveries. The stunning result is this book. *I AM* takes readers on a life-changing journey in which they will discover the incredible power they have over their experience of life, finding that the doorway to eternal peace, happiness, and fulfillment lies in one of

the shortest sentences in the written word but the most powerful in the universe: I AM.

### **I Am Who I Am** PLAZA & JANÉS

Janne Ritskes had a dream, to help Cambodian people find their way out of poverty. After discovering the terrible genocide in Cambodia caused by the brutality of Pol Pot and the Khmer Rouge regime Janne set out with all her savings to do what she could to alleviate the suffering of the Cambodian people. In 1994 Janne traveled to Cambodia with the support of friends and family as she put herself in harms way for people she had never met, half a world away. Her experiences with NGOs in Asia and Africa helped Janne to develop her own

unique community development approach. Janne's approach was not one of just giving assistance but one of teaching the people she worked with. With her approach she assisted Cambodians to regain their dignity and self-respect. Janne's legacy is the 4.7 million Cambodians she helped out of poverty through savings programs, goal setting and cottage industry. Janne realized that the people she was working with had been terrorized. She recognized two guiding principles, "Everybody is worthy. Bringing out the best." Janne's question was "How do you institute a program that will allow them to start dreaming again? Start believing in themselves, start

working for themselves?" With that goal in mind Janne worked with the Cambodian people so that she could sleep at night. She said, "You know whether you have done good or not. If you have done good you will sleep." In her memoir Janne shares her journey of starting the NGO Tabitha and Nokor Tep Foundation, the highs of success and lows of disappointment, the challenges of teaching a new way of doing, the mistakes and miracles. Tabitha is run by Janne herself and her Khmer staff and she shares the poignant moments of working with them and the adoption of her Cambodian daughter, Miriam.

Holly Simon is a woman of individuality, authenticity, and determination. Married to a Chicago cop, and a fiercely loyal mother, Simon's life was on a comfortable trajectory. Then, her fifth baby, Nate, was born with Down Syndrome. Things could have changed with a simple "Congratulations." Instead, the medical

staff made the mistake of saying, "I'm sorry." Since the day Nate arrived, Simon has been working to change the world's "sorries" to "congratulations," advocating for all people who have special needs. As founder and executive director of the I Am Who I Am Foundation, Simon has touched thousands of lives with the simple message of acceptance through awareness. It hasn't always been easy. The challenges of raising a child with special needs and facing her own serious health issues taught Simon how to be the change she wanted to see. By sharing her story in "I Am Who I Am," she invites readers to make important changes in their own lives. Read.

 For readers who loved *Do You Think I'm Beautiful?* Angela Thomas's new book explores a woman's need to be known and loved—just as she is. In her book *Do You Know Who I Am?* Angela Thomas asks God if He knows her—and ultimately does He love her—as she is, right now, today. In each chapter, she names a different identity issue, such as: "I am invisible," "I am worn out," "I am undisciplined," "I am ordinary," and "I am afraid to dream." With each honest admission, Angela teaches that God lovingly replies, "Yes, I know your heart. I see your

struggle. Now...do you know who I AM?" Ultimately Angela reveals that the secret to being known and loved lies in an intimate understanding of who God is. Each identity struggle is answered with a short biblical study on the character of God that assures readers that their personal, spiritual, and eternal fulfillment is not dependent on getting themselves together. Rather, God has a purpose for them just as they are—broken, afraid, disappointed, disillusioned. Through vivid storytelling, biblical teaching, and practical application, readers will find the heartfelt answers they seek.

It's Part of Who I Am: Searching for Spiritual Understanding tells the story of one woman, Peace, who relentlessly seeks out spiritual understanding. Her daughter, Kay, explores the complexities involved in the life of her mother. She, in turn, finds that her exploration leads her to embark on her own spiritual journey. Kay Fraser—who holds a PhD in social history—brings her academic background to this intimate and personal account that follows Peace on a fifty-five year journey through many twists and turns. Peace begins with Christianity and then moves through a variety of teachings—Gurdjieff, Krishnamurti, the

Theosophical Society, Co-Freemasonry, and 'A Course in Miracles'—before turning to Zen Buddhism for two decades. Finally she returns to the Christian Church. Her return to the church gave rise to many questions and answers between mother and daughter. Whenever Peace was asked why, after all her searching, she had returned to the church she would simply say "It's part of who I am." If you are drawn to other people's accounts of their spiritual journeys and wonder what insights they can provide for your own journey then *It's Part of Who I Am: Searching for Spiritual Understanding* will give you some clues about how to find that deep spiritual core within.

Yet, it also gives hints about how not to travel on your own journey.

Chauncey Smith had loving, attentive parents and a safe, nurturing home. But he knew a piece of him was missing—a relationship with his biological parents. Adopted as an infant, Chauncey was raised with the importance of Family and Faith. But it wasn't until adulthood, when Chauncey set out on a quest to locate his biological mother and father, that he truly understood this. At times joyous, at times heartbreaking, Chauncey's journey included his adoptive parents and siblings, friends, and biological family members who

didn't even know who he was. His determination to make peace with his past culminated in an experience readers won't be likely to forget. Written for those raised by their biological parents as well as adoptees, *So That's Who I Am* sheds light on what it's like to be adopted and provides a relatable yet unique story sure to resonate with other adoptees. Regardless of their backgrounds, however, readers will learn that adoptees didn't have a choice: our first inheritance was abandonment. We are simply different—neither better nor worse—and we can find healing in this journey. [This is Who I Am This is Who I Want To Be](#)

Living the Christian life is not easy, especially in today's culture. To be who and do what God commands, Christians need to recapture the miraculous. Unfortunately, miracles have been left either with cable TV faith healers or tour guides in the Holy Land. That has to change, because it's by seeing what God does that we discover who He is. And knowing who He is and what He does will change who we are and what we do. Pastor Gregg Matte believes that the seven "I AM" statements and the seven miracles recorded in the Gospel of John can give believers a framework for living God's will. In *I AM Changes Who I Am*, readers will explore what Jesus says and

does and find out what that means for their walk with Him.

Wherever she goes the popular South African recording artist and celebrity Nianell offers this important, inspiring message: Every one of us should

love ourselves. When we learn how to love ourselves unconditionally, we will be able to experience a life worth living and also inspire and touch the people around us. Then we not only make a difference in our own lives, but also in the lives of others. In her first book, *Knowing Who I Am*, Nianell tells how she has learned to love herself. She takes the reader on a journey through her life, from being a shy, withdrawn schoolgirl to becoming the acclaimed singer/songwriter she is today. Like most people, Nianell has had to face challenges, and she offers an honest and unpretentious account of her personal experience of suffering, the struggle to belong, love, womanhood, being a

mother of triplets, and being a star. Her personal stories, many shared with the public for the first time, illustrate how she discovered who she really is and how she came to the point of accepting herself and her worth. Nianell's descriptions of her experiences will touch your heart, inspire you, and help you realize the value of accepting and loving yourself as you are. *Knowing Who I Am* is an enjoyable combination of biography and inspiration. It is a reading and growing experience that will remain with you long after you have finished the book. The eBook comes with a special link so you can download some of Nianell's most inspiring songs.
