HESTER POLLARD

Historical Dictionary of Surrealism

Bulfinch Press

Over 3,000 sayings about music, musicians, and music-related topics.

Pronunciation Dictionary of Artists'

Names Mapin Publishing Pvt

The understanding and enjoyment of a work of art depends as much on the story it depicts as on the artist's execution of it. But what were once biblical or classical commonplaces are not so readily recognizable today. This book relates in a succinct and readable way the themes, sacred and secular, on which the repertoire of Western art is based. Combined here in a single volume are religious, classical, and historical themes, figures of moral allegory, and characters from romantic poetry that appeared throughout paintings and sculpture in Western art before and after the Renaissance. More than just a dictionary, this text places these subjects in their narrative, historical, or mythological context and uses extensive cross-referencing to enhance and clarify the meanings of these themes for the reader. The definitive work by which others are compared, this volume has become an indispensable handbook for students and general appreciators alike. This wholly redesigned second edition includes a new insert of images chosen by the author, as well as a new preface and index to highlight the ideas, beliefs, and social and religious customs that form the background of much of this subject matter.

Artwords Sterling Publishing Company Incorporated

Dictionary of Sport Psychology: Sport, Exercise, and Performing Arts is a comprehensive reference with hundreds of concise entries across sports, martial arts, exercise and fitness, performing arts and cultural sport psychology. This dictionary uses a global approach to cover philosophical and cultural backgrounds, theory, methodology, education and training and fields of application. Each entry includes phenomenon, subject description and definition, related theory and research, practice and application across sports and related performance domains. An authoritative, balanced and accessible presentation of the state-of-the-art in key subject areas, this dictionary is a must-have reference for anyone studying or practicing sport psychology. Provides a diverse cultural perspective to ensure the broadest coverage of internationalization Covers a broad scope of terms and concepts Includes extended performance domains, such as music, dance, theater arts and the circus Utilizes an alphabetical approach so entries are easily found and quickly referenced Contains entries written by leading researchers and scholars across the globe

The Honest Art Dictionary Penguin Group USA

Fully revised for this seventh edition, The Penguin Dictionary of Art and Artists is one of the most comprehensive and detailed reference works available on the subject. It contains: entries on all the major artists of the last seven centuries; short, incisive biographies of over 1,200 artists, including many new entries on modern American artists; evaluations of

the works of the greatest artists and their location; expositions of the best-known groups or schools of artists; descriptions of artistic techniques; and styles and definitions of artistic movements.

A Dictionary of Art Terms Schirmer Trade Books

Identifies important painters and sculptors, explains fundamental art techniques, and defines terms dealing with equipment, processes, color, art movements, and associations

Dictionary of Subjects and Symbols in Art Rowman & Littlefield

This glossary is intended to be a guide into the frontier of current theory and criticism of visual art and culture.

A Jovial Trip Through Art Jargon Oxford University Press

The Dictionary of Islamic Architecture provides the fullest range of artistic, technical, archaeological, cultural and biographical data for the entire geographical and chronological spread of Islamic architecture - from West Africa through the Middle East to Indonesia, and from the seventh to the eighteenth centuries of the Common Era. Over 500 entries are arranged alphabetically and fully cross-referenced and indexed to permit easy access to the text and to link items of related interest. Four main categories of subject matter are explored: * dynastic and regional overviews * individual site descriptions * biographical entries * technical definitions Over 100 relevant plans, sketch maps, photographs and other illustrations complement and illuminate the entries, and the needs of the reader requiring further information are met by individual entry bibliographies.

Dictionary of Artists' Models Thames & Hudson

Contains substantial entries on 600 fine

artists born before 1945. The emphasis is historical, focusing on the Western tradition of painting and sculpture, and exploring the problems women encountered in trying to obtain adequate training and professional recognition. Introductory essays examine training opportunities, the changing conditions of work for women since the medieval period, the contribution of women to the applied arts, and training and professionalism in 19th and 20th century Europe, Russia, North America and Australasia. Entries include biographical information, a list of principle exhibitions, selected writings, a bibliography, a representative work, and a description of critical reception, professional and artistic development, individual works and philosophies, and the artist's influences, contemporaries and companions. Lexicon Technicum: Or, An Universal English Dictionary of Arts and Sciences: Routledge

What exactly is Neo-Expressionism? The part of a city known as the acropolis? Or the painting technique called gouache? In this authoritative and concise dictionary, more than 2000 entries and 375 illustrations embrace the vast vocabulary of painting and sculpture, architecture and photography, the decorative, applied and graphic arts. The geographical spread is global; the chronological range takes in both Helladic art from Bronze Age Greece and holography, one of the newest means of expression provided by modern technology. 375 illus.

The Bulfinch Pocket Dictionary of Art Terms Oxford University Press, USA

Explains terms connected with art movements, methods, materials, tools, and philosophical concepts

The Penguin Dictionary of Art and Artists

Oxford University Press, USA
The HarperCollins Dictionary of Art Terms and Techniques, 2nd edition, contains over 3,200 clear definitions of terms encountered in the study and practice of the visual arts and in their literature. It covers all forms of easel and mural paintings, drawing, sculpture, the graphic arts, photography, ceramics, and mosaic. There are entries on schools, styles, and periods, but the chief emphasis of the book is on the materials and methods of the artist. Materials are defined in terms of compositions, source, use, and characteristic properties; processes and techniques are defined in terms of their practical application and results. Tools and equipment are concisely described and illustrated with copious line drawings.

The Thames and Hudson Dictionary of Art and Artists (Expanded, Updated)

Scarecrow Press

Sport, Exercise, and Performing Arts

Peter Bedrick Books

NEW YORK TIMES BESTSELLER "It's undeniably thrilling to find words for our strangest feelings...Koenig casts light into lonely corners of human experience...An enchanting book. "

—The Washington Post A truly original book in every sense of the word, *The Dictionary of Obscure Sorrows* poetically defines emotions that we all feel but don't have the words to express—until now. Have you ever wondered about the lives of each person you pass on the street, realizing that everyone is the main character in their own story, each living a life as vivid and complex as your own? That feeling has a name: "sonder." Or maybe you've watched a thunderstorm roll in and felt a primal hunger for disaster, hoping it would shake up your life. That's called "lachesism." Or you were looking through old photos and felt a pang of nostalgia for a time you've never actually experienced. That's "anemoia." If you've never heard of these terms before, that's because they didn't exist until John Koenig set out to fill the gaps in our language of emotion. *The Dictionary of Obscure Sorrows* "creates beautiful new words that we need but do not yet have," says John Green, bestselling author of *The Fault in Our Stars*. By turns poignant, relatable, and

mind-bending, the definitions include whimsical etymologies drawn from languages around the world, interspersed with otherworldly collages and lyrical essays that explore forgotten corners of the human condition—from “astrophe,” the longing to explore beyond the planet Earth, to “zenosyne,” the sense that time keeps getting faster. The Dictionary of Obscure Sorrows is for anyone who enjoys a shift in perspective, pondering the ineffable feelings that make up our lives. With a gorgeous package and beautiful illustrations throughout, this is the perfect gift for creatives, word nerds, and human beings everywhere.

North Light Dictionary of Art Terms

The Concise Oxford Dictionary of Art Terms

Offers concise explanations of art terms in dictionary format. Covers Western civilization and includes painting, sculpture, graphics and contemporary mixed media.

The Concise Oxford Dictionary of Art Terms London : Longman, Brown, Green, and Longmans

Surrealism was a broad movement, which attracted many adherents. It was organized and quite strictly disciplined, at least until the death of its leader, Andre Breton, in 1966. As a consequence, its membership was in a constant state of flux: persons were constantly being admitted and excluded, and often the latter continued to regard themselves as Surrealists. The wide-ranging nature of the Surrealist movement was spread over many countries and many different art forms, including painting, sculpture, cinema, photography, music, theater, and literature, most notably poetry. The Historical Dictionary of Surrealism relates the history of this movement

through a chronology, an introductory essay, a bibliography, and over 600 cross-referenced dictionary entries on persons, circles, and groups who participated in the movement; a global entry on some of the journals and reviews they produced; and a sampling of major works of art, cinema, and literature."

A Handbook for the Artist and Art Lover
Academic Press

This unique and authoritative reference work contains more than 2,000 clear and concise entries on all aspects of modern and contemporary art. Its impressive range of terms includes movements, styles, techniques, artists, critics, dealers, schools, and galleries. There are biographical entries for artists worldwide from the beginning of the 20th century through to the beginning of the 21st, from the Finnish architect Alvar Aalto to the French sculptor Jacques Zwobada. With international coverage, indications of public collections and publicly sited works, and in-depth entries for key topics (for example, Cubism and abstract art), this dictionary is a fascinating and thorough guide for anyone with an interest in modern and contemporary culture, amateur or professional. Formerly the Dictionary of 20th Century Art, the text has been completely revised and updated for this major new edition. 300 entries have been added and it now contains entries on photography in modern art. With emphasis on recent art and artists, for example Damien Hirst, it has an exceptionally strong coverage of art from the 1960s, which makes it particularly ideal for contemporary art enthusiasts. Further reading is provided at entry level to assist those wishing to know more about a particular subject. In addition, this edition features recommended web

links for many entries, which are accessed and kept up to date via the Dictionary of Modern Art companion website. The perfect companion for the desk, bedside table, or gallery visits, A Dictionary of Modern and Contemporary Art is an essential A-Z reference work for art students, artists, and art lovers.
