*Sisters: A Graphic Novel* New York Review of Books

An exuberant follow-up to *Composing a Life* evaluates the creative aspects of aging today, relating the experiences of men and women whose lasting health and resources have enabled them to realize a meaningful sense of purpose throughout the second half of life.

**Popular: Vintage Wisdom for a Modern Geek (A Memoir)** Knopf

*Seven Pillars of Wisdom* is a memoir of the soldier known as 'Lawrence of Arabia.' Lawrence is a fascinating and controversial figure and his talent as a vivid and imaginative writer shines through on every page of his masterpiece. 'Seven Pillars of Wisdom' written between 1919 and 1926, is an

extraordinary tale of action, politics and adventure. The story describes heroism through instances of war by a man who not only shaped events but was molded by them. The genre of the book can be related to many broad subjects like political history, military strategy, pathology or travel story. Lawrence, known as the defender of the empire, had found war in the Arab world and a long-lasting sideline to the War to End All Wars. This war produced more war during the time, in which, along with many other eminent writers, Lawrence was also involved. *Seven Pillars of Wisdom* provides a unique portrait of this extraordinary man and an insight into the birth of the Arab nation.

**How to Get a Teen-age Boy** Penguin

FIRST PUBLISHED IN 1944, the *Popularity Book* is a vintage guidebook full of wise and wonderful advice on living well, building poise and maintaining good relationships. Drawing on books, testimonials and magazines from the World War II era, it shows the forthright common sense and charming romanticism of the "Greatest Generation", a generation inspired by debonair role models such as Clark Gable, Cary Grant and Katharine Hepburn. As relevant today as it was in the 1940s,

the *Popularity Book* offers counsel on being an unforgettably great date, eliciting a marriage proposal, and how to be generally charming. Compiled and originally published by Arthur Murray, it also features his iconic step-by-step footprint instructions on how to Samba, Fox Trot and Rumba divinely!

*Seven Pillars of Wisdom* Penguin

The teenager famed for faking a pregnancy as part of a social experiment describes the family and cultural history of teen pregnancy that shaped her life, her observations about how she was treated when she pretended to be pregnant and her feelings about the consequences of low expectations.

*Ryan Higa's How to Write Good* Vintage

Alan Watts is "the perfect guide for a course correction in life, away from materialism and its empty promise" (Deepak Chopra). Here he shows us how—in an age of unprecedented anxiety—we must embrace the present and live fully in the now in order to live a fulfilling life. Spending all our time trying to anticipate and plan for the future and to lamenting the past, we

forget to embrace the here and now. We are so concerned with tomorrow that we forget to enjoy today. Drawing from Eastern philosophy and religion, Alan Watts shows that it is only by acknowledging what we do not—and cannot—know that we can learn anything truly worth knowing. “Perhaps the foremost interpreter of Eastern disciplines for the contemporary West, Watts had the rare gift of ‘writing beautifully the unwritable.’” —Los Angeles Times  
[How to Go Steady Vintage](#)

Documents a high school student's year-long attempt to change her social status from that of a misfit to a member of the "in" crowd by following advice in a 1950s popularity guide, an experiment that triggered embarrassment, humor and unexpected surprises. A first book.

NEW YORK TIMES BESTSELLER The complete, uncensored history of the award-winning The Daily Show with Jon Stewart, as told by its correspondents, writers, and host. For almost seventeen years, The Daily Show with Jon Stewart brilliantly redefined the borders between television comedy, political satire, and opinionated news coverage. It launched the careers of some of today's most significant comedians, highlighted the hypocrisies of the powerful, and garnered 23 Emmys. Now the show's behind-the-scenes gags, controversies, and camaraderie will be chronicled by the players themselves, from legendary host Jon Stewart to the star cast members and writers-including Samantha Bee, Stephen Colbert, John Oliver, and Steve Carell - plus some of The Daily Show's most prominent guests and adversaries: John and Cindy McCain, Glenn Beck, Tucker Carlson, and many more. This oral history takes the reader behind the curtain for all the show's highlights, from its origins as Comedy Central's underdog late-night program to Trevor Noah's succession, rising from a scrappy jester in the 24-hour political news cycle to become part of the beating heart of politics—a trusted source for not only comedy but also commentary, with a reputation for calling bullshit and an ability to effect real change in the world. Through years of incisive election coverage, passionate debates with President Obama and Hillary Clinton, feuds with Bill O'Reilly and Fox, and provocative takes on Wall Street and racism, The Daily Show has been a cultural touchstone. Now, for the first time, the people behind the show's seminal moments come together to share their memories of the last-minute rewrites, improvisations, pranks, romances, blow-ups, and moments of Zen both on and off the set of one of America's most groundbreaking shows.

**Eternal Cosmic Wisdom at Bargain Basement Prices** Knopf

An urgent manifesto and a dramatic memoir of awakening, this is the story of revolutionary love. Finalist for the Dayton Literary Peace Prize • “In a world stricken with fear and turmoil, Valarie Kaur shows us how to summon our deepest wisdom.”—Elizabeth Gilbert, author of *Eat Pray Love* How do we love in a time of rage? How do we fix a broken world while not breaking ourselves? Valarie Kaur—renowned Sikh activist, filmmaker, and civil rights lawyer—describes revolutionary love as the call of our time, a radical, joyful practice that extends in three directions: to others, to our opponents, and to ourselves. It enjoins us to see no stranger but instead look at others and say: You are part of me I do not yet know. Starting from that place of wonder, the world begins to change: It is a practice that can transform a relationship, a community, a culture, even a nation. Kaur takes readers through her own riveting journey—as a brown girl growing up in California farmland finding her place in the world; as a young adult galvanized by the murders of Sikhs after 9/11; as a law student fighting injustices in American prisons and on Guantánamo Bay; as an activist working with communities recovering from xenophobic attacks; and as a woman trying to heal from her own experiences with police violence and sexual assault. Drawing from the wisdom of sages, scientists, and activists, Kaur reclaims love as an active, public, and revolutionary force that creates new possibilities for ourselves, our communities, and our world. See *No Stranger* helps us imagine new ways of being with each other—and with ourselves—so that together we can begin to build the world we want to see.

*Stoner* One World

A seminal work and examination of the psychopathology of journalism. Using a strange and unprecedented lawsuit as her larger-than-life example -- the lawsuit of Jeffrey MacDonald, a convicted murderer, against Joe McGinniss, the author of *Fatal Vision*, a book about the crime --

she delves into the always uneasy, sometimes tragic relationship that exists between journalist and subject. In Malcolm's view, neither journalist nor subject can avoid the moral impasse that is built into the journalistic situation. When the text first appeared, as a two-part article in *The New Yorker*, its thesis seemed so radical and its irony so pitiless that journalists across the country reacted as if stung. Her book is a work of journalism as well as an essay on journalism: it at once exemplifies and dissects its subject. In her interviews with the leading and subsidiary characters in the MacDonald-McGinniss case -- the principals, their lawyers, the members of the jury, and the various persons who testified as expert witnesses at the trial -- Malcolm is always aware of herself as a player in a game that, as she points out, she cannot lose. The journalist-subject encounter has always troubled journalists, but never before has it been looked at so unflinchingly and so ruefully. Hovering over the narrative -- and always on the edge of the reader's consciousness -- is the MacDonald murder case itself, which imparts to the book an atmosphere of anxiety and uncanniness. The *Journalist and the Murderer* derives from and reflects many of the dominant intellectual concerns of our time, and it will have a particular appeal for those who cherish the odd, the off-center, and the unsolved.

**A Memoir and Manifesto of Revolutionary Love** GENERAL PRESS

Originally published in 1953 by Prentice-Hall.

*An Old Man, a Young Man, and Life's Greatest Lesson, 20th Anniversary Edition* Crown

"The breathtaking scope, complexity and theatrics of this scam and these con men rivals any Hollywood movie."--Kamala Harris, Attorney General for the State of California

**Moneyball: The Art of Winning an Unfair Game** Harper Collins

Advises the teen-age girl in meeting, intriguing, talking to, and dating the teen-age boy, with additional sections on parties and parents.

*The Raven* Artisan Books

New York Times Bestseller A breakout teen author explores the true meaning of popularity and how to survive middle school in this hysterically funny, touchingly honest contemporary memoir. “I was inspired by [Maya's] journey and made a point of saving a copy of ‘Popular’ for my sister, who starts middle school this fall. Maybe if I had read it when I was her age, it could have saved me from a world of hurt, or at least put that world in perspective.” —Maude Apatow, *New York Times* Book Review Can curlers, girdles, Vaseline, and a strand of pearls help a shy girl become popular? Maya Van Wagenen is about to find out. Stuck near the bottom of the social ladder at “pretty much the lowest level of people at school who aren’t paid to be here,” Maya has never been popular. But before starting eighth grade, she decides to begin a unique social experiment: spend the school year following a 1950s popularity guide, written by former teen model Betty Cornell. The real-life results are hilarious, painful, and filled with unexpected surprises. Told with humor and grace, Maya’s journey offers readers of all ages a thoroughly contemporary example of kindness and self-confidence, along with a better understanding of what it means to be popular.

An unconventional, irreverent, yet heartfelt memoir by Ryan Higa, one of the top creators on YouTube. With pictures! And illustrations! And, y'know, words. I know you're used to seeing me on the Internet, but here I am, coming at you in book form. You might be asking yourself, A Book? You? Why? Great question! Why did I write a book? Listen, I'm as surprised about it as you are. But I have a story to tell that I believe will help inspire people who are going through tough times to not only persevere through those tough times but to excel in them. And I couldn't be the only YouTuber without a book, could I? So, welcome to Ryan Higa's How to Write Good, by me, Ryan Higa. This is the story of how I went from being a relatively happy kid to being depressed and angry and filled with dark thoughts. This is the story of how I thought I had only one way out of this cruel world. This is the story of how I found a better way. But wait, there's more! You're not only getting my story but you'll also learn how to write good--I mean well--from a college dropout who struggled in basic-level English classes and still became a legit, published Best Sailing Author. (That wasn't a typo. I plan to buy a boat one day...but probably not anytime soon. This book might not cell good.)

*Going Vintage* Vintage

#1 NEW YORK TIMES BESTSELLER • A special 20th anniversary edition of the beloved book that changed millions of lives—with a new afterword by the author Maybe it was a grandparent, or a teacher, or a colleague. Someone older, patient and wise, who understood you when you were young and searching, helped you see the world as a more profound place, gave you sound advice to help you make your way through it. For Mitch Albom, that person was Morrie Schwartz, his college professor from nearly twenty years ago. Maybe, like Mitch, you lost track of this mentor as you made your way, and the insights faded, and the world seemed colder. Wouldn't you like to see that person again, ask the bigger questions that still haunt you, receive wisdom for your busy life today the way you once did when you were younger? Mitch Albom had that second chance. He rediscovered Morrie in the last months of the older man's life. Knowing he was dying, Morrie visited with Mitch in his study every Tuesday, just as they used to back in college. Their rekindled relationship turned into one final “class”: lessons in how to live. Tuesdays with Morrie is a magical chronicle of their time together, through which Mitch shares Morrie's lasting gift with the world.

**Essentially Charli** Bloomsbury Publishing

"A collection of practical, helpful suggestions, powerful reminders, and easy-to-use tools to make life better, have more fun, get more done, improve relationships ... and all without too much heavy lifting!"--Page 4 of cover.

*Collective Wisdom* Simon and Schuster

"This delightfully written, lesson-laden book deserves a place of its own in the Baseball Hall of Fame." —Forbes *Moneyball* is a quest for the secret of success in baseball. In a narrative full of fabulous characters and brilliant excursions into the unexpected, Michael Lewis follows the low-budget Oakland A's, visionary general manager Billy Beane, and the strange brotherhood of amateur baseball theorists. They are all in search of new baseball knowledge—insights that will give the little guy who is willing to discard old wisdom the edge over big money.

**The Ultimate Guide to Keeping It Real** W. W. Norton & Company

Raina Telgemeier’s #1 New York Times bestselling, Eisner Award-winning companion to *Smile!* Raina can't wait to be a big sister. But once Amara is born, things aren't quite how she expected them to be. Amara is cute, but she's also a cranky, grouchy baby, and mostly prefers to play by herself. Their relationship doesn't improve much over the years, but when a baby brother enters the picture and later, something doesn't seem right between their parents, they realize they must figure out how to get along. They are sisters, after all. Raina uses her signature humor and charm in both present-day narrative and perfectly placed flashbacks to tell the story of her relationship with her sister, which unfolds during the course of a road trip from their home in San Francisco to a family reunion in Colorado.
