And Another Thing ... will be the sixth novel in the now improbably named Hitchhiker's Guide to the Galaxy trilogy. Eight years after the death of its creator, Douglas Adams, the author's widow, Jane Belson, has given her approval for the project to be continued by the international number one bestselling children's writer, Eoin Colfer, author of the Artemis Fowl novels. Douglas Adams himself once said, 'I suspect at some point in the future I will write a sixth Hitchhiker book. Five seems to be a wrong kind of number, six is a better kind of number.' Belson said of Eoin Colfer, 'I love his books and could not think of a better person to transport Arthur, Zaphod and Marvin to pastures new.' Colfer, a fan of Hitchhiker since his schooldays, said, 'Being given the chance to write this book is like suddenly being offered the superpower of your choice. For years I have been finishing this

incredible story in my head and now I have the opportunity to do it in the real world.' Prepare to be amazed...

In *Screwed*, Colfer adds an entirely new chapter to the adventures and misadventures of Daniel McEvoy, the down-on-his-luck Irish bouncer at a seedy New Jersey bar who, with the help of a motley crew of unlikely characters, solved a bizarre string of murders--including the one of the girl he loved. But people around him continue to die mysteriously, and Daniel is called into action once again. Colfer, beloved by millions for his *Artemis Fowl* series, has written a riveting and relentlessly paced sequel that is sure to garner international praise. With wildly inventive imagination and head-spinning plot twists, *Screwed* is a tour de force that rivals Carl Hiaasen at his very best. Ridley Pearson called *Plugged* "a brilliant, madcap mystery" and "genius at work." With *Screwed*, Colfer delivers that signature brilliance once again.
