Go Math! Houghton Mifflin School

GO Math! offers an engaging and interactive approach to covering the Common Core State Standards. This Grade 4 student edition is organized into individual chapter booklets and comes with a student resource book.

Go Math! Go Math!

GO Math! combines fresh teaching approaches with never before seen components that offer everything needed to address the rigors of new standards and assessments. The new Standards Practice Book, packaged with the Student Edition, helps students achieve fluency, speed, and confidence with grade-level

concepts. GO Math! is the first K-6 math program written to align with the Common Core. With GO Math! you will hit the ground running and have everything you need to teach the Common Core State Standards. GO Math! combines fresh teaching approaches with everything needed to address the rigors of the Common Core Standards. Using a unique write-in student text at every grade, students represent, solve, and explain -- all in one place. - Publisher.

Go Math! California 2015, Grade K Houghton Mifflin School

"A math program from Singapore created for U.S. classrooms, fully correlated to the Common Core State Standards"--Back cover.
