that challenged Christians around the world to begin living the truth which they have been entrusted with. The Call is a call to life, a call to love in the unprecedented glory of the Son of God, a call to sacrifice, and to do all things for the sake of the gospel. The darkness will soon be over, and the day of our Lord will dawn. Now is the time for us to take a stand against the great darkness of our time for the sake of the Light who is greater and is surely coming, for it is written: "And it shall be in the last days," God says, "that I will pour forth of My Spirit upon all mankind; and your sons and your daughters shall prophesy, and your young men shall see visions, and your old men shall dream dreams; even upon My bondslaves, both men and women, I will in those days pour forth of My Spirit and they shall prophesy" (Acts 2:17-18) The "last days" are here. These are the days of dreams, visions, and prophecy for the young and old, the sons and the daughters, the days that the great saints of old longed to see and in which we are privileged to live. This book is a call to seize an unprecedented opportunity and to live in a manner worthy of . . . The Call

Why God Desires Our Trust More Than Our "Correct" Beliefs Thomas Nelson

The Earth is waiting For Apostolic Power to be Demonstrated! Even though there were 12 apostles in Scripture, there is still an apostolic office and function that all Christians need to know about. In fact, many believers are functioning apostolically and yet, they are not fully stepping into this unclaimed seat in the spirit realm. When the people of God access the apostolic anointing, the Earth will witness a greater manifestation of Jesus fullness and power! Dr. Ch Ahn, president and founder of Harvest International Ministry, is a world-recognized apostolic leader. In this signature book, he is taking all believers to the school of the apostles, where they will learn to either operate in the office of apostle or function apostolically in their current sphere of influence. You will learn how to: Recognize if you are an apostle by office or apostolic in function. Step into your apostolic anointing and multiply the release of Kingdom influence through your life. Operate in your apostolic jurisdiction in the church or marketplace. Re-cultivate your sphere of influence as an

ambassador of God's Kingdom. When you learn how to operate apostolically, you can boldly take your place as an ambassador of God's Kingdom on Earth with a supernatural assignment to transform your sphere of influence to look more like Heaven.

The ministry of the apostle is the linchpin ministry of the church, and without it the church cannot become what it is called to be.

While the world and much of the church has focused on scandals and problems in the church, that which is now being called 'The New Apostolic Reformation' emerged and quickly became not only the fastest growing part of the church, but the fastest growing religious movement of any kind on the earth. For this reason the subject addressed by this book is one of the most important for our times.

This critique provides a framework for understanding and interpreting the widespread but little-known New Apostolic Reformation (NAR) movement. As the authors state in the preface: "We write this book with two major goals in mind. First, to give people an idea of the sheer size and reach of the NAR movement. And second, to systematize its key teachings and practices and evaluate them on the basis of Scripture and careful reasoning In our judgment, the NAR perspective crosses these boundaries [that is, certain broad parameters, revealed in Scripture and practiced in the historical orthodox church], and it does so in part because of flawed theology rooted in a flawed understanding of Scripture. We wish to warn readers about a possible confusion: Some critics have linked the NAR movement with mainstream Pentecostalism and charismatics. We do not do this. In fact, it is our contention that the NAR movement deviates from classical Pentecostal and charismatic teachings. This movement has emerged out of independent charismatic churches and, thus, has gained a foothold in many of those churches in varying degrees."

In today's world we need Christians and churches willing to break out of the normal patterns of religion and tradition to impact and reach the world. Ordinary People, Extraordinary Power gives a strong case for the apostolic culture as a criterion for change in the church today. A culture is a way of life of a group of people—the behaviors, beliefs, values, and symbols that they accept, generally without thinking about them, and that are passed along by communication and imitation from one generation to the next. An apostolic culture is simply the ways, beliefs, behavior, and values of God's people. It is a culture of power and the Holy Spirit. Apostolic leaders will impart power and authority to the members. Believers need to be activated to heal, deliver, prophesy, and preach. They must be activated to demonstrate the kingdom. The apostolic culture includes worship, deliverance, apostolic teams, prophecy, ordaining, establishing, pioneering, evangelizing, prayer, teaching, helps, governments, missions, healing, the Gifts of the Spirit, holiness, impartation, and church government. All of these will be discussed in this book in order to help leaders and believers move in apostolic power and authority.

The controversial evangelical Bible scholar and author of *The Bible Tells Me So* explains how Christians mistake "certainty" and "correct belief" for faith when what God really desires is trust and intimacy. With compelling and often humorous stories from his own life, Bible scholar Peter Enns offers a fresh look at how Christian life truly works, answering questions that cannot be addressed by the idealized traditional doctrine of "once for all delivered to the saints." Enns offers a model of vibrant faith that views skepticism not as a loss of belief, but as an opportunity to deepen religious conviction with courage and confidence. This is not just an intellectual conviction, he contends, but a more profound kind of knowing that only true faith can provide. Combining Enns' reflections of his own spiritual journey with an

examination of Scripture, *The Sin of Certainty* models an acceptance of mystery and paradox that all believers can follow and why God prefers this path because it is only this way by which we can become mature disciples who truly trust God. It gives Christians who have known only the demand for certainty permission to view faith on their own flawed, uncertain, yet heartfelt, terms.

"Make Disciples of All Nations" In this book, Rice Broocks explains the progress of the Church in terms of its obedience to the apostolic mandate. This mandate, which has been called the Great Commission, must be recovered and embraced if the Church is going to get back into the race for the destiny of the planet. The orders of Jesus to His followers to "make disciples of all nations" is far more than simply giving people a basic gospel message. This mandate includes not only individual transformation, but cultural as well. About the author: Rice Broocks is the president of Morning Star International (MSI), a family of churches and ministries currently operating in 35 nations. He is also the senior pastor of Bethel World Outreach

Center in Nashville, Tennessee, where he lives with his wife and their five children.
