The Work of the Holy Spirit Today Aeterna Press

Who is the Holy Spirit and how does the Spirit come to be in relation to the Father and the Son? What is the mission of the Spirit and where does it come from? Chris Holmes takes up the questions surrounding the Spirit's procession and mission with the help of three of the church's greatest teachers—Augustine, Thomas Aquinas, and Karl Barth. Drawing on their engagements with the Fourth Gospel, Holmes presents an account of the Spirit's identity, origin, and acts, to

show how the acts of the Spirit derive from the Spirit's life in relation to Father and Son—and the extent to which the Spirit's mission testifies to the Spirit's origin. Holmes presents a way forward for pneumatology. Housed within the doctrine of the Trinity, pneumatology's joyful task is to describe the Spirit's acts among us in light of their source in the Spirit's acts in God. The end of this inquiry is our beatitude—knowledge of the Trinity that yields to love of the Trinity.

How can we cultivate both fresh understanding and fresh experience of the Holy Spirit, no matter what our theological tradition? This much-needed master class on pneumatology from Gordon Smith encourages us to hold biblical convictions firmly but gracefully as the guiding principles of discernment and humility help us intentionally live Spirit-responsive lives day by day.

A Spirit-Filled Classic B&H Publishing Group

Short Description (2,000 characters, including spaces)Dr. Jerry Cook spent fifty years as a pastor, teaching and writing about the presence of the Holy Spirit and of Christ in everyday life-including speaking in tongues. But in a conversation with a young pastor he realized the need to explain this topic in a practical, accessible way for those who may have only been exposed to it through "shocking" manifestations of fanaticism. In this conversation, the young pastor wondered what the "big deal" was, and when Cook got over his anger at this dismissive assessment, he tackled the concept head-on. Cook first asserts that "It is possible to be a sane, intellectually honest, biblical, and dynamic Christian who is filled with the Holy Spirit, speaks in tongues, and effectually ministers the full life of Christ." He does not shy away from his own doubts and struggles in the church and his personal faith, striving not to create an academic, theoretical work but to ask the right questions and provide genuine, compassionate advice. Here, find practical, Biblical answers to the questions of the young pastor and of other Christians who have struggled with this concept.

Examine six significant events, from the in-breaking of God through the birth, death, resurrection, and ascension of Jesus, ending with the day of Pentecost. Follow the radical relocation of God from "out there" to "with us" to "in us," and visualize the remarkable implications of this radical move to the Christian's everyday life. Examine the church and the manifestation of Christ in its structure, power, and gathering. Do not wonder what Jesus would do, but ask the radical question of who he would be. What does a practical, post-modern Spirit-filled Christian look like? How is Jesus made visible in everyday living, and why is it important? Who is the church, really? In accessible terms, Cook explains that we are not just to do what Jesus would do, but rather to be who Jesus would be. In this way, we can bring visibility to His presence and access to His life and hope.

*Reversing Our Tragic Neglect of the Holy Spirit* The Holy Spirit An Introduction

"The following pages represent the gist of a series of sermons given on successive Sunday evenings to the congregation of the church of which I am pastor. The fact that these were originally spoken messages accounts for their racy style and for the personal references which occur in them occasionally. Had I been writing the messages I should have exercised greater care in the composition. The subject is, however, so vitally important that I feel sure the reader will pardon the offhand style of the language. The truth is always good even when the vehicle in which it rides is homely and plain."
