This book offers an examination of the Roaring Twenties in the United States, focusing on the vibrant icon of the newly liberated woman—the flapper—that came to embody the Jazz Age. \*  
Primary documents allow readers to see how contemporaries viewed flappers, follow the trial of a famous comedian charged with a horrific crime, and read what proponents of Prohibition

really thought about wicked liquor \* The glossary allows readers to enter into the spirit of the times, when people could express their delight using phrases such as "bee's knees," and "cat's meow"; pass along the word about illegal booze with colorful terms such as "hooch," "bathtub gin," and "bootleg"; and describe relentless dancers as "floorflushers," women using too much face makeup as "flour lovers," and pilots as "fly boys."

 "I come from Des Moines. Somebody had to." And, as soon as Bill Bryson was old enough, he left. Des Moines couldn't hold him, but it did lure him back. After ten years in England he returned to the land of his youth, and drove almost 14,000 miles in search of a mythical small town called Amalgam, the kind of smiling village where the movies from his youth were set. Instead he drove through a series of horrific burgs, which he renamed Smellville, Fartville, Coleslaw, Coma, and Doldrum. At best his search led him to Anywhere, USA, a lookalike strip of gas stations, motels and hamburger outlets populated by obese and slow-witted hicks with a partiality for synthetic fibres. He discovered a continent that was doubly lost: lost to itself because he found it blighted by greed, pollution, mobile homes and television; lost to him because he had become a foreigner in his own country.

What happens when a closeted lesbian fairy tale princess falls in love with a WITCH instead of the handsome prince she's destined to marry? This is Mary Melancholy's story. Princess Mary Melancholy has no idea how to be happy. Self-conscious and socially awkward, all she really wants is to believe in something the way everyone else does. Her royal troubles abound since she's engaged to be married as part of a peace treaty between two warring kings. Mary meets a witch named Salem who is cantankerous, bawdy and banned from the land because of her evil intentions. But when Salem accidentally kisses the princess and they both feel a spark of attraction, a forbidden romance begins that threatens the future of two kingdoms. Will Mary choose love and scandalize the family as The Evil Princess or accept responsibility and protect her people? This is Book 1 in "The End of the Magical Kingdom", an interrelated series of four fairy tale parody novels encompassing four kingdoms in the cartoon land of Cadabra.
