Oxford Practice  
Grammar Basic: With Key Practice-Boost  
CD-ROM Pack

A three-level English grammar practice series for the classroom or self-study with clear explanations and lots of extra practice. Each level has an interactive

Practice-Boost CD-ROM.

Oxford Practice Grammar Intermediate  
Oxford University Press

The second level in the Oxford Practice Grammar series. Grammar structures are explained in detail with extended practice activities to build your confidence.

*Oxford practice grammar : [with  
practice-plus CD-ROM] : with answers :  
Advanced OXFORD*

This three-level grammar practice series takes students through from Basic to

Advanced level English.

Oxford University Press, USA

Oxford Practice Grammar knows that students need different types of explanation and practice at each stage of their study. Advanced gives challenging practice activities and in-depth explanations. Great for classroom or self-study and it helps you prepare for standard exam questions asked in CAE, CPE, TOEFL, IELTS and other advanced-level exams.

Covers written and spoken British and American English and reviews grammar, usage, punctuation, and phonetics

Oxford Practice Grammar

Describing the modern conceptual basis of thermoelectricity in an intuitive language, this volume covers a variety of research themes, including correlated electrons, superconductivity, spintronics, information entropy, and quantum Hall

effect.

### **A Basic English Grammar**

Oxford Practice Grammar Advanced is divided into 17 units which provide a review of the grammar of contemporary English. Within each unit there are separate sections on specific features e.g. Present Perfect or Past Simple. As well as the types of exercises you will be used to there are some exercises specifically designed for students who are becoming more advanced in English. These include: summary exercises, dictionary exercises, matching and editing activities. You can either start at the beginning and work through to the end or choose the order in which you want to study the grammar topics, perhaps starting with those that are giving you problems. Two-page tests

at the end of each unit or section mean  
you can see how much you have learned  
and decide if you need more practice. For

those unsure of some of the terminology  
there is also a Glossary explaining the  
meaning of all the grammatical terms.
