HEALTH, SAFETY, AND NUTRITION FOR THE YOUNG CHILD, 9th Edition, covers contemporary health, safety, and nutrition needs of infant through school-age children--and guides teachers in implementing

effective classroom practices--in one comprehensive, full-color volume. [Health, Safety and Nutrition - Alabama Pathways](#) 13 June, 2017. Children, like adults, need to practice good habits for optimum health. Proper nutrition, safety in and out of the home, and healthy practices such as exercise and wearing sunscreen will decrease your child's chances of health problems in

the present and future. Teaching and modeling such behaviors can help your child embrace them for life.
